

### Attack On Titan 3

**THE WORLD OUTSIDE THE WALLS** *If you've already read Attack on Titan, this box set is your chance to go on an expedition beyond the main series, with the first volume of three great spinoff series: Attack on Titan: Before the Fall, Attack on Titan: No Regrets, and the hilarious Attack on Titan: Junior High. The perfect gift for the aspiring Survey Corps member in your life! Continue your journey outside the walls with the manga that inspired the second part of season 3 of the hit anime Attack on Titan! Includes an EXCLUSIVE book of Attack on Titan short stories never published in English! The Survey Corps has overthrown the Royal Government and swept away the tyranny of the king. The next step: Move to retake Wall Maria, with the helpf of a newly-discovered metallic ore and Eren's miraculous Titan hardening powers. But as humanity pulls together, its enemies also unite beyond the Walls... now that the Beast Titan has joined Reiner and Bertolt, what havoc will they wreak? A prequel to the blockbuster Attack on Titan series, Before the Fall is a three-volume young adult fiction fantasy novel series set years before the events that transpire with Eren and Mikasa. Together, the second and third volumes of Before the Fall are yet another prequel story and they are for the most part separate from the story of Angel and Wall Maria. In this collection we are introduced to a new character, Kuklo, who was found as a baby crying in a mass of Titan vomit, amidst the dead titan corpses. He is called "a child of titan" and is essentially hated by the people inside the walls. Kuklo, despite his horrible beginnings and a single-functioning eye, also seems to grow unnaturally fast. He parts himself from his past and gambles on the fate of humanity by enlisting in the Survey Corps. This group functions primarily outside of the safety of the walls. And here with his strength and determination Kuklo survives and thrives. But to accomplish this he gets his hands on the Vertical Maneuvering Equipment. Although the gear is still imperfect and causes a troublesome incident for Kuklo, he fights the Titans. Whether it is because it is his fate to fight them, or it is because of his past, he fights against them. This striking, richly illustrated edition of long-lost German fairy tales is not a book for children. It is a book for adults. Or for adults to frighten children into behaving...whichever you prefer. In 2009, a trove of lost fairy tales collected by Franz Xaver von Schönwerth--a 19th-century collector of Bavarian folk tales and contemporary of the Brothers Grimm--was unearthed in a municipal archive in Germany. Unlike the Grimms, who polished the stories they collected, adapting to contemporary tastes, von Schönwerth recorded the stories as they were told, plucking them directly from the living, breathing tree of oral storytelling, retaining their darker themes and sometimes shocking violence. Von Schönwerth published a single volume of these tales in his lifetime, but the vast majority languished and were forgotten over the years, effectively frozen in time until their recent rediscovery. Now, award-winning illustrator Willow Dawson, in collaboration with translator Shelley Tanaka, has brought these long-lost tales unforgettably to life, illuminating with striking woodcut-style illustrations a spectacular collection that will change the way you look at fairy tales forever. Paired with Dawson's arresting artwork, the stories in White as Milk, Red as Blood race with palpable energy through fantasy landscapes darker, bawdier and racier than anything we find in Disney or the Grimms. Following the tradition of illustrated fairy-tale collections, White as Milk, Red as Blood is the very first fully illustrated, full-colour edition of Franz Xaver von Schönwerth's work. It is a timeless tome of enchantment and foreboding: tales--as haunting as they are profound--of powerful princesses, helpless men, lecherous villains, virtuous girls, witches, giants, at least one female serial killer, mer-people, shape-shifters and talking beasts--a kaleidoscope of wonders both familiar and entirely new; rich and strange. Dawson and Tanaka's dark and lively take on von Schönwerth's collected tales will appeal to fans of Mike Mignola's classic fantasy comic-book series Hellboy.*
