

Be Quiet

"The mayor of the noisy city of La Paz institutes new laws forbidding all singing, but a brave little rooster decides he must sing, despite the progressively severe punishments he receives for continuing to crow. The silenced populace, invigorated by the rooster's bravery, ousts the tyrannical mayor and returns their city to its free and clamorous state"--
The Old Couple I walk through the park almost every day And see many things as I go on my way Often I see this old gentleman holding his wives hand They look at each other with a glance they understand They sit by the lake and feed the birds and ducks Occasionally smiling and giving their knowing looks What a wonderful sight to see love so true It brightens the day and fills your own heart too. What do you and your wife know about your son's condition?' Dr. Davis asked. 'Very little,' I said. 'However, we've been told not to worry too much about it.' Dr. Davis looked at me a second or two before commenting further. This was a definite clue to brace myself for what would follow. 'Your son was born with Spina Bifida.' There was a noticeable concern in his voice. 'What is Spina Bifida?' I asked. This is a real life story about a young man, David, born with Spina Bifida with multiple congenial birth defects. After David's birth, his parents were strongly urged to place him in an institution since his future, according to medical history of these types of births prior to 1970, would be dim. His parents were warned he most likely would be severely retarded and non-functional. They were told by a prominent pediatrician to expect nothing and appreciate anything. Through infancy until the day of his death, David's faith and love for God grew stronger each year. His drive and his belief in God's healing grace brought him much comfort and a desire to help and serve others. This young man touched a whole community, a whole region. David's father, Sheldon Larmore, never thought of writing a book. However, after his son's death many people in the community encouraged him to put the story of David's life in writing. It wasn't until he received several gentle nudges from God to do so that he realized the need to complete this book. David's life has served as an inspiration for his family and friends—it will do the same for you. You will find encouragement, strength, and renewed faith in Be Quiet and Listen.

One little girl just doesn't want to be quiet, until she learns how much fun she can have without making a sound--especially in the library. I don't want to be quiet, I'd rather be LOUD! I want to be HEARD and stand out from the crowd! Sometimes it's hard to be quiet. There are drums to drum and hums to hum, drinks to slurp and burps to burp--so many loud and wonderful noises to make! So when this spunky little girl goes to the library, it's extra difficult to behave--until the entire room tells her to SHHHHHH. It's only then, as she discovers the wonders that live inside books, that she sees how much fun she can have in her own imagination--all without making a peep. In this bright and playful rhyming picture book filled with vibrant, cheerful illustrations, readers learn the joy that is possible when we really stop and listen. Praise for I Don't Want to Be Quiet: "Vivid, imaginative illustrations engage readers and viscerally convey the wide range of emotions felt by this audacious protagonist. Perfect for lively read-alouds!" --Kirkus Reviews

The Power of Introverts in a World That Can't Stop Talking

The Jews Should Keep Quiet

I Like To Be Quiet

I Don't Want to Be Quiet!

A Disney Hyperion E-book With Audio

I Will Not Be Silent

Based on recently discovered documents, The Jews Should Keep Quiet reassesses the hows and whys behind the Franklin D. Roosevelt administration's fateful policies during the Holocaust. Rafael Medoff delves into difficult truths: With FDR's consent, the administration deliberately suppressed European immigration far below the limits set by U.S. law. His administration also refused to admit Jewish refugees to the U.S. Virgin Islands, dismissed proposals to use empty Liberty ships returning from Europe to carry refugees, and rejected pleas to drop bombs on the railways leading to Auschwitz, even while American planes were bombing targets only a few miles away--actions that would not have conflicted with the larger goal of winning the war. What motivated FDR? Medoff explores the sensitive question of the president's private sentiments toward Jews. Unmasking strong parallels between Roosevelt's statements regarding Jews and Asians, he connects the administration's policies of excluding Jewish refugees and interning Japanese Americans. The Jews Should Keep Quiet further reveals how FDR's personal relationship with Rabbi Stephen S. Wise, American Jewry's foremost leader in the 1930s and 1940s, swayed the U.S. response to the Holocaust. Documenting how Roosevelt and others pressured Wise to stifle American Jewish criticism of FDR's policies, Medoff chronicles how and why the American Jewish community largely fell in line with Wise. Ultimately Medoff weighs the administration's realistic options for rescue action, which, if taken, would have saved many lives.

