Lisa Gungor thought she knew her own story: small-town girl meets boy in college and they blissfully walk down the aisle into happily ever after. Their Christian faith was their lens and

Where To Download Beautiful Ever After

foundation for everything—their marriage, their music, their dreams for the future. But as their dreams began to come true, she began to wonder if her religion was really representative of the 'good news' she had

Where To Download Beautiful Ever After

been taught. She never expected the questions to lead as far as they did when her husband told her he no longer believed in God. The death of a friend, the unraveling of relationships and career, the loss of a worldview,

Where To Download Beautiful Ever After

and the birth of a baby girl with two heart defects all led Lisa to a tumultuous place; one of depression and despair. And it was there that her perspective on everything changed. The Most Beautiful Thing I've Seen tells

Where To Download Beautiful Ever After

the story of what can happen when you dare to let go of what you think to be true; to shift the kaleidoscope and see new colors and dimension by way of broken pieces. Lisa's eloquent, soul-stirring memoir brings you to a

music stage before thousands of fans and a front porch where two people whisper words that scare them to the core. It is the story of how doubt can spark the beginning of deeper faith; how a baby born with a broken heart

can bring love and healing to the hearts of many, and ultimately, how the hardest experience in life often ends up saving us.

“And they lived mommy ever after,” the mommy whispered to her baby. “Because we are not

emotions are big and scary. But the one constant in the little girl's life is her mother and her magical stories. These stories teach her about her uniqueness, about her kindness, and about her power to face the

Where To Download Beautiful Ever After

inevitable darkness in life. But when she's on her own, away from her mother, can she share her light? It's never too early to teach children how to recognize and accept emotions like fear, sadness, and loneliness.
