*This unique word scrambles book provides a fun way to train yourself to transform negative thoughts into positive thoughts. These word scramble puzzles consist of pairs of antonyms where the letters have been scrambled. In each pair, – the first word is a negative word (like angry) and the second word is a positive word (like happy) – the antonym of the first word. Knowing that each pair of words are antonyms – where the first word is negative and the second word is positive – may help you unscramble any words that you don't see right away. A hints section at the back of the book provides the first letter of each answer, which is handy if you just need a little help; a separate section provides the answers so that you can check your solutions.*
