Church History: Memories of

Online Library Baptist Church Family And Friends Day Templates

Friends from the Church, School, and Community is an illustrated book with a story for young and old. Sixty years of adventure with captioned photographs fill its pages. We see a community of Christians

Online Library Baptist Church Family And Friends Day Templates

wholeheartedly living for the Lord Jesus Christ in the River Valley Region of Belize. We observe how village Christians pooled limited personal resources for maximum community benefit. The

Online Library Baptist Church Family And Friends Day Templates

solidarity of these church members, combined with their desire to nurture others with kindness, helped the River Valley Region transition well from colony to nationhood in 1981. Organizational rules and

Online Library Baptist Church Family And Friends Day

practices in their churches also helped prepare them for leadership responsibilities in their communities, work places, and government. Appendices I, II, and III reveal that Baptists sought and still
