

Berry Big Storm

Two sisters are reluctant to let their little brother help with washing three dogs, with flash cards that may be cut out from the last pages of the book.

Bruce's home is already a full house. But when a big storm brings all his woodland neighbors knocking, he'll have to open his door to a crowd of animals in need of shelter—whether he likes it or not. Readers will love this next installment of the uproarious, award-winning Mother Bruce series.

Raini the Gummy Fairy is disappointed that her friends do not care as much as she does about winning first prize at the upcoming Candy Fair, but when a big storm disrupts Raini's plans, her friends are loyal and true. When someone--or something--steals all of Coco Calypso's seaberries, Strawberry Shortcake and her friends Rainbow Sherbet and Blueberry Muffin are determined to solve the mystery.

The Life and Hard Times of Chuck Berry : an Unauthorized Biography

November's Fury

Grace and her friends must protect a newly hatched dragon from mysterious evildoers. When Grace moves to Hong Kong with her mom and new stepdad, her biggest concern is making friends at her fancy new boarding school. But when a mysterious old woman gifts her a dragon egg during a field trip, Grace discovers that the wonderful stories of dragons she heard when she was a young girl might actually be real--especially when the egg hatches overnight. The dragon has immense powers that Grace has yet to understand. And that puts them both in danger from mysterious forces intent on abusing the dragon's power. And now it's up to Grace and her school friends to uncover the sinister plot threatening the entire city!

The Berry Big Storm Putnam Juvenile

Gales, cyclones, blizzards, tornados, and hurricanes—few things demonstrate the awesome power of nature like a good storm. Devastating, diverse, and sometimes appearing completely out of nowhere, storms are also a source of both scientific and aesthetic wonder. In this book, John Withington takes an in-depth and unique look at the nature of storms and the impact that they have—both physical and cultural—on our lives. Withington shows how storms have changed the course of human history. From Roman times to the modern day, he shows how their devastating effects have wiped out entire communities, changed the fates of battle, and even reset the entire planet. He also shows how beneficial they have been to us: as an important feature of our atmosphere and climate, but also as a source of inspiration for nearly every artist who has ever lived, from Homer to Rembrandt, in works from the Old Testament to Robinson Crusoe. Beautifully illustrated, this book offers a fascinating look at Earth's most fearsome events.

All non-shepherding dogs have been outlawed from the rocky coastal village where Maggie lives. Unwilling to give up her beloved Newfoundland, Sirius, Maggie defies the law and hides Sirius away. But when a steamer crashes into the rocks during a violent storm and starts to sink with a hundred passengers on board, Maggie faces a difficult choice. She knows Sirius can help rescue the people trapped on the ship, but bringing him out of hiding would put his own life in jeopardy. Is Maggie's brave dog a big enough hero to save the desperate passengers—and himself? This heartwarming story of a lovable dog and his feisty mistress is based on true stories about Newfoundland dogs and filled with drama, tension, and exciting rescues.

Major-General Hiram G. Berry: Bull Run to Chancellorsville (Abridged, Annotated)

Candy Store of Books

Salt & Storm

The Monster Mall and Other Spooky Poems

On the bloody battlefield at Chancellorsville lay a prostrate form. As General Joe Hooker rode up, he asked the officers gathered around, "Whom have you got there, gentlemen?" When told it was Major-General Berry, he got off his horse, knelt, kissed the young general's forehead, and wept bitterly. Hiram Berry was a self-made man and one of the promising young generals of the American Civil War. He led from the front and played significant roles in many battles. Berry's decisive action at the Battle of Williamsburg was essential to General

Hooker. Berry immediately knew how bad he was hit and merely said, "My wife and child." Read the story of this extraordinary soldier of the American Civil War. For the first time, this long-out-of-print book is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE or download a sample.

