

Awakened Age Of Expansion A Kurtherian Gambit Series The Ascension Myth Book 1

A monumental and exhilarating history of European thought, from the fall of Rome in the fifth century AD to the Scientific Revolution thirteen centuries later. The Awakening traces the recovery and refashioning of Europe's classical heritage from the ruins of the Roman Empire. The process of preservation of surviving texts, fragile at first, was strengthened under the Christian empire founded by Charlemagne in the eighth century; later, during the High Middle Ages, universities were founded and the study of philosophy was revived. Renewed interest in ancient Greek and Roman thought provided the intellectual impetus for the Renaissance of the fifteenth and sixteenth centuries, whose ideas – aesthetic, political and scientific – were disseminated across Europe by the invention of the printing press. Equally momentous was Europe's encounter with the New World, and the resulting maritime supremacy which conferred global reach on Europe's merchants and colonists. Vivid in detail and informed by the latest scholarship, The Awakening is powered not by the fate of kings or the clash of arms but by deeper currents of thought, inquiry and discovery, which first recover and then surpass the achievements of classical antiquity, and lead the West to the threshold of the Age of Reason. Charles Freeman takes the reader on an enthralling journey, and provides us with a vital key to understanding the world we live in today.

"Awaken your brain and unleash your hidden potential.An awakened brain allows you to live life from the optimal brain state, discover your broadest range of skills, and unleash the growth and potential that too often lies dormant. Drawing from her unique background as a neuropsychologist and former nun, Charlotte Tomaino explores the impact of belief and spirituality on the actual function and structure of the brain. Through effective, hands-on exercises, Tomaino gives us the tools to expand our consciousness, raise our awareness, and fully utilize the power of the brain to create the life we desire.As a clinical neuropsychologist, Tomaino has helped hundreds of patients develop practical solutions for the loss of brain function due to trauma, which gives her remarkable insight into the potential for us all. Now, with Awakening the Brain, she teaches us to unleash this latent power and live up to our full potential.Tomaino, who has garnered broad media attention for her groundbreaking work in neuroscience, explains the basic workings of the brain in direct, simple language. No science classes required. In addition, Microsoft tags throughout the book link to free explanatory videos to enhance the experience for those who want more."

The UnknownWorld is reeling from change. Bethany Anne has started to make a difference in the first week of being awake. Now, America has been losing good men since their teams don't have a Vampire to help them. Frank is hoping Bethany Anne can, and will, help. Further, the American Pack Council is having internal problems with their own young-and-dumb Weres who want to ignore Michael's strictures. With no one seeing Michael, the fear of the Boogeyman is starting to recede. That's ok with Bethany Anne, it means she will personally deliver the message there is a new vampire in town. Immediately following the story of Bethany Anne from Death Becomes Her, Queen Bltch rides a rollercoaster of action with a heavy dose of creative cussing. Bethany Anne starts to get a team in place to help her affect change. Because, whether the UnknownWorld wants it or not, Change is Coming.

**** #1 The Sunday Times bestseller *** Publishers Weekly bestseller "This book is no joke. Get ready to not sleep tonight. Awakened does exactly what it advertises. Scary amazing fun." – Brad Meltzer, bestselling author of The Escape Artist. "Awakened hits the high notes of Douglas Preston & Lincoln Child's Relic and Scott Snyder's The Wake [...] but its scope actually extends much further." – Kirkus *** The star of truTV's hit show Impractical Jokers—alongside veteran sci-fi and horror writer Darren Wearmouth—delivers a chilling and wickedly fun supernatural novel in the vein of The Strain, in which a beautiful new subway line in New York City unearths an ancient dark horror that threatens the city's utter destruction and the balance of civilization itself. After years of waiting, New York's newest subway line is finally ready, an express train that connects the city with the burgeoning communities across the Hudson River. The shining jewel of this state-of-the-art line is a breathtaking visitors' pavilion beneath the river. Major dignitaries, including New York City's Mayor and the President of the United States, are in attendance for the inaugural run, as the first train slowly pulls in. Under the station's bright ceiling lights, the shiny silver cars gleam. But as the train comes closer into view, a far different scene becomes visible. All the train's cars are empty. All the cars' interiors are drenched in blood. As chaos descends, all those in the pavilion scramble to get out. But the horror is only beginning. High levels of deadly methane fill the tunnels. The structure begins to flood.*

For those who don't drown, choke or spark an explosion, another terrifying danger awaits—the thing that killed all those people on the train. It's out there...and it's coming. There's something living beneath New York City, and it's not happy we've woken it up.