This book presents the case for a women's role in the ministry. It validates their right to participate fully in any area of Kingdom work. It shows that women are eligible to serve in any office of the church, including any one of the five-fold ministries (apostle, prophet, evangelist, pastor, and teacher). Were there women apostles, prophets, evangelists, pastors, and teachers in the New Testament Church? Yes. This book puts in perspective certain doctrines (the silent doctrine and headship-submission doctrines), which have been used to deny women their covenant rights to participate in the pulpit ministry as pastors and teachers. The Bible says, "There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female; for ye are all one in Christ Jesus" (Galatians 3:28). These words, by the Apostle Paul, are the greatest validation for women's inclusion in the ministry. Dr. Delroy E. Markland, a native of Jamaica, has been in the ministry for over 36 years as a Spirit-filled evangelist, pastor, and Bible teacher. He is a graduate of Bethel Bible College (1975), Zion Bible Institute (1978), and at Southwestern Assembly of God College, he graduated Summa Cum Laude with a B.S. degree in 1979. He attended Oral Roberts University Graduate School of Theology and Seminary in 1980-1981. There he became a graduate assistant, teaching Old and New Testament Survey courses with Drs. Schatzman and Horner. He furthered his education at Christian Life School of Theology in Columbus, Georgia, where he graduated with a MTh (2004), MDiv (2006), and DMin (2007). He is listed in Who's Who in American Colleges and Universities (1979) and has radio and television experience. He currently pastors two churches. This book is a compilation of four years of in-depth study on the subject of women in ministry.

This book is written to honor the quiet child, the child that likes to observe, the child that enjoys a little alone time to think. Like me, I know you are amazed as you watch your quiet child. I hope this book will serve as the backdrop for you to snuggle into each other for a while. Let's make sure they know how interesting they are and how very proud we are of them, just the way they are. Bunny is being loud. His friend Big keeps asking him to be quiet, but nothing works. Bunny is loud on the bus, he is loud at plays, and he is even loud at the library. Big asks the reader for help. Can you help Bunny be quiet in time for a special surprise?

*All Rupert the mouse wants is to star in a beautiful, wordless picturebook. One that's visually stimulating! With scenic pictures! And style! He has plenty of ideas about what makes a great book, but his friends just WON'T. STOP. TALKING. Children and adults alike will chuckle at this comedic take on bookmaking from acclaimed author--illustrator Ryan T. Higgins. Praise for Mother Bruce E. B. White Read-Aloud Award Ezra Jack Keats New Illustrator Honor * "[W]ry text and marvelously detailed pictures juxtapose uproariously. . .Visually beautiful, clever, edgy, and very funny." – Kirkus, starred review * "Ryan T. Higgins's illustrations are extraordinary. . . . [A] hilarious, artful picture book with a nod to foodies great and small." –Shelf Awareness, starred review*

Monkey Mike is reprimanded for making noise when he taps pencils and clangs trash cans until he sees a drum set in the music store and puts his hands-on talents to work in a most impressive way.

#1 NEW YORK TIMES BESTSELLER • Experience the book that started the Quiet Movement and revolutionized how the world sees introverts—and how introverts see themselves—by offering validation, inclusion, and inspiration “Superbly researched, deeply insightful, and a fascinating read, Quiet is an indispensable resource for anyone who wants to understand the gifts of the introverted half of the population.”–Gretchen Rubin, author of The Happiness Project NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People • O: The Oprah Magazine • Christian Science Monitor • Inc. • Library Journal •

Kirkus Reviews At least one-third of the people we know are introverts. They are the ones who prefer listening to speaking; who innovate and create but dislike self-promotion; who favor working on their own over working in teams. It is to introverts–Rosa Parks, Chopin, Dr. Seuss, Steve Wozniak—that we owe many of the great contributions to society. In Quiet, Susan Cain argues that we dramatically undervalue introverts and shows how much we lose in doing so. She charts the rise of the Extrovert Ideal throughout the twentieth century and explores how deeply it has come to permeate our culture. She also introduces us to successful introverts—from a witty, high-octane public speaker who recharges in solitude after his talks, to a record-breaking salesman who quietly taps into the power of questions. Passionately argued, impeccably researched, and filled with indelible stories of real people, Quiet has the power to permanently change how we see introverts and, equally important, how they see themselves. Now with Extra Libris material, including a reader's guide and bonus content

