

Beowulf 2 Audio Cassettes Unabridged 2 1 2 Hours

Designed for North American students, this special version of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching, providing an exciting, stimulating introduction and approach to Latin based on the reading of original texts. In this four-volume North American edition, the order of declensions corresponds to customary U.S. usage, and the spelling has been Americanized. In addition, it offers full-color illustrations and photographs throughout Parts I and II and an expanded Teacher's Book with translations for each part. Parts I-III (now available in hardcover editions) are built around a narrative detailing the life of Horace, now based more closely on historical sources, which helps students to get to know real Romans--with their daily activities, concerns, and habits--and to develop an understanding of Roman civilization during the time of Cicero and Augustus. Part IV (paperback) is a reader consisting of extracts from Caesar, Cicero, Catullus, Virgil, Livy, and Ovid. The second edition of the Oxford Latin Course has been carefully designed to maximize student interest, understanding, and competence. It features a clearer presentation of grammar, revised narrative passages, new background sections, more emphasis on daily life and on the role of women, a greater number and variety of exercises, and review chapters and tests. Each chapter opens with a set of cartoons with Latin captions that illustrate new grammar points. A Latin reading follows, with new vocabulary highlighted in the margins and follow-up exercises that focus on reading comprehension and grammatical analysis. A background essay in English concludes each chapter. Covering a variety of topics--from history to food, from slavery to travel, these engaging essays present a well-rounded picture of Augustan Rome. The Oxford Latin Course, Second Edition offers today's students and teachers an exceptionally engaging and attractive introduction to the language, literature, and culture of Rome--one that builds skills effectively and is exciting to use.

Library Journal Words on Cassette *Beowulf (Bilingual Edition)* W. W. Norton & Company

This epic poem is the oldest known to exist in history, predating Homer's Iliad by about 1500 years. Gilgamesh, the hero, discovers he has godly blood, so sets out on a journey to the land of the gods in an attempt to gain entry. It is of ancient Sumerian origin, from the land called Mesopotamia. It is an important work for those studying ancient literature, history and mythology. This Babylonian version is one of the oldest known, if not the oldest. Later renditions are more common and seem to embellish the story, so this work is important for serious researchers. From the standpoint of literature alone, it is also an interesting tale that is enjoyable to read.

Perfect for fans of Thirteen Reasons Why and Looking for Alaska, Jennifer Weiner, #1 New York Times bestselling author, calls Elizabeth LaBan's The Tragedy Paper "a beguiling and beautifully written tale of first love and heartbreak." It follows the story of Tim Macbeth, a seventeen-year-old albino and a recent transfer to the prestigious Irving School, where the motto is "Enter here to be and find a friend." A friend is the last thing Tim expects or wants—he just hopes to get through his senior

year unnoticed. Yet, despite his efforts to blend into the background, he finds himself falling for the quintessential "It" girl, Vanessa Sheller, girlfriend of Irving's most popular boy. To Tim's surprise, Vanessa is into him, too, but she can kiss her social status goodbye if anyone ever finds out. Tim and Vanessa begin a clandestine romance, but looming over them is the Tragedy Paper, Irving's version of a senior year thesis, assigned by the school's least forgiving teacher. Jumping between viewpoints of the love-struck Tim and Duncan, a current senior about to uncover the truth of Tim and Vanessa, The Tragedy Paper is a compelling tale of forbidden love and the lengths people will go to keep their secrets.

A Comedy

East, West

Book 1

Full woman, fleshly apple, hot moon, thick smell of seaweed, crushed mud and light, what obscure brilliance opens between your columns? What ancient night does a man touch with his senses? Loving is a journey with water and with stars, with smothered air and abrupt storms of flour: loving is a clash of lightning-bolts and two bodies defeated by a single drop of honey. The poetry of Pablo Neruda is beloved worldwide for its passion, humor, and exceptional accessibility. The nearly fifty poems selected for this collection and translated by Stephen Mitchell—widely praised for his original and definitive translations of spiritual writings and poetry—focus on Neruda's mature period, when the poet was in his fifties. A bilingual volume, with Neruda's original Spanish text facing Mitchell's English translation, it will bring Neruda's sensuous work to vibrant life for a whole new generation of readers.

