love them. Kids and adults love them equally and they can be both relaxing and fun at the very same time. Scented, colored and beautiful even when just looking at them, bath bombs have been on the cosmetic products market for a while now. However, if you are sensitive to detergents, you will find the vast majority of the bath bombs found in stores to be too harsh on your skin. Even more, those which do not contain detergents can be extremely expensive and if you like using them with every bath you take, you will want as much of these little beauties as possible. Luckily though, now you can make your own bath bombs
