

## Astrology For The Soul Jan Spiller

This amazingly simple method from a Tibetan Master unlocks the secrets of your Soul - revealing your Soul Path and life purpose for this incarnation. A potentially mind-blowing read, Soul Astrology can help you to get clear on what you came here to do AND how you'll do it! What you can learn in Soul Astrology: \* WHAT you came here to do \* HOW you'll do it \* BLOCKS that are in your way \* HOW to REMOVE them \* HOW to FIND your SOUL PATH in YOUR HOROSCOPE \* Your INNATE MASTERY and GIFTS that you brought with you that will accomplish your life purpose During the early twentieth century a Tibetan Master who simply called himself "The Tibetan" transmitted a body of work known as A Treatise On The Seven Rays, to an Englishwoman named Alice Bailey. Part of that work was the volume known as Esoteric Astrology. Many have studied Esoteric Astrology and found the work to be complex in it's presentation. In Soul Astrology Ruth Hadikin cuts through the complexity so you can easily access the essential wisdom of the Tibetan Master DK. This amazingly simple (yet deeply profound) approach to your birth chart shows you how to easily identify your Soul's Path and determine your life purpose for this incarnation. "Who am I?" and "Why am I here?" are the biggest questions that you will ever ask yourself as you walk through this journey of life. The answers are hiding in plain sight and can easily be revealed through your horoscope. You just need to know how to look, and this book is about to tell you... Drawing upon Esoteric Astrology, the Greek myth of Hercules, and ancient principles from spiritual masters, Ruth Hadikin describes the journey of your Soul through the twelve signs of the Zodiac. Your Soul's Path and your life purpose will become crystal clear to you. For spiritual seekers and lovers of astrology alike, Soul Astrology is a powerful addition to your toolbox for your ongoing journey of spiritual awakening.

One of the most important journeys in life is finding your calling, a process of identifying and embracing the best career for personal satisfaction and success. As a child, you may have intuitively identified a career path that felt exciting and right. But it's easy to lose that belief and clarity as you navigate a confusing world. Competing and contradictory advice and expectations from friends, family, and society can make it challenging to identify what you truly want to do in the world, and how to pursue your dreams. In this inspiring, practical, and supportive book, Jan Spiller teaches you how the 10th House - or Midheaven - in your astrological chart can shed light on the tools and gifts you have to achieve success in any area of life. When you embrace and express your natural talents, you more easily enlist others in your success, and events fall into place more smoothly. But more than that, the 10th House shows how you can actualize the part of yourself that seeks a meaningful place in the world, and how to align more closely with your deeper purpose. On all levels - financial, emotional, relational, and spiritual - the 10th House can guide you to fulfillment, authenticity, and success. You'll need your astrology chart to use this book. Soul-Centered Astrology is a groundbreaking sourcebook. Influenced by Theosophical philosophy, Alice Bailey, and the Ancient Wisdom Teachings, Alan Oken describes the evolutionary process of spiritual self-development with the twelve astrological signs and their soulcentered planetary rulers and the esoteric significance of the planets in the signs. The book features an elevation of the spiritual importance of the ascendant, the incarnational relevance of cardinal, fixed, and mutable crosses, and the correlation between astrology and the Seven Rays. Revealing the soul's path to inner enlightenment and outer fulfillment, it offers a complete course for the serious student of the stars that encompasses and goes beyond birth signs and natal charts. Geared to the student traversing a spiritual path, Alan Oken teaches the secrets of Esoteric Astrology that have been a focus of study for mystics and initiates throughout the ages.

