IT'S TIME FOR REST, RELAXATION...AND RELIGION?! Kazuma and crew have made it through the winter in one piece (for the most part), and they're in dire need of a break...and for stressed and tired adventurers, there's only one place to go—the hot springs! With open-air baths and beautiful mountain scenery, Arcanletia has everything they need for a relaxing vacation. Not only that, but rumor has it the Demon King's army is avoiding the place. The reports also say it's because Aqua's Axis Church scared them off, but her loyal followers can't be that bad, right...?

A Boob's Life explores the surprising truth about women's most popular body part with vulnerable, witty frankness and true nuggets of American culture that will resonate with everyone who has breasts—or loves them. Author Leslie Lehr wants to talk about boobs. She's gone from size AA to DDD and everything between, from puberty to motherhood, enhancement to cancer, and beyond. And she's not alone—these are classic life stages for women today. At turns funny and heartbreaking, A Boob's Life explores both the joys and hazards inherent to living in a woman's body. Lehr deftly blends her personal narrative with national history, starting in the 1960s with the

women's liberation movement and moving to the current feminist dialogue and what it means to be a woman. Her insightful and clever writing analyzes how America's obsession with the female form has affected her own life's journey and the psyche of all women today. From her prize-winning fiction to her viral New York Times Modern Love essay, exploring the challenges facing contemporary women has been Lehr's life-long passion. *A Boob's Life*, her first project since breast cancer treatment, continues this mission, taking readers on a wildly informative, deeply personal, and utterly relatable journey. No matter your gender, you'll never view this sexy and sacred body part the same way again.

An inspiring and surprisingly comedic tale of loss and acceptance told largely through silent sequential narrative, *About Betty's Boob* is a seminal work from master storytellers Véro Cazot and Julie Rocheleau. Betty lost her left breast, her job, and her guy. She does not know it yet, but this is the best day of her life.

Featuring 30 types of breasts, *The Boob Book* is an illustrated celebration of womanhood and the boobs that come with it. Scattered throughout are boob miscellany: a boob personality flow chart, boob facts, boob self-care tips, a roundup of bras, types of nipples, a boob doodle, and illustrated ways we show off the goods. This joyful book features breasts of all colors and sizes—from "The Handful" to

"The Mom-To-Be" to "The Small but Mighty"—showing women that every boob type is weird, beautiful, and natural. • An illustrated love letter to a girl's breast friend • Filled with fun and interactive boob-related miscellany, like a boob personality test (are you a "Chillaxer" or a "Handful"?), boob facts, and breast self-care tips • Light, celebratory, and a little cheeky—but ultimately sincere Let's hear it for our bosom buddies. Our mammary mamas. Our breasts-in-arms. From small and mighty to large and in charge to long, short, hairy, bumpy, or any boobs in between, this book uplifts them all. • A perfect book for women of all generations—from friends to mothers and daughters—or anyone who wants to send some extra support and love to their ladies • Ideal for anyone who needs a boob-size boost • Great for those who enjoyed Feminist Activity Book by Gemma Correll, Celebrating You: (And the Beautiful Person You Are) by M. We both love wearing dresses, the prettier the better. We also both love cosplaying. But that is where our similarities end. Right? Nobody would call Elliot a flashy person, he's calm and kind, spending most of his time with his nose in books or playing games. But when he's finally brave enough to cosplay loud and cheerful Aoi, a female character from Magical Princess Club!, at AmAnime it changes everything. Especially when he's swept off his feet by a girl cosplaying Sakura, Aoi's best friend. Can he really expect more than friendship when he's dressed like someone else

entirely? Izzy lives for cosplaying and conventions. She loves dressing up as magical girls because when she slips into their characters, she transforms a little too. Cosplaying and dressmaking are her ways to deal with the discomfort she feels over the body she was born in, making her feel more like her real self. And cosplaying at AmAnime is the highlight of her year. Meeting friends, showing off her skills... And this year, somehow being face to face with a person who makes her heart beat faster than ever before. She's always thought that dating would be out of the question, but is it? When Elliot and Izzy impulsively team up for the yearly cosplay contest, they may win more than just a trophy...
