Determined to understand why Lucky was so quick to cover for her, Josie discovers that both of them have changed, and that the good boy she once knew now has a dark sense of humor and a smile that makes her heart race. And maybe, just maybe, he's not quite the brooding bad boy everyone thinks he is... What keeps so many of us from doing what we long to do? Why is there a naysayer within? Meet Arcadia Bell: bartender, renegade magician, fugitive from the law. . . . Being the spawn of two infamous occultists (and alleged murderers) isn't easy, but freewheeling magician Arcadia "Cady" Bell knows how to make the best of a crummy situation. After hiding out for seven years, she's carved an incognito niche for herself slinging drinks at the demon-friendly Tambuku Tiki Lounge.

But she receives an ultimatum when unexpected surveillance footage of her notorious parents surfaces: either prove their innocence or surrender herself.

Unfortunately, the only witness to the crimes was an elusive Æthyric demon, and Cady has no idea how to find it. She teams up with Lon Butler, an enigmatic demonologist with a special talent for sexual spells and an arcane library of priceless stolen grimoires. Their research soon escalates into a storm of conflict involving missing police evidence, the decadent Hellfire Club, a ruthless bounty hunter, and a powerful occult society that operates way outside the law. If Cady can't clear her family name soon, she'll be forced to sacrifice her own life . . . and no amount of

running will save her this time.

"His fascinating and ambitious book provides a fully developed theory of violence as the 'heart and secret soul' of the sacred. Girard's fertile, combative mind links myth to prophetic writing, primitive religions to classical tragedy."--Victor Brombert, Chronicle of Higher Education.

While investigating the mystery surrounding her own birth, Arcadia Bell, along with her lover Lon, must reverse the evil spell her parents cast during her conception to stop her murderous mother from taking permanent possession of her body. Original. Five best friends are spending the summer together and they won't let any magical quest or supernatural critters get in their way.

Successful artist Natalie Chambers impulsively buys a Victorian house overlooking the Pacific Ocean after her divorce. Immediately, her dreams are haunted by Sarah and Beth, two lovers from the past and the Dark Man who controlled their lives. When she begins to look for explanations for the things going bump in the night, the only answer she can get from the locals is that several previous owners had fled screaming into the night. Landscaper Van Easton hasn't had a serious relationship since her partner died. Content to let women and alcohol distract her from her pain, she is surprised at the intensity of emotion that bubbles to the surface after she meets Natalie. Contracted to restore the gardens at

Natalie's house, she refuses to believe that the mansion is haunted. Until the ghostly Dark Man follows her home. It appears he will stop at nothing to keep the new lovers apart, and the violence continues to escalate. Can they solve the mystery that will set Beth and Sarah free and banish the evil presence in the house? Or will the evil echoes of the past destroy them as well?

the other. The five bachelors in " My Lady Nicotine " seem to be utterly dissimilar in tastes and feelings—and have only one bond of union, their common love for the famous Arcadia Mixture. The solemnity with which they treat their pipes; their assured superiority to everybody outside of the circle which knows and appreciates that mysterious brand of tobacco ; the sentimental selfishness of their bachelor existence, and the delicate humor with which the quiet episodes are narrated—these are some of the charming qualities of the book. But the crowning humor of it is that the story is told by one of their number who boldly announces in the first chapter that he has married, and his wife has won him from his pipe and his comrades. He cheaply moralizes on their enslavement, and then in reveries calls up the happy days when he smoked with them. The closing chapter is a most subtle piece of writing. The narrator praises his constancy to his promise never to smoke again, and adds: " I have not even any craving for the Arcadia now, though it is a tobacco that should only be smoked
