Rebecca Barnhouse weaves Norse gods, blood feuds, and a terrifying dragon into this spectacular retelling of the end of the Old English poem Beowulf. When he was a baby, Rune washed up onshore in a boat, along with a sword and a pendant bearing the runes that gave him his nickname. Some people thought he was a sacrifice to the gods and wanted to send him right back to the sea. Luckily for Rune, King Beowulf disagreed. He lifted the boy from the boat and gave him to Amma, a wisewoman living on a farm far removed from the king ’ s hall, to raise as she saw fit. Sixteen years later, Rune spends his summers laboring on the farm. And at King Beowulf ’ s request, he comes to the hall each winter for weapons training. But somehow he never quite fits in. Many people still fear he will bring a curse on the kingdom. Then a terrible thing happens. On a lonely crag on a mountain that belongs to the giants, someone awakens a dragon. It is time for Rune to find the warrior inside himself and prove to the doubters once and for all that he is a true hero.

A powerful, poetic memoir of an Indigenous woman’s coming of age on the Seabird Island Band in the Pacific Northwest—this New York Times bestseller and Emma Watson Book Club pick is “ an illuminating account of grief, abuse and the complex nature of the Native experience . . . at once raw and achingly beautiful (NPR). Having survived a profoundly dysfunctional upbringing only to find herself hospitalized and facing a dual diagnosis of post traumatic stress disorder and bipolar II disorder, Terese Marie Mailhot is given a notebook and begins to write her way out of trauma. The triumphant result is Heart Berries, a memorial for Mailhot’s mother, a social worker and activist who had a thing for prisoners; a story of reconciliation with her father an abusive drunk and a brilliant artist who was murdered under mysterious circumstances; and an elegy on how difficult it is to love someone while dragging the long shadows of shame. Mailhot trusts the reader to understand that memory isn’t exact, but melded to imagination, pain, and what we can bring ourselves to accept. Her unique and at times unsettling voice graphically illustrates her mental state. As she writes, she discovers her own true voice, seizes control of her story, and, in so doing, reestablishes her connection to her family, to her people, and to her place in the world.

NEW YORK TIMES BESTSELLER • A searing, deeply moving memoir of illness and recovery that traces one young woman ’ s journey from diagnosis to remission to re-entry into “ normal ” life—from the author of the Life, Interrupted column in The New York Times ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, The Washington Post, Bloomberg, The Rumpus, She Reads, Library Journal, Booklist • “ I was immersed for the whole ride and would follow Jaouad anywhere. . . . Her writing restores the moon, lights the way as we learn to endure the unknown. ” —Chanel Miller, The New York Times Book Review “ Beautifully crafted . . . affecting . . . a transformative read . . . Jaouad ’ s insights about the self, connectedness, uncertainty and time speak to all of us. ” —The Washington Post In the summer after graduating from college, Suleika Jaouad was preparing, as they say in commencement speeches, to enter “ the real world. ” She had fallen in love and moved to Paris to pursue her dream of becoming a war correspondent. The real world she found, however, would take her into a very different kind of conflict zone. It started with an itch—first on her feet, then up her legs, like a thousand invisible mosquito bites. Next came the exhaustion, and the six-hour naps that only deepened her fatigue. Then a trip to the doctor and, a few weeks shy of her twenty-third birthday, a diagnosis: leukemia, with a 35 percent chance of survival. Just like that, the life she had imagined for herself had gone up in flames. By the time Jaouad flew home to New York, she had lost her job, her apartment, and her independence. She would spend much of the next four years in a hospital bed, fighting for her life and chronicling the saga in a column for The New York Times. When Jaouad finally walked out of the cancer ward—after countless rounds of chemo, a clinical trial, and a bone marrow transplant—she was, according to the doctors, cured. But as she would soon learn, a cure is not where the work of healing ends; it ’ s where it begins. She had spent the past 1,500 days in desperate pursuit of one goal—to survive. And now that she ’ d done so, she realized that she had no idea how to live. How would she reenter the world and live again? How could she reclaim what had been lost? Jaouad embarked—with her new best friend, Oscar, a scruffy terrier mutt—on a 100-day, 15,000-mile road trip across the country. She set out to meet some of the strangers who had written to her during her years in the hospital: a teenage girl in Florida also recovering from cancer; a teacher in California grieving the death of her son; a death-row inmate in Texas who ’ d spent his own years confined to a room. What she learned on this trip is that the divide between sick and well is porous, that the vast majority of us will travel back and forth between these realms throughout our lives. Between Two Kingdoms is a profound chronicle of survivorship and a fierce, tender, and inspiring exploration of what it means to begin again.

