*Rockwell Granger put his misspent life on the line in pursuit of cooking for a living...and it's not going well. In debt to the notorious Bardem Brothers — who control the Portland food cart scene with an iron fist — he struggles to make a profit and fights with the few customers he has. When the Bardems call in his marker and force him to track down a rogue food truck invading their turf, Rock has no choice left but to say yes. Meanwhile, Rock's taco truck has been invaded by his newest (and only) employee, Harper Marbury who took backseat driving to a new level, replacing his menu with her vegetarian agenda. As Harper polishes her cooking skills, she's thrown into the chaotic food cart underground, helping Rockwell on his morally grey mission for the Bardems. With two jobs on their plate, Rock and Harper will have to learn how to get along and, even harder, how to cook together as they navigate a world of food pirates, evil hippies, and irate foodies before Rock gets 86'd forever.*

*Alita must construct a team of elite players in order to challenge Emperor Jasugun, champion of motorball: Caligula Armbrust, Aydakatti the Destroyer, Zafal Takie the Crimson Wind, and the ultimate black sheep, Tiegel... While she prepares for her greatest challenge yet, Jasugun is trapped in his own battle against fate. It all comes down to Alita's Panzer Kunst vs. Jasugun's Maschine Kratz. And in the midst of battle at the extreme limit of possibility, Alita catches a glimpse of her long-lost past... The "Motorball" arc reaches its incredible conclusion!!*

*This historic memoir--collected as a series of essays--by activist Ryousuke Nanasaki recounts his first experiences as a gay man while searching for his soulmate and eventual marriage: the first religiously recognized same-sex wedding in Japanese history. (Manga adaptation also available from Seven Seas.) From school crushes to awkward dating sites to finding a community, this collection of stories recounts the author's firsts as a young gay man searching for love. Dating isn't ever easy, but that goes doubly so for Ryousuke, whose journey is full of unrequited love and many speed bumps. But perseverance and time heals all wounds, even those of the heart. This moving memoir by gay activist Ryousuke Nanasaki, following his historic life story, was originally released in Japan in a novel of collected essays and in a beautiful manga adaptation--now both will be available in English for the first time.*