"Astrology and geopolitics may seem strange bedfellows, but Soul-Sick Nation puts the two together in a masterful hybrid to provide a perspective as extraordinary as the times we are living in. Using the principles of ancient wisdom to make sense of the current global situation, this keenly intelligent book elucidates the meaning of an epoch in distress and proposes a path towards healing. Soul-Sick Nation is neither a conventional astrology book nor a standard-issue political commentary. With clear, accessible language and a thorough appendix at the end, the book requires no previous knowledge of astrology; though it will introduce the newcomer to the subject with substantial depth. Using the vocabularies of astrology and Jungian psychology, Murray invites the reader to consider critical contemporary issues with a perspective that reaches far beyond partisanship and provincialism, piercing through the confusion and labeling that keeps so much of America's cultural discourse unimaginative and unhelpful. In Soul-Sick Nation, Murray offers an in-depth analysis of America's essential destiny -- uncovering, chapter by chapter, the greater purpose motivating this group soul. With a rare blend of compassion, humor and fearless taboo-busting, she shows how this greater purpose has been distorted, and how it can be re-embraced in the decades to come. She decodes current

astrological transits that express the key themes the USA must learn in this period of millennial crisis -- including that of the responsibility of power -- spelling out the profound lessons the nation will face in the next few years. She sheds new light on troubling issues that the pundits and culture wars inflame but leave painfully unresolved: the WTC bombings, the violence in the Middle East, media propaganda, globalization, consumerism and the American Dream. In her interpretation of the birth chart of the entity born July 4, 1776, Murray reveals America's noble potential without sentiment and diagnoses its neuroses without delusion. Combining the rigor of a political theorist with the vision of a master astrologer, she explains how each of us can come to terms with this moment in history and arrive at a response that is unique and creative. This book will leave the reader revitalized, shorn of illusions and full of hope."

**Charting the Soul is a synthesis of knowledge and understanding from the three fields of astrology, psychology and energy healing. The author is a professional astrologer, energy healer and process facilitator and she poses the idea that the three disciplines are three overlapping ways of engaging with a person's Human Energy Field. In the first place, Charting the Soul is based on Wilhelm Reich's psychological model of 'characterology'. Reich spoke of five distinct character types emerging from five stages of child development; the Schizoid, the Oral, the Masochist, the Psychopath and the Rigid. From this foundation, Charting the Soul goes on to make the link between characterology and astrology. The author describes the way in which specific planets are linked to each of the five character types. She shows how the pattern of the planets in the horoscope will indicate the balance of a person's characterology, illuminating both their childhood history and the character types they most identify with. Thus the traditional understanding of the character types is illuminated and expanded by the profound wisdom of astrology. From the spiritual view, this book takes us beyond the traditional psychological interpretation of the character types. Rebekah Hirsch recognises the impact of traumatic childhood experiences but she also sees the light of the divine essence of each living being eternally shining through from the core of all human experience. She suggests that the character types could be seen as five stages of the soul's journey into incarnation, each stage a necessary part of the creative process and bringing through essential gifts of genius, compassion, creativity, courage and wisdom. The main part of the book has been written so as to be understandable by non-astrologers. The focus is on an exploration of the archetypal nature, the core essence of each of the planets in the horoscope. The author also gives an overview of the energy structures of the human energy field. She describes how, using higher sense perception, each of the planets radiates qualities of light, shadow and movement - a distinct energy signature, appearing as a recognisable vibrational pattern in the human energy field. Staying with the theme of the five character types, the final section of the book comprises five case studies of Jimi Hendrix, Marilyn Monroe, Orson Welles, Frida Kahlo, and Pierre Teilhard de Chardin. This section is written for those with a more advanced understanding of astrology. Each case describes how the planets in the horoscope show the development of the character types through childhood as well as indicating the beautiful gifts and talents each soul brought into manifestation in the world of matter. Above all, this book is about awareness; about the divine nature of being alive and the power and beauty of each individual struggling to bring their own unique essence through into the world of matter. This book should be of interest to all students of astrology, particularly psychological astrology; also to a wide range of therapists and practitioners, particularly in the fields of Bio-Energetics, Core Energetics, Brennan Healing Science and Hakomi as well as to all individuals on a path of spiritual and emotional growth.**

