

Basic German A Grammar And Workbook Heiner Schenke

Filled with dialogues, grammar and idiom studies, and practical exercises, this is probably the most delightful, useful, and comprehensive elementary book available for learning spoken and written German. In addition, the book features 28 sketches of specific scenes with pertinent items numbered and identified in both German and English. Includes 330 photographs and illustrations.

Learn to apply basic German grammar and vocabulary to reading and translating progressively complex texts with the seventh edition of JANNACH'S GERMAN FOR READING KNOWLEDGE. Recognized as the leader in teaching reading skills, this text provides the tools you need to read specialized literature in your field. The Book Companion Website contains the readings that appear in each chapter, plus new comprehension questions and activities about the readings that are designed to let you practice specific reading skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Modern German Grammar: A Practical Guide, Third Edition is an innovative reference guide to German, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers grammatical categories such as word order, nouns, verbs and adjectives. Part B is organised according to language functions and notions such as: making introductions asking for something to be done delivering a speech possibility satisfaction. The book addresses learners' practical needs and presents grammar in both a traditional and a communicative setting. New to this edition, and building on feedback from the previous edition: The rules of the latest (and so far final) spelling reform have been implemented throughout. Examples of usage have been updated and consideration given to Swiss and Austrian variants. The chapter on register has been expanded and now includes youth language and frequently used Anglicisms in German. The Index now has even more key words; it has also been redesigned to differentiate between German words, grammar terms, and functions, thus making it more user-friendly. The Grammar assumes no previous grammatical training and is intended for all those who have a basic knowledge of German, from intermediate learners in schools and adult education to undergraduates taking German as a major or minor part of their studies. The Grammar is accompanied by a third edition of Modern German Grammar Workbook (ISBN 978-0-415-56725-1) which features exercises and activities directly linked to the Grammar. Ruth Whittle is Lecturer, John Klapper is Professor of Foreign Language Pedagogy, Katharina Glöckel is the Austrian Lektorin and Bill Dodd is Professor of Modern German Studies - all at the University of Birmingham. Christine Eckhard-Black is Tutor and Advisor in German at the Oxford University Language Centre.

Specially written by experienced teachers for self-study or class use, the course offers you a step-by-step approach to written and spoken German. No prior knowledge of the language is required. What makes this new edition of Colloquial German your best choice in personal language learning? Interactive - lots of exercises for regular practice. Clear - concise grammar notes. Practical - useful vocabulary and pronunciation guide. Complete - including answer key and reference section. Audio material to accompany the course is available to download freely in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

Are you sick and tired of boring textbooks that take forever to get to something useful? Have you tried learning German before but failed? Do you finally want to discover a way to learn German that's both fun and effective? If so, then you've come to the right place.

With all the new German spellings, Collins Easy Learning German Grammar offers beginners a clear and easy-to-understand guide to the verbs and grammar of German. Basic German: A Grammar and Workbook comprises an accessible reference grammar and related exercises in a single volume. The book introduces German people and culture through the medium of the language used today, covering the core material which students would expect to encounter in their first years of learning German. Each of the 29 units presents one or more related grammar topics, illustrated by examples which serve as models for the exercises that follow. These wide-ranging and varied exercises enable the student to master each grammar point thoroughly. Features include: • Clear grammatical explanations with examples in both English and German • Authentic language samples from a range of media • Checklists at the end of each unit to reinforce key points • Cross-referencing to other grammar chapters • Full exercise answer key • 'Did you know?' sections with extra learning tips on specific grammar points and insights into current usage of German • Glossary of grammatical terms The new edition has been thoroughly revised, including more varied exercises for practice, and grammar points have been reformulated to use a more learner-centred approach. Suitable for independent study and for class use. Basic German: A Grammar and Workbook is the ideal reference and practice book for beginners, as well as for students with some knowledge of the language.

Practice Makes Perfect Basic German

Learn German in bite-sized lessons! The key to Practice Makes Perfect: Basic German is how manageable the grammar and vocabulary are presented to you. You're not overwhelmed by it all! Supported by engaging exercises, these 50 units cover all aspects of grammar and vocabulary, giving you a solid foundation in the language. Each unit is three pages in length, and you can expect to be completed with each in 10 to 15 minutes. Features Key grammatical concepts and core vocabulary are absorbed almost effortlessly through exercises Flexibility for self-study or as a complement to your first-year class

German in Review is an intermediate-level review grammar that for almost twenty years has been the leading German reference grammar. Appropriate for third- and fourth-semester college classes, the main textbook of the Third Edition contains sixteen chapters, each covering a specific grammar topic. Most of these chapters are sub-divided into levels, beginning with the most basic principles, then proceeding to more advanced material. Each level concludes with a series of exercises, usually moving from strictly controlled exercises on a single aspect of the topic, to combination exercises (Mixed Exercises), and finally to English-to-German translation activities (Express in German). A new Student Manual, closely tied to the main text, provides a greater variety of activities that allow students to use the targeted structures in meaningful situations and contexts. The Student Manual is intended for in-class use, although students can also do the activities at home.

Intermediate German is designed for learners who have achieved basic proficiency and now wish to progress to more complex language. Each of the units combines concise grammar explanations with examples and exercises to help build confidence and fluency. Features include: clear explanations of the similarities and differences in English and German grammar authentic language examples from a range of contemporary media checklists at the end of each unit for consolidation full cross-referencing throughout extra tips on language learning and learning specific grammar points. Suitable for students learning with or without a teacher, Intermediate German, together with its sister volume, Basic German, forms a structured course of the essentials of German grammar.

DIVLogical, developmental presentation includes all the necessary tools for speech and comprehension and features numerous shortcuts and timesavers. Ideal as an introduction, supplement, or refresher. /div