A New Earth

One Last Hall Mary attack by those on Earth goes awry when the Queen herself shows up with John Grimes along for the ride. Five puppies have plans that surprise everyone. The Queen has a problem, and her closest friends travel to Earth to find her a solution. It's time for an audience with the King of Yoll, and he isn't going to like the outcome. Not one bit. He has a secret he has been hiding, and those sneaky Aliens in space find out what it is, and turn it against him. It's time to release the Queen Bltch for her final clean-up of Kurtherians - This area of the Galaxy will never be the same, again. So grab your favorite drink, recline in your favorite chair or bed or couch, and relax for just a moment or two, because... Bethany Anne is BACK!

Will Destroy the Galaxy for Cash is the follow up tale to Will Save the Galaxy for Food from the mind of writer Yantzee Croshaw (Mogworld, Jam, Differently Morphous). With the age of heroic star pilots and galactic villains completely killed by quantum teleportation, the ex-star pilot currently named Dashford Pierce is struggling to find his identity in a changing universe. Then, a face from his past returns and makes him an offer he can't refuse: take part in just one small, slightly illegal, heist, and not only will he have the means to start the new life he craves, but also save the world from certain death. What could go wrong? If you need to ask--you don't know Dashford Pierce. Before long, Pierce is surrounded by peril, and forced to partner with the very same supervillains he'd spent his heroic career thwarting. But when he's confronted by the uncomfortable truth that star pilots might not have been the force for good, they had intended to be, he begins to wonder if the villains hadn't had the right idea all along...

This comprehensive record of Krishnamurti's teachings is an excellent, wide-ranging introduction to the great philosopher's thought. With among others, Jacob Needleman, Alain Naude, and Swami Venkatasananda, Krishnamurti examines such issues as the role of the teacher and tradition; the need for awareness of 'cosmic consciousness'; the problem of good and evil; and traditional Vedanta methods of help for different levels of seekers.

*Stapledon's science fiction novels often present the strivings of some intelligence that is beaten down by an indifferent universe and its inhabitants who, through no fault of their own, fail to comprehend its lofty yearnings. It is filled with protagonists who are tormented by the conflict between their "higher" and "lower" impulses.

There cannot be shadows without the light. Samantha and her black ops team continue their romp across the universe to defeat the mind-controlling Sceptulvul, defeat the armada of space pirates, and save the Three Kings of Orion. She might also finally learn who her father is. Join the Shadow Corps as they destroy their enemy and ensure the safety of all that is good. Fans of Destiny and Tech Mage love the action-packed science fiction of the Shadow Corps mixed with space dragons and magic.

The world is simpler than it seems. Everything that happens occurs because of cause and effect. Eliminate the cause of relationship problems, poverty, health issues, and disharmony-and you change the effect. Too often, though, we look for external causes, when the true cause lies within our own all-powerful and divine subconscious minds. The universe is made up of interconnected energy-and what are our thoughts if not pure energy? Change the workings of your inner mind, and you can quite literally change your life. In Sixth Sense, noted holistic success coach Eugene N. Wnosu provides a set of deceptively simple tools designed to help you "rewrite" your subconscious mind, change your life, and acquire the enlightenment and wisdom vital for true balance, equilibrium, and success. Novosi's practical affirmations help harness the mind's ability to operate in harmony with the unchanging rules of the infinite, divine universe. Simpler and easier to incorporate into everyday life than The Secret and its complexities, Sixth Sense frees you from the limitations of entrenched thought patterns, creating instead full engagement in your passions and dreams. Once properly aligned with the universe, you will succeed--all the time.