The Paradox of Persuasion

Everybody Just Be Quiet

"Sit Down, Be Quiet" is a rallying call for men to step in and start taking control of their health and mental well-being. Through practising yoga - working inside as well as out - and adopting a mindful approach to the everyday, you can take the first steps to a healthier, happier life in the here and now, including: Basic yoga poses to get started - Meditation techniques and breathing practices - How to lead a calmer, more compassionate life by practising modern mindfulness - Stories, photos and inspiration from men who teach yoga all around the world.

The monumental bestseller Quiet has been recast in a new edition that empowers introverted kids and teens Susan Cain sparked a worldwide conversation when she published Quiet: The Power of Introverts in a World That Can’t Stop Talking. With her inspiring book, she permanently changed the way we see introverts and the way introverts see themselves. The original book focused on the workplace, and Susan realized that a version for and about kids was also badly needed. This book is all about kids' world—school, extracurriculars, family life, and friendship. You'll read about actual kids who have tackled the challenges of not being extroverted and who have made a mark in their own quiet way. You'll hear Susan Cain’s own story, and you’ll be able to make use of the tips at the end of each chapter. There’s even a guide at the end of the book for parents and teachers. This insightful, accessible, and empowering book, illustrated with amusing comic-style art, will be eye-opening to extroverts and introverts alike.

Twenty years ago, not one nation on earth had legal same-sex marriage. Now, access to same-sex marriage is increasingly seen as a basic human right. In a matter of less than a generation, western cultures have experienced a moral revolution. Dr. R. Albert Mohler examines how this transformation occurred, revealing the underlying cultural shifts behind this revolution: the acceptance of divorce culture, liberation of sex from reproduction, the prevalence of heterosexual cohabitation, the normalization of homosexuality, and the rise of the transgender movement. He then offers a deep look at how the Bible and Christian moral tradition provide a comprehensive understanding upon which Christians can build their personal lives, their marriages, church ministry, and cultural engagement. Dr. Mohler helps Christians in their understanding of the underlying issues of this significant cultural shift and how to face the challenge of believing faithfully, living faithfully, and engaging the culture faithfully in light of this massive change.

On 26 November 2008, India came under a series of horrific terrorist attacks which killed more than 150 people, and injured hundreds more. Scottish banker Roger Hunt was staying at the Oberoi Trident Hotel in Mumbai and found himself caught up in the siege. Trapped in his hotel room, defenceless against the suicidal terrorists killing people in cold blood, Roger was forced to rely on his instinct. This account of a terrifying ordeal is at once poignant, gripping and captivating in its raw, honest narration of an ordinary man thrown into the path of danger and pushed to the limit in his struggle for survival. Review: Roger Hunt had just finished dinner in Mumbai's five-star Oberoi Hotel when a waitress tried tempting him with the desserts on offer. But he decided against another course. It was the first of a series of decisions that would save his life, as the restaurant was strafed with machine gun fire just a few minutes later. DAILY RECORD

The Quiet Book

Be Quiet, Be Heard

Be Quiet and Listen

Please be Quiet!

This is a story of a nine-year-old girl whose life was altered forever by her father and his choices. lat girl is me. I lived through years of physical, mental, and emotional abuse: alcoholism; rejection; murder; illness; and insanity. I have battled my own inner demons as a result of that fateful day. It is my greatest wish to create a broader awareness and preventative action for child abuse and domestic violence, and provide hope for those who find themselves trapped in those situations. The cycle can be broken. "The consequences of your denial will be with you for a lifetime and will be passed down to the next generations. Break your silence on abuse!" -Patty Rase Hopson "I had no idea that day would be the last time I would see her alive. Only through the void that I feel now and with my own adult, mother-mind, do I wish I could have had a chance to ask her why she stayed, and, God, oh God, why did she go back that day? Did she love me?" -Excerpt from Page 71