The Berry Big Storm

A Novel

The Great Mississippi Flood of 1927 and How It Changed America

Is it possible to avoid life's storms? Do I have control over what happens to me, or will I be swallowed up by the waves of trouble that wash over me? Why do I have to experience hardships and trouble? Where is Jesus when I am suffering? These questions and more are discussed in this inspirational and thought-provoking book. Some storms are minor and cause little to no damage. Other storms are devastating and have the potential to leave long-lasting damage. Whether storms are big or small, no one gets through this life without weathering storm damage. Storms tend to shape the life of the individual for better or worse. As you will discover, you are not a helpless bystander. You do not have to be a victim to whatever happens to you. You can overcome. There are biblical principles that determine the outcome of storms. The Bible has many answers to life's problems. The author walks you through the scriptures that provide instruction to navigate your way when the view is obstructed from storm damage. Although Jesus is always present and always sees you, it may not be easy to see Jesus through difficulties. As you read, you will learn to see life more from God's perspective which will in turn enable you to see Jesus in the storm.

A New York Times Notable Book of the Year, winner of the Southern Book Critics Circle Award and the Lillian Smith Award. An American epic of science, politics, race, honor, high society, and the Mississippi River, *Rising Tide* tells the riveting and nearly forgotten story of the Great Mississippi Flood of 1927. The river inundated the homes of almost one million people, helped elect Huey Long governor and made Herbert Hoover president, drove hundreds of thousands of African Americans north, and transformed American society and politics forever. The flood brought with it a human storm: white and black collided, honor and money collided, regional and national powers collided. New Orleans's elite used their power to divert the flood to those without political connections, power, or wealth, while causing Black sharecroppers to abandon their land to flee up north. The states were unprepared for this disaster and failed to support the Black community. The racial divides only widened when a white officer killed a Black man for refusing to return to work on levee repairs after a sleepless night of work. In the powerful prose of *Rising Tide*, John M. Barry removes any remaining veil that there had been equality in the South. This flood not only left millions of people ruined, but further emphasized the racial inequality that have continued even to this day.

"Search for lost Mayan cities and books of gold, discover an ancient canal system in Arizona, climb gigantic pyramids in the Midwest, explore megalithic monuments in New England, and join the astonishing quest for the lost cities throughout North [and Central] America"--Amazon.com. In *Chocolate Dreams*, Cocoa the Chocolate Fairy is blamed for the missing chocolate eggs. But soon the other fairies discover that it's the sour troll Mogu who is toying with their candies. He has stolen the chocolate eggs for his own! Cocoa and Princess Lolli go on a dangerous adventure over the Frosted Mountains to save the eggs, and get Mogu to stop his bitter plan. They have to outwit the salty old troll in order to save the chocolate eggs and restore the balance of Sugar Valley once again. In *Rainbow Swirl*, Raina is a young Gummy fairy who takes her duties very seriously and carefully tends the Gummy Forest. She follows the fairy guidebook rules to the letter and is getting ready for the annual candy contest at the castle. The night before the event a terrible storm hits Sugar Valley and the winds and rain swirl all the colors of the candies together. It's a huge mess! Dot, a wise Candy Castle Fairy, pairs up with Raina. They wind up creating a new rainbow hue to decorate all the candies just in time for the annual candy contest held in the Gummy Forest. While the candy is not traditional, Raina wins for originality and is proud of her work. In *Caramel Moon*, the crop of candy corns is shrinking! Is someone playing a trick? Mellie the Caramel Fairy and her friends will find out! At the Harvest Festival all the fairies expect to eat candy corn, but Mellie discovers that the Chuchies are back and have been digging in the fields, pulling up the candy corns before the fairies can collect them. Princess Lolli will see that the Chuchies learn a lesson, and Mellie and her friends harvest a new crop of candy corn just in time.

And, Cherry Jam needs a place to stay while her RV is being repaired, so she bunks with Strawberry Shortcake. Can two berry good friends live together without driving each other crazy? Plus, four more short stories 2 Sweet 2 B Missed, a prose story, and a recipe you can actually make at home!

Naturally, as Christians, we are often perplexed and distressed by the many diverse storms, trials, and fires that we encounter on a daily basis, but God is desirous that we comprehend that our trials are preparing and positioning us for our next level of blessings. The lessons that our present storms or fires are teaching now are necessary prerequisites for the new season that is about to come. I strongly believe that how you master your now will ultimately determine how you respond to your tomorrow. There are numerous hidden blessings in your storm, and if you would take the time to appreciate, digest, and evaluate them, you can discover that your storm can easily transition you closer to your purpose and destiny.