A superb standalone novel from the awesome imagination of Iain M. Banks, a master of modern science fiction. It is 4034 AD. Humanity has made it to the stars. Fassin Taak, a Slow Seer at the Court of the Nasqueron Dwellers, will be fortunate if he makes it to the end of the year. The Nasqueron Dwellers inhabit a gas giant on the outskirts of the galaxy, in a system awaiting its wormhole connection to the rest of civilisation. In the meantime, they are dismissed as decadents living in a state of highly developed barbarism, hoarding data without order, hunting their own young and fighting pointless formal wars. Seconded to a military-religious order he's barely heard of - part of the baroque hierarchy of the Mercatoria, the latest galactic hegemony - Fassin Taak has to travel again amongst the Dwellers. He is in search of a secret hidden for half a billion years. But with each day that passes a war draws closer - a war that threatens to overwhelm everything and everyone he's ever known. As complex, turbulent and spectacular as the gas giant on which it is set, this novel from Iain M. Banks is space opera on a truly epic scale. Praise for Iain M. Banks: 'Epic in scope, ambitious in its ideas and absorbing in its execution' Independent on Sunday 'Banks has created one of the most enduring and endearing visions of the future' Guardian 'Jam-packed

with extraordinary invention' Scotsman 'Compulsive reading' Sunday Telegraph The Culture series: Consider Phlebas The Player of Games Use of Weapons The State of the Art Excession Inversions Look to Windward Matter Surface Detail The Hydrogen Sonata Other books by Iain M. Banks: Against a Dark Background Feersum Endjinn The Algebraist A New York Times Notable Book. In this darkly funny story, Ray and Jewel Kaiser try (and push) their luck at the Paradise casino. Peopled with dazed denizens, body-pierced children, a lusty grocery-store manager, and hourly employees in full revolt, this is a novel about wising up sooner rather than later--"a wise and funny tale" (New York Times Book Review) that is "masterfully observed" (John Barth). Gilgamesh, King of Uruk, and his companion Enkidu are the only heroes to have survived from the ancient literature of Babylon, immortalized in this epic poem that dates back to the 3rd millennium BC. Together they journey to the Spring of Youth, defeat the Bull of Heaven and slay the monster Humbaba. When Enkidu dies, Gilgamesh's grief and fear of death are such that they lead him to undertake a quest for eternal life. A timeless tale of morality, tragedy and pure adventure, The Epic of Gilgamesh is a landmark literary exploration of man's search for immortality.

In The Spirit Level, as ever with Seamus Heaney, personal memory and humble domestic objects -- a whitewash brush, a sofa, a swing -- are endowed with talismanic significance, and throughout the collection he addresses his growing concerns, which inevitably include the political situation in his native Northern Ireland, in a poetry that never ceases to be fluid, alert, and completely truthful.

Horace G. Danner's A Thesaurus of English Word Roots is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In A Thesaurus of English Word Roots, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, dysacusia, hyperacusia. These root-starting terms then are followed by terms where the root

falls behind the word, e.g., acouesthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odyacusis.. In this manner, A Thesaurus of English Word Roots places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological aspects of English language.

You may be contemplating your first Linux installation. Or you may have been using Linux for years and need to know more about adding a network printer or setting up an FTP server. Running Linux, now in its fifth edition, is the book you'll want on hand in either case. Widely recognized in the Linux community as the ultimate getting-started and problem-solving book, it answers the questions and tackles the configuration issues that frequently plague users, but are seldom addressed in other books. This fifth edition of Running Linux is greatly expanded, reflecting the maturity of the operating system and the teeming wealth of software available for it. Hot consumer topics such as audio and video playback applications, groupware functionality, and spam filtering are covered, along with the basics in configuration and management that always have made the book popular. Running Linux covers basic communications such as mail, web surfing, and instant messaging, but also delves into the subtleties of network configuration--including dial-up, ADSL, and cable modems--in case you need to set up your network manually. The book can make you proficient on office suites and personal productivity applications--and also tells you what programming tools are available if you're interested in contributing to these applications. Other new topics in the fifth edition include encrypted email and filesystems, advanced shell techniques, and remote login applications. Classic discussions on booting, package management, kernel recompilation, and X configuration have also been updated. The authors of Running Linux have anticipated problem areas, selected stable and popular solutions, and provided clear instructions to ensure that you'll have a satisfying experience using Linux. The discussion is direct and complete enough to guide novice users, while still providing the additional information experienced users will need to progress in their mastery of Linux. Whether you're using Linux on a home workstation or maintaining a network server, Running Linux will provide expert advice just when you need it.