Our impact, our influence, and our legacy are defined by how we communicate through a universe of potentially deadlocked moments. Even with the best of intentions, many of us react automatically and emotionally, making communication blunders that take a toll on our professional and personal lives. This groundbreaking book offers a sustainable alternative: concrete, tangible skills for a wide range of communication challenges that organizations and individuals face. Based on 35 years of international award-winning research, it presents pragmatic models, including how to raise delicate issues, to convince without being overbearing, and to constructively resolve conflict. This refreshingly clear approach features flexible guidelines and progressive steps to develop and sustain strong positive relationships-and, when necessary, to repair damaged ones. The book features real world examples that offer glimpses of high-functioning organizations and people-all in one wise, funny, accessible package. Book jacket.

Children can be loud. So how do we help our children utilize their inside voices while in quiet settings? Come along with Quiet Ninja on a journey to discover your Ninja Toes and Ninja Voice! Quiet Power

A Novel

In Be Quiet Out Loud, author Yukia Smiley recounts her own struggles with sexual abuse, her healing process, and how she ultimately was able to live a healthy, happy, productive life. Yukia details the warning signs of abuse and helps all readers recognize the possibility that someone they know is currently being abused. A powerful story of adversity, compassion, faith, and healing, Yukia's account teaches us all to be informed, be aware, and Be Quiet Out Loud.

All quiet is not created equal. In this irresistibly charming picture book, many different quiet moments are captured, from the anticipation-heavy “Top of the roller coaster quiet” to the shocked-into-silence “First look at your new hairstyle quiet.” The impossibly sweet bears, rabbits, fish, birds, and iguanas are all rendered in soft pencils and colored digitally, and, as in all of the best picture books, the illustrations propel the story far beyond the words. A sure-to-be-a-classic bedtime favorite. Awards: 2011 ALA Notable Children's Book, 2010–2011, New York Times bestseller, 2011 CCBC Choices, 2011 NCTE Notable Children’s Trade Book, 2010 New York Times Notable Book, 2010 Publishers Weekly Best Book of the Year, 2010 School Library Journal Best Book of the Year

Everything that a little penguin does makes noise.

With this, his first collection of stories, Raymond Carver breathed new life into the American short story. Carver shows us the humor and tragedy that dwell in the hearts of ordinary people; his stories are the classics of our time. "[Carver's stories] can ... be counted among the masterpieces of American Literature." --The New York Times Book Review "One of the great short story writers of our time--of any time." --The Philadelphia Inquirer "The whole collection is a knock out. Few wriers can match Raymond Carver's entwining style and language." --The Dallas Morning News

Studying to Be Quiet

Bruce the bear likes to keep to himself. That, and eat eggs. But when his hard-boiled goose eggs turn out to be real, live goslings, he starts to lose his appetite. And even worse, the goslings are convinced he's their mother. Bruce tries to get the geese to go south, but he can't seem to rid himself of his new companions. What's a bear to do?

After her composer father's sudden death, Katie must deal with a new school, a strained relationship with her mother, and the mystery of the manuscript of the last composition her father wrote, on which the words seem to change on a daily basis.

Considered by many the greatest war novel of all time, All Quiet on the Western Front is Erich Maria Remarque’s masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. “The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure.”—The New York Times Book Review

Picking up where Quiet ended, How to Be Yourself is the best book you’ll ever read about how to conquer social anxiety. “This book is also a groundbreaking road map to finally being your true, authentic self.” –Susan Cain, New York Times, USA Today and nationally bestselling author of Quiet Up to 40% of people consider themselves shy. You might say you’re introverted or awkward, or that you're fine around friends but just can't speak up in a meeting or at a party. Maybe you're usually confident but have recently moved or started a new job, only to feel isolated and unsure. If you get nervous in social situations—meeting your partner's friends, public speaking, standing awkwardly in the elevator with your boss—you've probably been told, “Just be yourself!” But that's easier said than done—especially if you're prone to social anxiety. Weaving together cutting-edge science, concrete tips, and the compelling stories of real people who have risen above their social anxiety, Dr. Ellen Hendriksen proposes a groundbreaking idea: you already have everything you need to succeed in any unfamiliar social situation. As someone who lives with social anxiety, Dr. Hendriksen has devoted her career to helping her clients overcome the same obstacles she has. With familiarity, humor, and authority, Dr. Hendriksen takes the reader through the roots of social anxiety and why it endures, how we can rewire our brains through our behavior, and—at long last—exactly how to quiet your Inner Critic, the pesky voice that whispers, “Everyone will judge you.” Using her techniques to develop confidence, think through the buzz of anxiety, and feel comfortable in any situation, you can finally be your true, authentic self.