**Pagan Astrology for the Spirit and Soul explores and emphasizes an astrology that emphasizes the Moon and the dynamics of polarity in the form of masculine-feminine relationships. This non-traditional approach to astrology is both fun and enlightening, opening the heart and mind to new insights in the birth chart using the symbolism of a Wiccan coven. Ideal for pagan divinatory studies, it has much to offer all astrologers. Designed to trigger the reader's intuitive gifts through words as imagery, Pagan Astrology for the Spirit and Soul takes a close look at each of the planets, placing them in the context of the time-honored roles of the coven. In this context Alice Miller presents the human personality as a coven, a blueprint for the whole being. Each planet is explored through its sign position and role, with special attention given to the section on the outer planets and the incoming Age of Aquarius. The planets: The Moon: The High Priestess Moon; The Sun: The High Priest; Venus: The Maiden; Mars: The Maiden's Working Partner; Mercury: The Fetch; Jupiter: Mercury's Partner; Saturn: The Traditionalist; Uranus: Saturn's Partner; Neptune: The Subconscious Master; Pluto: Mother of Rebirth**

For the first time ever, a famous spiritual astrologer shares the secrets, previously known only to professionals, that hold the key to your future. Astrologer Jan Spiller shows you the key to discovering your hidden talents, your deepest desires, and the ways you can avoid negative influences that may distract you from achieving your true life purpose, as revealed in your chart by the position of the North Node of the Moon. With insight and depth impossible to gain from the commonly known sun-sign profiles, the enlightening self-portrait offered by the Nodes of the Moon can explain the life lessons you came here to learn and how to achieve the fulfillment and peace you desire. Jan Spiller shows you how to locate the all-important North Node of the Moon in your astrological chart and provides a detailed interpretation of its influence and exclusive exercises to help you learn about:

- The SPECIAL TALENT that is waiting for you, a unique gift that could easily be turned into professional success
- The SELF-DEFEATING TENDENCIES in your personality that can hold you back and sabotage relationships
- The LOVE PARTNER who can be your soul mate—and the partner whose hold over you can lead to heartbreak
- The TRAP or temptation from a past life that can lead to disaster if you are not forewarned
- The HEALING AFFIRMATIONS designed to help you release your positive energy and strengthen the qualities that can bring you true happiness

Understanding your previous incarnations can turn into a fascinating journey of self-discovery and healing. You can gain insight into destructive habits that may have begun in a past life -- and then create a more positive and creative new life. In **"Astrology and Your Past Lives"** astrologer and regression therapist Jeanne Avery provides a simple yet profound way to understand one's blocks and blessings. By focusing on the meaning of one planet -- Saturn, the planet of limitations -- Avery shows how we "pick our own type of gravity" that connects this life to our previous incarnations.

"One complete volume explains the basics of astrology. Combines natal astrology with modern concepts, and serves as a reference manual. Learn to cast a chart, delineate planet positions, and interpret entire horoscopes"--Cover.

If you are interested in understanding more about your true self, the purpose of life and your spiritual path, **Esoteric Astrology** is the book for you. You will be guided into a deeper dimension of astrology and the spiritual laws behind all life, for example the law of reincarnation and karma. There is a great difference between esoteric astrology that interprets the horoscope from the viewpoint of the soul, and traditional astrology that often is preoccupied with outer events and the desires and reactions of the outer self. An esoteric astrologer looks for the purpose of the soul, and the inner causes behind what happens to you in life. What are your talents and limitations, so that you can make use of and increase your good sides and eliminate or limit the bad habits. The book is written in

a simple language, it is a beginner's guide to astrology. You will need no previous knowledge about astrology to read this book. This book is meant for anyone who is interested in spirituality and astrology. But it is also recommended for you who have studied astrology and wish to add a spiritual dimension to the subject. This book includes many important areas, such as: human relations, how to cast a horoscope, diseases, the purpose of life, and an esoteric interpretation of the signs. The book helps you to understand more about yourself. But to this is added astrology for humanity and nations, how astrological energies are influencing and are determinative for society. From the perspective of a spiritual background, this is indeed an entirely new way of looking at our civilization.