Medieval life meets Arthurian magic in a novel that transcends boundaries of time and age, appealing to children of 9+ and older readers alike. The winner of the Guardian Children's Fiction Prize and the Smarties Prize bronze award in 2001, this timeless novel is stunningly reissued for a new generation. The year is 1199, the place the Welsh Marches. Young Arthur de Caldicot is given a magical shining stone in which his legendary namesake is revealed. In 100 short chapters that brilliantly evoke life in a medieval manor, stories of the boy King Arthur begin to echo - and anticipate - the secrets and mysteries that emerge in his own life . . . "As bright and as vivid as the pictures in a Book of Hours. Deep scholarship, high imagination,

and great gifts of storytelling have gone into this; I was spellbound." - Philip Pullman, *The Guardian*

Beowulf (Bilingual Edition)

Ever been offered a promotion that seems too good to be true? The kind where you snap their arm off to accept, then wonder why all your long-serving colleagues look secretly relieved, as if they're off some strange and unpleasant hook? It's the kind of trick that deeply sinister companies like J.W. Wells & Co. pull all the time. Especially with employees who are too busy mooning over the office intern to think about what they're getting into. And it's why, right about now, Paul Carpenter is wishing he'd paid much less attention to the gorgeous Melze, and rather more to a little bit of job description small-print referring to "pest" control.

When Jonathan and his family go camping on Magpie Island, they look forward to a fun, relaxing weekend. But their fun quickly vanishes when Jonathan, his sister, Abby, and their dog, Moose, find themselves in the middle of a natural disaster. A devastating earthquake has hit, destroying their camper, knocking out the only bridge to the mainland, and leaving Jonathan, Abby, and their dog with no food, water, or shelter. Alone in the woods, can Jonathan manage to keep calm and save Abby and Moose—and stay alive himself?

The verse dramatization of the medieval murder of Thomas Becket at Canterbury by the winner of the Nobel Prize for Literature. The Archbishop Thomas Becket speaks fatal words before he is martyred in T. S. Eliot's best-known drama, based on the murder of the Archbishop of Canterbury in 1170. Praised for its poetically masterful handling of issues of faith, politics, and the common good, T. S. Eliot's play bolstered his reputation as the most significant poet of his time. It has been performed on stage, film, and television since 1935 and was the basis for the opera *Assassinio nella Cattedrale* by the Italian composer Ildebrando Pizzetti.

A boy grows to manhood while attempting to subdue the evil he unleashed on the world as an apprentice to the Master Wizard.

Identity and Interaction on Peer-to-Peer

Full Woman, Fleshly Apple, Hot Moon

Peer-to-peer music exchange, sampling, and digital distribution have garnered much attention in recent years, notably in debates about authorship, intellectual property, media control, and 'Web 2'. However, empirical scholarship on how these technologies are used creatively by musicians and fans is still sparse. In this interdisciplinary ethnography of 'bedroom producer' culture, Andrew

Whelan examines interaction and exchange within a specific online milieu: peer-to-peer chatrooms dedicated to electronic music, focusing on a genre known as 'breakcore'. The author draws on semantic anthropology, ethnomethodology, sociolinguistics, and critical musicology to explore the activity afforded by this controversial and criminalised environment. Through in-depth analysis of often ritually vituperative text-based interaction, discussions of music, and the samples used in that music, Whelan describes the cultural politics and aesthetics of bedroom producer identity, highlighting the roles gender and ethnicity play in the constitution of subcultural authenticity. Empirically driven throughout, this book also engages with a spectrum of social theory; in doing so, it highlights the intersections between gender, interaction, technology and music. This book will prove valuable for students and scholars with interests in gender and language use, computer-mediated communication, online subcultures and virtual community, and the evolution, production and distribution of electronic music.

Duncan's boss doesn't think he's cut out to be a lawyer. He isn't a pack animal. He lacks the killer instinct. But when his best friend from school barges his way back into Duncan's life, along with a full supporting cast of lawyers, ex-wives, zombies, and snow-white unicorns, it's not long before things become distinctly unsettling. Hairy, even.

A school reader for secondary pupils, in the OXFORD BOOKWORMS. BLACK SERIES STAGE 6. This new series offers students at all levels the opportunity to extend their reading and appreciation of English.

"I was living in a fairy story--the kind with sinister overtones and not always a happy ending--in which a young man loves a beautiful maiden who returns his love but is always disappearing into some unknown and mysterious world, about which she will reveal nothing." So John Bayley describes his life with his wife, Iris Murdoch, one of the greatest contemporary writers in the English-speaking world, revered for her works of philosophy and beloved for her incandescent novels. In *Elegy for Iris*, Bayley attempts to uncover the real Iris, whose mysterious world took on darker shades as she descended into Alzheimer's disease. *Elegy for Iris* is a luminous memoir about the beauty of youth and aging, and a celebration of a brilliant life and an undying love.