Percy Jackson meets Thor in a laugh-out-loud, action-packed adventure inspired by Norse mythology. Twelve-year-old Abby Beckett is proud to come from a long line of elite Viking warriors known as the Aesir. She's spent her entire life training to hunt the horrific creatures known as Grendels—the ancient foe of the Aesir—just like her mother did before she died. But there's just one, small problem: No one has seen a Grendel in centuries, and the Viking Council wants to disband the Aesir . . . forever. When her father is injured in an attack that leaves him in a coma, Abby is forced to take refuge at Vale Hall, a mysterious school in Minnesota where nothing is quite as it seems. She soon discovers the tables have turned and a Grendel is hunting her, but when she tries to alert the Viking Council, they accuse her of making up stories for attention . . . just like her mother did. Desperate to protect her father and clear her mother's name, Abby goes on a dangerous quest to discover the truth--a journey that brings her face-to-face with some unlikely foes, including a Ping-Pong-playing sea monster with a wicked backhand, and a dark Valkyrie with a fondness for bingo. Abby quickly realizes that someone at the school is trying to stop her progress and destroy the Aesir for good. And only she can unravel the sinister plot before it's too late.

The New York Public Library staff answers questions remarkable and preposterous, with illustrations by Barry Blitt. Have you’ve ever wondered if you can keep an octopus in a private home? Do you spend your time thinking about how much Napoleon’s brain weighed? If so, Peculiar Questions and Practical Answers is the book for you. The New York Public Library has been fielding questions like these ever since it was founded in 1895. Of course, some of the questions have left the librarians scratching their heads. . . “In what occupations may one be barefooted?” “What time does a bluebird sing?” “What does it mean when you’re being chased by an elephant?” “What kind of apple did Eve eat?” “How many neurotic people are there in the U.S.?” In Peculiar Questions and Practical Answers, the staff of the NYPL has dug through the archives to find thoughtful and often witty answers to over one hundred of the oddest, funniest, and most whimsical questions the library has received since it began record-keeping over seventy-five years ago. One of The New Yorker’s best-known and beloved illustrators, Barry Blitt, has created watercolors that bring many of the questions hilariously to life in a book that answers, among others, the question “Does anyone have a copyright on the Bible?”

If you want to learn how to shoot a basketball, you begin by carefully observing someone who knows how to shoot a basketball. If you want to be a writer, you begin by carefully observing the work of accomplished writers. Recognizing the importance that modeling plays in the learning process, high school English teacher Kelly Gallagher shares how he gets his students to stand next to and pay close attention to model writers, and how doing so elevates his students' writing abilities. Write Like This is built around a central premise: if students are to grow as writers, they need to read good writing, they need to study good writing, and, most important, they need to emulate good writers. In Write Like This, Kelly emphasizes real-world writing purposes, the kind of writing he wants his students to be doing twenty years from now. Each chapter focuses on a specific discourse: express and reflect, inform and explain, evaluate and judge, inquire and explore, analyze and interpret, and take a stand/propose a solution. In teaching these lessons, Kelly provides mentor texts (professional samples as well as models he has written in front of his students), student writing samples, and numerous assignments and strategies proven to elevate student writing. By helping teachers bring effective modeling practices into their classrooms, Write Like This enables students to become better adolescent writers. More important, the practices found in this book will help our students develop the writing skills they will need to become adult writers in the real world.

New York Times bestselling author Maria Dahvana Headley presents a modern retelling of the literary classic Beowulf, set in American suburbia as two mothers—a housewife and a battle-hardened veteran—fight to protect those they love in *The Mere Wife*. From the perspective of those who live in Herot Hall, the suburb is a paradise. Picket fences divide buildings—high and gabled—and the community is entirely self-sustaining. Each house has its own fireplace, each fireplace is fitted with a container of lighter fluid, and outside—in lawns and on playgrounds—wildflowers seed themselves in neat rows. But for those who live surreptitiously along Herot Hall’s periphery, the subdivision is a fortress guarded by an intense network of gates, surveillance cameras, and motion-activated lights. For Willa, the wife of Roger Herot (heir of Herot Hall), life moves at a charmingly slow pace. She flits between mommy groups, playdates, cocktail hour, and dinner parties, always with her son, Dylan, in tow. Meanwhile, in a cave in the mountains just beyond the limits of Herot Hall lives Gren, short for Grendel, as well as his mother, Dana, a former soldier who gave birth as if by chance. Dana didn’t want Gren, didn’t plan Gren, and doesn’t know how she got Gren, but when she returned from war, there he was. When Gren, unaware of the borders erected to keep him at bay, ventures into Herot Hall and runs off with Dylan, Dana’s and Willa’s worlds collide.

This volume brings together a series of key essays by Larry D Benson, well-known for his work in editing the Riverside Chaucer. Of the studies selected, the opening three deal with Old English, recasting the possibilities for the critical study of Beowulf, above all the relation between oral and written literary production. The following ten essays turn to Middle English literature, with the focus first on Chaucer, and the evolution of his works and his language, then on the social and cultural context of medieval chivalric texts. Throughout, Professor Benson approaches his subjects with a skeptical intent, even a seeming contrariness in seeking to contradict received views, but in fact with the purpose of questioning in order to understand more deeply. Scattered in their original publications, and with one hitherto unpublished, together these studies present a powerful argument for this questioning approach to fundamental issues and constitute a major contribution to the study of the literary and cultural history of the medieval world. Larry D Benson is Francis Lee Higginson Professor of English, Harvard University. This volume seeks to present 'Germanic philology' with its main linguistic, literary and cultural subdivisions as a whole, and to call into question the customary pedagogical division of the discipline.