Transformation In The Midst of Transition teaches you how to: Embrace the benefits and

opportunities of your storm by allowing it to transform you and transition you into a new level of spiritual growth and development. Utilize it as a coaching guide to help you navigate effectively through the contemptuous storms and fiery trials of life. Appreciate the lessons of your past and understand that there is more to your life than what you are currently going through, by encouraging you to focus rather on where and what God is taking you to. Manage and cope with the new devils at your new levels. Survive and prosper from the storms that you will encounter. Comprehend that your storms were designed with your maturity in mind. Analyze the storms in your life and how to discover the purpose of each storm. Your trials are designed to mature and refine you, so do not run away from them or allow yourself to get all impulsively before the work that was intended is accomplished. Your trials are meant to bless and reposition you to another level where you learn how to praise God in the midst of your storm, and subsequently for the storm! When you look back you realize that the storms were designed with your maturity in mind! You learn how to give God thanks in all of your circumstances, knowing that you will come out better when you were tempted to be bitter! The author of the hit Redemption Song returns with a sparkling new novel about looking for love in all the wrong places—and with all the wrong people. Bernita Brown is a quick-thinking, tireless social worker who is good at practically everything—except love. When her first marriage ends in divorce—a painful experience Bernita refuses to think about—she dives into a series of sad relationships and overwhelming commitments to community and church. But not even church can keep her from being courted by dogs. Bernita's married pastor begins making passes at her, then blames her for his backsliding. Along the way, the ghost of Bernita's aunt Babe weighs in with plenty of advice (after all, Aunt Babe says, "You don't need to be alive to tell folks how to live"). But when a marvelous man finally enters Bernita's life, only time can tell whether she will be able to trust him. Written with Berry's signature warmth, When Love Calls, You Better Answer addresses a host of powerful topics, from abusive relationships to corrupt church leaders. Bernita's story will inspire readers to find the love they need, especially the love that can only come from within.

After School Rules

Margie and Wolf

A sweeping historical romance about a witch who foresees her own murder--and the one boy who can help change her future. Sixteen-year-old Avery Roe wants only to take her rightful place as the witch of Prince Island, making the charms that keep the island's whalers safe at sea, but her mother has forced her into a magic-free world of proper manners and respectability. When Avery dreams she's to be murdered, she knows time is running out to unlock her magic and save herself. Avery finds an unexpected ally in a tattooed harpoon boy named Tane--a sailor with magic of his own, who moves Avery in ways she never expected. Becoming a witch might stop her murder and save her island from ruin, but Avery discovers her magic requires a sacrifice she never prepared for.

On Thursday, November 6, the Detroit News forecasted "moderate to brisk" winds for the Great Lakes. On Friday, the Port Huron Times-Herald predicted a "moderately severe" storm. Hourly the warnings became more and more dire. Weather forecasting was in its infancy, however, and radio communication was not much better; by the time it became clear that a freshwater hurricane of epic proportions was developing, the storm was well on its way to becoming the deadliest in Great Lakes maritime history. The ultimate story of man versus nature, November's Fury recounts the dramatic events that unfolded over those four days in 1913, as captains eager—or at times forced—to finish the season tried to outrun the massive storm that sank, stranded, or demolished dozens of boats and claimed the lives of more than 250 sailors. This is an account of incredible seamanship under impossible conditions, of inexplicable blunders, heroic rescue efforts, and the sad aftermath of recovering bodies washed ashore and paying tribute to those lost at sea. It is a tragedy made all the more real by the voices of men—now long deceased—who sailed through and survived the storm, and by a remarkable array of photographs documenting the phenomenal damage this not-so-perfect storm wreaked. The consummate storyteller of Great Lakes lore, Michael Schumacher at long last brings this violent storm to terrifying life, from its first stirrings through its slow-mounting destructive fury to its profound aftereffects, many still felt to this day.
