The Civil Rights movement brought author Alice Walker and lawyer Mel Leventhal together, and in 1969 their daughter, Rebecca, was born. Some saw this unusual copper-colored girl as an outrage or an oddity; others viewed her as a symbol of harmony, a triumph of love over hate. But after her parents divorced, leaving her a lonely only child ferrying between two worlds that only seemed to grow further apart, Rebecca was no longer sure what she represented. In this book, Rebecca Leventhal Walker attempts to define herself as a soul instead of a symbol—and offers a new look at the challenge of personal identity, in a story at once strikingly unique and truly universal.

A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to drugs for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

Set on the hot city streets of Harlem in 1925, Mark Purvis is thrilled when he is given a simple job by Fats Waller, Harlem's musical genius.

The Scorpions are a gun-toting Harlem gang, and Jamal Hicks is about to become tragically involved with them in this authentic tale of the sacrifice of innocence and the struggle to steer clear of violence. This Newbery Honor Book will challenge young men to consider their own decisions as they come of age in a complex and often frustrating society. Pushed by a bully to fight and nagged by a principal, Jamal is having a difficult time staying in school. His home life is not much better, with his mother working her fingers to the bone to try to earn the money for an appeal for Jamal's jailed brother, Randy. Jamal wants to do the right thing and help earn the money to free his brother, but he's afraid to go against the Scorpions. Jamal eventually pulls free of the gang's influence, but only through the narrowest of escapes. Walter Dean Myers, five-time winner of the Coretta Scott King Award, sensitively explores the loyalty and love between friends faced with difficult choices. *Scorpions* is 25 years old, but the issues of poverty and violence make it a timeless page-turner—sadly as relevant as ever.

This thrilling basketball story from New York Times bestselling author Walter Dean Myers is a strong choice for independent reading and sharing in the classroom. Thought-provoking and packed with court action, Game is a winner. Drew Lawson knows basketball is taking him places. It has to, because his grades certainly aren't. "There's plenty of basketball here, but, as in any good sports novel, more is going on than the sport; life is the game, and this is a sensitive portrait of a likable young man, his family, city and dreams." (Kirkus starred review) "In this story of a teen who dreams of making it big in the NBA, Myers returns to the theme that has dominated much of his serious fiction: How can young black urban males negotiate the often-harsh landscape of their lives to establish a sense of identity and self-worth? As always, Myers eschews easy answers." (School Library Journal) Walter Dean Myers was a New York Times bestselling author, Printz Award winner, five-time winner of the Coretta Scott King Award, two-time Newbery Honor recipient, and the National Ambassador for Young People's Literature. A teenage boy accompanies his father, who has recently escaped from prison, on a trip that turns out to be a time of often painful discovery for them both.

Twelve-year-old Ann Maria Weems works from sunup to sundown, wraps rags around her feet in the winter, and must do whatever her master or mistress orders--but she has something that many plantation slaves don't have. She has her wonderful family around her. To Ann, her teasing brothers, her older sister, and her protective and loving parents are everything. And then one day, they are gone. Separated from her family by her master and shipped off as a housemaid, Ann learns something about independence and about love before the opportunity for escape arrives. A white man risks his life for Ann, cuts her hair short, dresses her like a boy, and launches her on her journey on the Underground Railroad to Canada, her family, and finally to freedom. Until she was a teenager, Ann Maria Weems lived in the mid-1800s near the author's home in Maryland. This fictionalized account of her extraordinary life is ideal for students, teachers, and parents hungry for interesting and informative reading in African-American history and the Underground Railroad.

Long ago, when the earth had not settled in its turning and the stars had not found their places in the night sky, there were three kingdoms. The first was the kingdom of the forest, ruled by the mighty Elephant. The second was the kingdom of the sea, ruled by the ferocious Shark. And the third was the kingdom of the air, ruled by the powerful Hawk. And then there were the People, who needed the forest and sea and air for survival. But they were small and weak--no match for the beast who dominated the kingdoms. Yet the People had a gift--the gift of storytelling. With powerful prose and bold illustrations, Walter Dean Myers and Ashley Bryan tell how the People used their gift to outwit the rulers of the three kingdoms, making this triumphant story one worth reading again and again.

A classic and highly acclaimed biography of civil rights activist Malcolm X, ever more relevant for today's readers. Lockdown is the powerful tale of fourteen-year-old Reese Anderson, who has spent 22 months in a tiny cell at a "progress center." Living in fear and isolation, Reese begins looking within himself to find a way out of the prison system. Acclaimed author Walter Dean Myers offers an honest story about finding a way to make it without getting lost in the shuffle. Told with compassion and truth, Lockdown is also a compelling first-person read that "could resonate with teens on a dangerous path." When I first got to Progress, it freaked me out to be locked in a room and unable to get out. But after a while, when you got to thinking about it, you knew nobody could get in, either. It seems as if the only progress that's going on at Progress juvenile facility is moving from juvy jail to real jail. Reese wants out early, but is he supposed to just sit back and let his friend Toon get jumped? Then Reese gets a second chance when he's picked for the work program at a senior citizens' home. He doesn't mean to keep messing up, but it's not so easy, at Progress or in life. One of the residents, Mr. Hooft, gives him a particularly hard time. If he can convince Mr. Hooft that he's a decent person, not a criminal, maybe he'll be able to convince himself. Walter Dean Myers was a New York Times bestselling author, Printz Award winner, five-time winner of the Coretta Scott King Award, two-time Newbery Honor recipient, and the National Ambassador for Young People's Literature.