Mary Robinette Kowal continues her Hugo and Nebula award-winning Lady Astronaut series, following The Calculating Stars and The Fated Sky, with The Relentless Moon. The Earth is coming to the boiling point as the climate disaster of the Meteor strike becomes more and more clear, but the political situation is already overheated. Riots and sabotage plague the space program. The IAC's goal of getting as many people as possible off Earth before it becomes uninhabitable is being threatened. Elma York is on her way to Mars, but the Moon colony is still being established. Her friend and fellow Lady Astronaut Nicole Wargin is thrilled to be one of those pioneer settlers, using her considerable flight and political skills to keep the program on track. But she is less happy that her husband, the Governor of Kansas, is considering a run for President. Human beings are now evolving into a new species, popularized as the light body that starts to grow when our vibration is high enough to activate DNA that exists in our genes. The growing force increases the vibration of all objects over time. When the old body design no longer thrives in the increased vibratory field a species wide metamorphosis triggers. That is where we are today. In early 2006, Mary unexpectedly experienced a kundalini awakening after years of doing meditation. After this, she devoted three years full-time to the kundalini transformation and took daily notes. The core of Our Light Body is Mary's journal for the first year of kundalini transformation with notes, poetry, insights, visions and dreams. The book has chapters with the author's insights about the personality, the higher-self, steps of spiritual awakening, dark nights of the soul, DNA activation, kundalini, human metamorphosis and evolution.

A Sunday Times Bestseller! A 2022 Alex Award Winner! "Sparks fly" (NPR) in Everina Maxwell's gut-wrenching and romantic space opera debut. Prince Kiem, a famously disappointing minor royal and the Emperor's least favorite grandchild, has been called upon to be useful for once. He's commanded to fulfill an obligation of marriage to the representative of the Empire's newest and most rebellious vassal planet. His future husband, Count Jainan, is a widower and murder suspect. Neither wants to be wed, but with a conspiracy unfolding around them and the fate of the empire at stake they will have to navigate the thorns and barsbs of court intrigue, the machinations of war, and the long shadows of Jainan's past, and they'll have to do it together. So begins a legendary love story amid the stars. Like Ancillary Justice meets Red, White and Royal Blue, Winter's Orbit is perfect for fans of Lois McMaster Bujold. "Conversion has played a central role in the history of Christianity. In this first in-depth and wide-ranging narrative history, David W. Kling examines the dynamic of individuals, families, and people groups who turn to the Christian faith. Global in reach, this book progresses from early Christian beginnings in the Roman world to Christianity's expansion into Europe, the Americas, China, India, and Africa. Although conversion is often associated with a particular strand of modern Christianity (evangelical) and a particular type of experience (sudden, overwhelming), it is, when examined over two millennia, a phenomenon far more complex than any one-dimensional profile would suggest. No single, unitary paradigm defines conversion, and no easily demonstrable process accounts for why people convert to Christianity. Rather, a multiplicity of factors—historical, personal, social, geographical, theological, psychological, and cultural—shape the converting process. A History of Christian Conversion not only narrates the conversions of select individuals and peoples. It also engages current theories and models to explain conversion and examines recurring themes in the converting process: gender, agency, motivation, testimony, coercion, self-identity, "true" conversion, music, communication, the body, and divine presence. Accessible to scholars, students, and those with a general interest in conversion, Kling's book is, to date, the most satisfying and comprehensive account of conversion in Christian history; this major work will become a standard must-read in conversion studies"--

A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess Marrisra would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marrisra's dearest friends. Overtaken by Marrisra's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on Marrisra's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marrisra is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marrisra. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

Filled with instruction, case studies, testimonials, nutritional advice, and practical methods to raise your consciousness Awakening to the Fifth Dimension will empower readers to confront their own health struggles and find true, lasting healing.

In the future, even the Broken AI hacks her holo device. Molly Bates has to think fast and get out of the military before anyone discovers what has happened. The only problem? The swiftest way out is also the most embarrassing. Mortifyingly embarrassing. Ever the underdog, Molly refuses to stay down. What follows is a rough and tumble adventure that takes Molly, and her team of change makers, up against an enemy with power they had not considered. Regrouping off world they set up base on an asteroid that has its own mysteries to uncover. --- PLEASE NOTE --- Inside this book is cursing, amusing cursing, but cursing nonetheless. If bad language offends you, perhaps this book is not for you. Set on the foundation laid by the Kurtherian Gambit Series, Awakening tells an entirely new story in the Age of Expansion--when the Etheric Empire is fast becoming the Etheric Federation with all of the trials and tribulations that come with bringing together different peoples, systems, and ideals.

This book makes the bold claim that intellectual sophistication was born worldwide during the middle centuries of the first millennium bce. From Axial Age thinkers we inherited a sense of the world as a place not just to experience but to investigate, envision, and alter. A variety of utopian visions emerged and led to both reform and repression.

The 10th anniversary edition of A New Earth with a new preface by Eckhart Tolle. With his bestselling spiritual guide The Power of Now, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In A New Earth, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, A New Earth is a profoundly spiritual manifesto for a better way of life—and for building a better world.

