How can you

Through it all, our
human spirit is
being tested. Now
more than ever, it's

imperative for
leaders to
demonstrate
compassion. But in
hard times like
these, leaders
need to make hard

make difficult
choices that
disappoint people,

do you do the hard

leadership while
remaining a good

bringing out the
best in others?

Most people think

binary choice
between being a
good human being

But this is a false
dichotomy. Being
human and doing
what needs to be
done are not
mutually exclusive.
