ERWIN'S GREATEST GAMBLE Commander Erwin has finally come to a decision: Putting their own wealth and position ahead of the survival of humanity, the royal government is no longer to lead. To execute their leader's most audacious plan yet, Eren and Krista will have to put themselves in peril yet again, and Armin, Mikasa, and the rest of the Survey Corps will have to lead from humanity's guardians into traitors. If they fail this time, they'll face not a Titan's gaping mouth, but the gallows...

A prequel to the blockbuster Attack on Titan series, Before the Fall is a three volume young adult fiction fantasy novel series set years before the events that transpire with Eren and Mikasa. Together, the second and third volumes of Before the Fall are yet another prequel story and they are for the most part separate from the story of Angel and Wall Maria. In this collection, we are introduced to a new character, Kuklo, who was found as a baby crying in a mass of Titan vomit, amidst the dead titan corpses. He is called "a child of titan" and is essentially hated by the people inside the walls. Kuklo, despite his horrible beginnings and a single-functioning eye, also seems to grow unnaturally fast. He parts himself from his past and gambles on the future of humanity by enlisting in the Survey Corps. This group functions primarily outside of the safety of the walls. And here with his strength and determination Kuklo survives and thrives. To accomplish this he gets his hands on the Vertical Maneuvering Equipment. Although the gear is still imperfect and causes a troublesome incident for Kuklo, he fights the titans. Whether because it is his fate to fight them, or it is because of his past, he fights against them.

This book of 'fantasy science' answers all the questions it would never occur to anyone to ask about Attack on Titan such as: 'What do Titans have in common with bears?'; 'How many humans per day should a Titan eat to stay healthy and svelte?'; and 'Why don't Titans have, you know, reproductive organs..?' With original illustrations and very original takes on the world of the Titans, fans will find this a welcome break from Attack on Titan's dark tone.
