"The mystery of the pyramids is solved before our eyes" in this illustrated YA guide to their construction by the Caldecott Medal-winning author (Kirkus). In Pyramid, acclaimed author and illustrator David Macaulay explores the construction of ancient Egyptian pyramids from the initial planning stages to the methods used to lift stones up to the structure's highest level. Through concise text and richly detailed black and white illustrations your readers are introduced not only to architecture but also to the philosophy of life, death, and afterlife that made these awe-inspiring monuments necessary as a pharaoh's final resting place. "Macaulay's brilliant Pyramid shows, detail by detail, how the great pharaohs' burial places were conceived and constructed... His draftsmanship is unexcelled, and his book is pharaonic in opulence and design."—Time

Introduces the seasons, weather, animals, plants, the earth, machines, matter, energy, and related topics.
