Century 21 Accounting thoroughly prepares your first-year accounting students for the future. It exposes them to the entire accounting cycle for a variety of business situations. It is the only program that covers the complete accounting cycles for all three major business organizations: sole proprietorships, partnerships, and corporations. Century 21 is the only program that provides you with two distinct instructional approaches. Century 21 Accounting: First-Year Course uses the traditional multi-column journal then moves into special journal. Century 21 Accounting: General Journal Approach begins with a general journal then

moves to special journals. Either way, you'll get the same content coverage and hands-on problem-solving emphasis.

The fundamental accounting content you've come to trust from South-Western remains in the Anniversary Edition. Century 21 Accounting General Journal Approach begins with a single general journal then moves students into special journals in Cycle Two. Each chapter is divided into three or four lessons with corresponding assessment activities right at the point of use. Automated Accounting is in every chapter with versatile directions that allow this text to be used with Automated Accounting 6.0 Mac, 7.0 and 8.0 Windows software.

conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk

"Fantastic Learning Tool...Don't let this book title fool you. It is not an oversimplification of accounting and financial principles. It is, however, a serious and very effective examination of a very small but progressively complex business. There are not many books available on the market that make a complex and dry subject understandable and even fun. This book successfully does just that." -Amazon Reviewer