Awakening to the Fifth Dimension

The Philosophical & Science-Fiction Works of Olaf Stapledon

What does it mean to be spiritually awakened? In The Leap, Steve Taylor shows that this state is much more common than is generally believed. He shows that ordinary people – from all walks of life – can and do regularly “wake up” to a more intense reality, even if they know nothing about spiritual practices and paths. Wakefulness is a more expansive and harmonious state of being that can be cultivated or that can arise accidentally. It may also be a process we are undergoing collectively. Drawing on his years of research as a psychologist and on his own experiences, Taylor provides what is perhaps the clearest psychological study of the state of wakefulness ever published. Above all, he reminds us that it is our most natural state – accessible to us all, anytime, anywhere. Civil war looms in the Bobiverse in this brand-new, epic-length adventure by best seller Dennis E. Taylor. More than a hundred years ago, Bender set out for the stars and was never heard from again. There has been no trace of him despite numerous searches by his clone-mates. Now Bob is determined to organize an expedition to learn Bender's fate-whatever the cost. But nothing is ever simple in the Bobiverse. Bob's descendants are out to the 24th generation now, and replicative drift has produced individuals who can barely be considered Bobs anymore. Some of them oppose Bob's plan; others have plans of their own. The out-of-control moods are the least of the Bobiverse's problems. Undaunted, Bob and his allies follow Bender's trail. But what they discover out in deep space is so unexpected and so complex that it could either save the universe—or pose an existential threat the likes of which the Bobiverse has never faced.

The book is about awakening your inner wisdom, inner power, inner beauty and your inner Self. Living a fulfilling life is a skill that requires both practice and understanding. This book provides both. It can be used for inspiration, or as an instruction handbook. It contains several meditation and other practices for self improvement. This book is must for any sincere for spiritual development. It can be read countless times for added insight. You may also enjoy reading this book if you really want to explore the full potential of your inner strength. It offers a very down-to-earth approach to understanding, in detail and simple language. For those who are truly interested to attain spiritual freedom and fulfillment in every sphere of life, this book is a practical and personal guidebook.

Do you have a nagging suspicion that you're not living up to your creative potential? Do you feel hindered by the deeply embedded programming of social conformity and core limiting beliefs? Most of all, are you ready to shed those shackles and unleash the raging genius deep inside? In Awaken Your Genius, author Carolyn Elliott helps you do just that with a seven-step course that shows you how to live at your fullest creative potential and make manifest your deepest desires and dreams. In Step 1, Hearing the Heart's Call, you'll learn how to determine your true passions and create a vision for yourself at your most fully realized best. Step 2, Accepting the Call, helps you turn that vision into a commitment. Step 3, Meeting the Guide, opens the door to dialoguing with your inner mentor—the subconscious part of yourself that knows what's missing and how to get it. Step 4, Crossing the Threshold, shows you how to let go of socially programed conformity and venture into your own personal imaginative dreamscape. Step 5, Enduring Trials, gives you tools and tips on navigating the inevitable obstacles that arise when doing this kind of transformational work. Step 6, Becoming Divine, shows you how to tune in to your most expansive, unconditionally loving self, which in turn gives you the power to manifest your dreams and inspire those around you. Step 7, Taming Your Genius, shows you how to negotiate with your newfound genius—a mighty power to be reckoned with—so that it gets sustenance without becoming disruptive. Each step comes with excellent explanations of the powers at work, as well as assignments (called "experiments") and check-ins to make sure you're keeping up with the previous steps. If you're ready to unleash your inner genius and take your life by storm, Awaken Your Genius will put you on the path, give you the tools you need, and keep you sustained, inspired, and supported along the way. If you're serious about cultivating your most imaginative, fearless, intuitive self, don't miss this book.

*In this book, you will:*Awaken to where you are being run by unconscious cultural/social programming*Find ways to free yourself from the limiting beliefs underlying unconscious behavior*Learn a method of healing using the FACE formula of forgiveness, appreciation, compassion and embodiment, in order to "face" life in an awakened state.*Learn to "re-author" unhealthy myths, messages and beliefs that are running your life*Learn to take care of your own unmet needs*combination of personal memoir, shared stories, psychological study, scientific learning and spiritual discourse, You Can't Sleep Through Your Awakening is an exploration into what it actually means to wake up, and includes tools that contribute to the awakening process.*