Be Still & Be Quiet will guide you on traditional and “old school” best family values. Be Still & Be Quiet has the answers to your concerns and doubts. Its directives are easy to follow. See for yourself, you won’t be disappointed. Satisfaction guaranteed. That’s a promise from me to you. Here is my e-mail address - get at me- fortheinside@hotmail.com

“We will never be silent until we get land to cultivate and freedom in this country of ours” ...so sang Mau Mau activists. The struggle for independence in Kenya was waged at many levels. Never be Silent explores how this struggle was reflected in the communications field. It looks at publishing activities of the main contending forces and explores internal contradictions within each community. It documents the major part played by the communications activities of the organised working class and Mau Mau in the achievement of independence in Kenya. The book contributes to a reinterpretation of colonial history in Kenya from a working class point of view and also provides a new perspective on how communications can be a weapon for social justice in the hands of liberation forces.

One of the greatest thinkers of the 20th century describes a series of his encounters around the world with a wide variety of spiritual seekers. Their questions and his answers explore the nature of the lived experience, the details of profound self-inquiry and how to live a fulfilled life. These 60 chapters, with titles like "Solitude Means Freedom", "All Seeking is from Emptiness and Fear", and "Life is an Extraordinarily Beautiful Movement", carry the essence of Krishnamurti's teaching style and profoundest wisdom. Each one reflects an encounter K had at different times during the sixties and seventies. It opens with a poetic account of the location where the encounter took place, plus occasionally a description of the seeker that K has met. The chapter then moves back and forth between the seeker and the teacher, giving the reader plenty to reflect upon. This is previously unpublished material. Readers will be captivated by the luminous prose and the piercing insight. The style is enigmatic and poetical but each chapter contains more than enough for the reader to consider, perhaps as a daily practice. In the style of Paulo Coelho they have the quality of fables, but the teaching is far more profound and challenging.

New York Times bestselling and Edgar Award winning author Lisa Scottoline is loved by millions of readers for her suspenseful novels about family and justice. Scottoline delivers once again with Keep Quiet, an emotionally gripping and complex story about one man's split-second decision to protect his son - and the devastating consequences that follow.Jake Buckman's relationship with his sixteen-year-old son Ryan is not an easy one, so at the urging of his loving wife, Pam, Jake goes alone to pick up Ryan at their suburban movie theater. On the way home, Ryan asks to drive on a deserted road, and Jake sees it as a chance to make a connection. However, what starts as a father-son bonding opportunity instantly turns into a nightmare. Tragedy strikes, and with Ryan's entire future hanging in the balance, Jake is forced to make a split-second decision that plunges them both into a world of guilt and lies. Without ever meaning to, Jake and Ryan find themselves living under the crushing weight of their secret, which threatens to tear their family to shreds and ruin them all. Powerful and dramatic, Keep Quiet will have readers and book clubs debating what it means to be a parent and how far you can, and should, go to protect those you love.

Illustrated by endearingly detailed soft-material sculptures, a relatable story about a loquacious young bird finds him exasperating his family with endless questions before searching for someone who will listen—his own reflection.

A noisy little girl with cerebral palsy and a quiet little girl with Down Syndrome learn to play together and eventually become best friends.

No matter how hard she tries, Miss Liza Mabel can't fall asleep. There is too much noise, and she needs everybody to just be quiet. Can Liza get everyone to stop whining and crying and bleating and tweeting? Will she ever get some peace and quiet on the farm?
