The study of languages

**in contact is an ever-
relevant topic in**

linguistics, especially

at present times when

Page 3/215

Approaches To

**Access PDF
Aspects Of
Language Contact
increasing
globalization leads to a
number of new contact
situations. This volume
features ten papers on
various aspects of
language contact by
leading specialists in
the field. In these
papers, contact-
induced change in a
wide variety of
languages is
approached from**

**Access PDF
Aspects Of
Language Contact
various perspectives,
reflecting the current
state of affairs in
language contact
studies. The first main
theme in the volume is
related to the linguistic
effects of migration,
both in the present and
in the past, and both in
the standard language
spoken by ethnic
minorities, and in
immigrant languages**

that are influenced by the standard. The second theme concerns border areas, a traditional treasure trove for the study of contact phenomena. The third theme is about contact effects without physical contact, as well as the role played by translators in this process.

It is generally agreed that about 7,000 languages are spoken across the world today and at least half may no longer be spoken by the end of this century. This state-of-the-art Handbook examines the reasons behind this dramatic loss of linguistic diversity, why it matters, and what can be done to

**document and support
endangered languages.
The volume is relevant
not only to researchers
in language
endangerment,
language shift and
language death, but to
anyone interested in
the languages and
cultures of the world.
It is accessible both to
specialists and non-
specialists: researchers**

Aspects Of

Language Contact

fourteen original
contributions to the

on-going debate

about what is

possible in contact-

induced language

change. The authors

present a number of

new vistas on

language contact

which represent new

developments in the

field. In the first part

Acces PDF

Aspects Of

Language Contact

New Theoretical

Methodological

And Empirical

Findings With

Romancisation On

Processes as a very

promising laboratory

for language-contact

oriented research

and theoretical work

based thereon. The

reader is informed

Acces PDF

Aspects Of

Language Contact

about the large scale
projects on loanword

typology in the

contribution by

Martin Haspelmath

and on contact-

induced grammatical

change conducted by

Jeanette Sakel and

Yaron Matras.

Christel Stolz

reviews processes of

gender-assignment to

Acces PDF

Aspects Of

Language Contact

New Theoretical

Methodological

And Empirical

Findings With

Special Focus On

the contribution by

Søren Wichmann

and Jan

Wohlgemuth. In the

articles by Wolfgang

Wildgen and Klaus

Zimmermann, two

Acces PDF

Aspects Of

Language Contact

radically new

approaches to the

theory of language

contact are put

forward: a dynamic

model and a

constructivism-based

theory, respectively.

The second part of

the volume is

dedicated to more

empirically oriented

studies which look

Acces PDF

Aspects Of

Language Contact

into language-
contact constellations

with a Romance

donor language and

a non-European

recipient language.

Spanish-Amerindian

(Guaraní, Otomí,

Quichua) contacts

are investigated in

the comparative

study by Dik Bakker,

Jorge Gómez-

Acces PDF

Aspects Of

Romancisation

Processes

Empirical

Approaches To

Language

Typology, Ealt

obviously not only

the lexicon is

subject to change,

but likewise are the

phonological, the semantic and other systems of a language.

Secondly, also intra-linguistic modifications, however triggered,

Acces PDF

Aspects Of

Language Contact

New Theoretical

Methodological

And Empirical

Findings With

Special Focus On

Romancisation

Processes

Empirical

Approaches To

Language

Typology East

can result in further adjustments within other areas of the language. Thirdly, addition is certainly not the only possible change.

Replacement, loss and shift are some other phenomena that might succeed both extra- and

Acces PDF

Aspects Of

Language Contact

intra-linguistic

developments.

One could add

that, for instance in

the case of

addition, it is not

always clear

whether the need

for a new word or

the new word,

having been used

synonymously with

Africa.

Amazonian Spanish:

Language contact and evolution explores the unique origins, linguistic features, and geo-political situation of the Spanish that has emerged in the Amazon. While this region boasts much linguistic diversity, many of the indigenous languages found within its limits are now being

Acces PDF

Aspects Of

Language Contact

replaced by Spanish. This

situation of language

expansion, contact, and

bilingualism is reshaping

the sociolinguistic

landscape of the Amazon

by creating a number of

Spanish varieties with

innovative linguistic

features that require

closer scholarly attention.

The current book

documents this situation

in detail. The chapters in

Acces PDF

Aspects Of

Language Contact

this volume include work

on distinct geographical

regions of the Amazon,

with primary data

collected using different

methodologies and

language contact

situations. The scholars

in this volume specialize

in an array of fields,

including anthropological

linguistics, bilingualism,

language contact,

dialectology, and

Acces PDF

Language Contact and

Language Conflict

New Perspectives on

Mixed Languages

Most societies in
today's world are
multilingual.

'Language contact'

occurs when

speakers of different
languages interact

Acces PDF

Aspects Of

Language Contact

and their languages
influence each

other. This book is

an introduction to

the subject,

covering individual

and societal

multilingualism, the

acquisition of two or

more languages

from birth, second

language

acquisition in

adulthood, language

Acces PDF

Aspects Of

Language Contact

change, linguistic
typology, language

processing and the

structure of the

language faculty. It

explains the effects

of multilingualism

on society and

language policy, as

well as the

consequences that

long-term

bilingualism within

communities can

Aspects Of

Language Contact

sounds,

grammatical forms,

and idioms to the

pre-existing

language. For

example, English's

structure has been

shaped in such a

way by the effects of

Norse, French,

Latin, and

Celtic--though

English is not alone

in its openness to

Acces PDF

Aspects Of

Language Contact

these influences.

Any features can

potentially be

transferred from one

language to another

if the sociolinguistic

and structural

circumstances allow

for it. Further, new

languages--pidgins,

creoles, and mixed

languages--can

come into being as

the result of

Acces PDF

Aspects Of

Language Contact

language contact. In
thirty-three

chapters, The

Oxford Handbook of

Language Contact

examines the
various forms of

contact-induced

linguistic change

and the levels of

language which

have provided

instances of these

influences. In
