The Essence Of Happiness

In THE EAGLE AND THE ROSE, Rosemary Altea tells the remarkable story of awakening to her psychic gifts as a medium and healer. As simple and honest as the story is remarkable, THE EAGLE AND THE ROSE describes how Rosemary Altea is chosen to be the voice of the spirit world;how she is taken

under the wing of a Native American spirit guide named Grey Eagle and taught to use her astonishing power to heal, go astral-travelling, and perform soul rescue. Grey Eagle calls Rosemary "his Rose" as he helps nurture her gift. In the casebook section of THE EAGLE AND THE ROSE are 10 stories of astonishing impact - how a woman decapitated in a train wreck relives her traumatic death in Rosemary Altea's body in order to adjust to life in the hereafter; how a tragic boating accident is predicted months before the fact by Rosemary Altea on a live radio show; how a dead child convinces his mother that he is safe with relatives on the spirit plane. Behind all these moving communications is Grey Eagle, Rosemary's mentor, constant companion, and friend. His spirit pervades this book as he focuses the spotlight on an important teaching: Life may continue after death, but how we behave on the Earth Plane does count. Grey Eagle elevates the message in this book to a transcendent level. He says, "We are all souls and must treat each other with kindness." We are not human beings having a spiritual experience. We are spiritual beings having a human experience.