A Distribution-Neutral Guide for Servers and Desktops

Presents a collection of thirty-six of Aesop's fables, including "The Cat and the Mouse," "The Ant and the Grasshopper," and "The Vain Crow."

The title poem of this collection, set on an Irish island, tells of a pilgrim on an inner journey that leads him back into the world that formed him, and then forward to face the crises of the present. Writing in *The Washington Post Book World*, Hugh Kenner called the narrative sequence in Seamus Heaney's *Station Island* "as fine a long poem as we've had in fifty years."

In a collection of all of the Beowulf Shaeffer stories--including one new one--the crashlander

discovers a haunted planet, uncovers one of the puppeteers' greatest secrets, and has many other adventures. Original.

Part of the Jewish Encounter series From one of our most trusted spiritual advisers, a thoughtful, illuminating guide to that most fascinating of biblical texts, the book of Job, and what it can teach us about living in a troubled world. The story of Job is one of unjust things happening to a good man. Yet after losing everything, Job—though confused, angry, and questioning God—refuses to reject his faith, although he challenges some central aspects of it. Rabbi Harold S. Kushner examines the questions raised by Job's experience, questions that have challenged wisdom seekers and worshippers for centuries. What kind of God permits such bad things to happen to good people? Why does God test loyal followers? Can a truly good God be all-powerful? Rooted in the text, the critical tradition that surrounds it, and the author's own profoundly moral thinking, Kushner's study gives us the book of Job as a touchstone for our time. Taking lessons from historical and personal tragedy, Kushner teaches us about what can and cannot be controlled, about the power of faith when all seems dark, and about our ability to find God. Rigorous and insightful yet deeply affecting, *The Book of Job* is balm for a distressed age—and Rabbi Kushner's most important book since *When Bad Things Happen to Good People*.

Cold Comfort Farm

Elegy for Iris

The Algebraist

Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

From the Booker Prize-winning author of *The Satanic Verses* comes nine stories that reveal the oceanic distances and the unexpected intimacies between East and West. Daring, extravagant, comical and humane, this book renews Rushdie's stature as a storyteller who can enthrall and instruct us with the same sentence.

British Literature is a college-preparatory literature survey course. Focus works, including novels, short stories, poems, and drama, have been selected for literary quality, and for their place in the historical development of literature. Context readings provide background information about the author, the historical period, and the literary and artistic context of the focus work. Students will study the following great books: -*Beowulf*; -*Canterbury Tales* (selected) by Geoffrey Chaucer; -*Sir Gawain and the Green Knight* and other Arthurian works; -*King Lear* by William Shakespeare; -*Paradise Lost* by John Milton; -*Pride and Prejudice* by Jane Austen; -*Great Expectations* by Charles Dickens; -*Wuthering Heights* by Emily Brontë; -*To the Lighthouse* by Virginia Woolf. Students will gain an understanding of the development of British literature and will practice the skills of close literary analysis through essays, approach papers, and other evaluative writing.

Kevin Crossley-Holland's award-winning Arthur trilogy comes to its triumphant and moving close -- now in paperback! Arthur de Caldicot waits eagerly in Venice for the start of the Fourth Crusade. But it's now, when Arthur's future should be clearest, that he feels the most doubt. Jealousies and greed threaten the Crusade, leading him to question its true mission. Back in England, his engagement to Winnie remains uncertain, as his search for his birth mother is stymied by his vicious father. And his seeing stone shows him the last days of King Arthur's court -- a great dream destroyed, but also a glorious legend rising from the ruins. Likewise in this book, Arthur becomes a man worthy of his kingly name.

The BOOK OF JOB

A bilingual edition of the Old English epic poem features the Old English and modern translation of facing pages and chronicles the exploits of the great hero Beowulf in his battles with supernatural monsters. Reprint.

The theme of The Book of Job is nothing less than human suffering and the transcendence of it: it pulses with moral energy, outrage, and spiritual insight. Now, The Book of Job has been rendered into English by the eminent translator and scholar Stephen Mitchell, whose versions of Rilke, Israeli poetry, and the Tao Te Ching have been widely praised. This is the first time ever that the Hebrew verse of Job has been translated into verse in any language, ancient or modern, and the result is a triumph.

Future environmentalist Hanville Svetz travels back in time to retrieve extinct life forms and investigate the mystery of the past inhabitants of the Red Planet.

A best-selling translation of the classic epic is complemented by lavish photographs and illustrations of period relics, from Viking warships and chain mail suits to spearheads and a reconstruction of the Great Hall. Original. 30,000 first printing.
