The first year of a child's life is a highly significant one.

Here are three reasons to record as much as possible. 1.

The parent will always be able to remember the first year
for years to come. They will want to remember as much as
they possibly can. 2. The child will be able to remember

and appreciate their childhood when they are older. 3.

Grandchildren will have the pleasure of enjoying early
photos of their parents.

Inside Mommy's Tummy By: Beth Rosiello Baby is growing in Mommy's tummy! She hears the voices of her mommy and daddy and big brother, Sean—plus the barking of little puppy Diesel. She listens as the family holds a party to say “It's a Girl!” And then she's off to the hospital with Mommy and Daddy to finally be born and welcomed into the world by her family. Inspired by the birth of her granddaughter Brianna, Beth Rosiello's book is a charming story of love and family, from the point of view of the baby on the way.
