**While the Grohl family had always been musical-the family sang together on long car trips, harmonizing to Motown and David Bowie-Virginia never expected her son to become a musician, let alone a rock star. But when she saw him perform in front of thousands of screaming fans for the first time, she knew that rock**

**stardom was meant to be for her son. And as Virginia watched her son's star rise, she often wondered about the other mothers who raised sons and daughters who became rock stars. Were they as surprised as she was about their children's fame? Did they worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers? Did they encourage their children's passions despite the odds against success, or attempt to dissuade them from their grandiose dreams? Do they remind their kids to pack a warm coat when they go on tour? Virginia decided to seek out other rock star mothers to ask these questions, and so began a two-year odyssey in which she interviewed such women as Verna Griffin, Dr. Dre's mother; Marianne Stipe, Michael Stipe of REM's mother; Janis Winehouse, Amy Winehouse's mother; Patsy Noah, Adam Levine's mother; Donna Haim, mother of the Haim sisters; Hester Diamond, Mike D of The Beastie Boys' mother. With exclusive family photographs and a foreword by Dave Grohl, From Cradle to Stage will appeal to mothers and rock fans everywhere.**

**So, I've written a book. Having entertained the idea for years, and even offered a few questionable opportunities ("It's a piece of cake! Just do 4 hours of interviews, find someone else to write it, put your face on the cover, and voila!") I have decided to write these stories just as I have always done, in my own hand. The joy that I have felt from chronicling these tales is not unlike listening back to a song that I've recorded and can't wait to share with the world, or reading a primitive journal entry from a stained notebook, or even hearing my voice bounce between the Kiss posters on my wall as a child. This certainly doesn't mean that I'm quitting my day job, but it does give me a place to shed a little light on what it's like to be a kid from Springfield, Virginia, walking through life while living out the crazy dreams I had as young musician. From hitting the road with *Scream* at 18 years old, to my time in *Nirvana* and the *Foo Fighters*, jamming with *Iggy Pop* or playing at the *Academy Awards* or dancing with *AC/DC* and the *Preservation Hall Jazz Band*, drumming for *Tom Petty* or meeting *Sir***

A collection of the very first, the very last, and the very best interviews conducted with Prince over his nearly 40 year career. There is perhaps no musician who has had as much influence on the sound of contemporary American music than Prince. His pioneering compositions brought a variety of musical genres into a singular funky and virtuosic sound. In this remarkable collection, and with his signature mix of seduction and demur, the late visionary reflects on his artistry, identity, and the sacrifices and soul-searching it took to stay true to himself. An Introduction by Hanif Abdurraqib offers astute, contemporary perspective and brilliantly contextualizes the collected interviews.

There ' s a reason why Dave Grohl is known, however naively, as “ the nicest man in rock. ” A reason why millions have bought his Foo Fighters albums and DVDs, his concert and festival tickets. A reason why generations have bought into

## Where To Download Best Of Foo Fighters Signature Licks

his story, his dream, his self-fulfilling prophecies. Dave may not have the savant glamour of Nirvana ' s Kurt Cobain, but whereas Kurt dwelled in darkness, Dave was a lover, not a loner, a bringer of light. Foo Fighters: Learning to Fly is his story, and therefore the true story of the Foo Fighters—like it ' s never been told before. From Grohl ' s days as the new kid in Nirvana, to becoming the Grunge Ringo of the Foo Fighters, to where he is now: one of the biggest, most popular male rock stars in the world. Internationally acclaimed rock writer Mick Wall tells us how and why none of this happened by accident in a style that pulses with rock ' s own rhythms. With testimony from true insiders, including former band mates, like Nirvana bass player Krist Novoselic, producers, record company executives, and those closest to Grohl and the Foos, this is the first full, explosive, no-holds-barred biography of the band and their otherwise critically bulletproof leader. Dave Grohl is no ordinary musician. Having powered Nirvana to legendary status from behind his drum kit, adding the necessary drive to Kurt Cobain's genre-defining grunge anthems, he then switched instruments to become guitarist, singer, songwriter and frontman of the Foo Fighters. This unique and critically acclaimed quartet has enjoyed more than a decade of success and shows no sign of stalling. This book traces Grohl's history from schoolboy to superstar, examining his musical roots and motivation to remain at the top of his tree. It also reveals how the Nirvana experience taught him to keep the press at bay, offering an insight into the private man behind the "all-American nice guy" image.

A topical and timely exploration of the ten questions that shape readers' lives. The Answer is not the last self-help book we'll ever need, but it is the first book to turn to when life inevitably asks a question and waits for the answer that we-and only we can provide. Living in a fear-saturated culture and feeling overwhelmed has us constantly looking for answers of all kinds sprinting after anything and anyone to make us feel safe. The Answer liberates us from that constant fear and endless scurrying. By examining ten thought-provoking questions, The Answer offers an unexpected approach to discovering the truths, wisdom, and insights that will transform our lives in sustainable ways. By trusting questions as a driving, natural, and nourishing force in life, we can begin to trust ourselves to find the answers that are right for us.

The upcoming album arrives as the most anticipated 2010 rock release, so far. The debut single from the 10 song disc, "Cryin' Like A Bitch," is already blowing the doors off rock radio and the digital domain, furthering the Boston Band's record-breaking streak at the coveted Active Rock format. The punishing anthem, which debuted a mere three weeks ago as the most added new Active Rock single of the year, has already blazed to the Top 5 tier of the chart. "Cryin' Like A Bitch" is the 15th Top Five hit for the group, more than franchise artists such as Linkin Park, Foo Fighters, and others. It also marks Godsmack's record-breaking 18th Top 10 single of their career, extending their dominance as creators of the most Top 10 hits in Active rock history. Produced by Dave Fortman, who has worked with Mudvayne, Evanescence, and Simple Plan, among others, The Oracle is another lyrical and musical touchstone for the four member band. The new album revels in Godsmack's scorching underpinnings, served up via frontman Sully Erna's

monster-vocals on the scathing new single, "Cryin' Like A Bitch," and other songs, including "Saints And Sinners," "War And Peace," "Devil's Swing," and "Good Day To Die." The Oracle is the band's first studio album since 2006's Godsmack IV, another platinum-plus trailblazer for the group, debuting at #1 on the Billboard Top albums chart (their 2nd #1 debut following 2003's Faceless) and harking back to the signature sound of multiplatinum masterpieces like their 5 million selling breakthrough debut album and 2000's Awake. Considered one of the definitive alternative hard rock bands in contemporary music, The band's 12 year legacy - guided by fearless founder and frontman Sully Erna, includes nearly 15 million albums sold - highlighted by scores of sold-out international concerts, countless successful tours, a remarkable 18 hit singles, 4 platinum records, 1 gold EP and three Grammy nominations. *others. Also includes essential discographies for each artist. (Music Pro Guide Books & DVDs). There has never been a greater need for practical DIY marketing advice from a musician who has been there and succeeded than now at a time when new technologies make it more possible than ever for musicians to attract attention independently and leverage their own careers, and record industry professionals look exclusively for developed artists who are already successful. Written by a professional musician for other musicians, Music Marketing for the DIY Musician is a proactive, practical, step-by-step guide to producing a fully integrated, customized, low-budget plan of attack for artists marketing their own music. In a conversational tone, it reveals a systematic business approach employing the same tools and techniques used by innovative top companies, while always encouraging musicians to stay true to their artistic integrity. It's the perfect blend of left-brain and right-brain marketing. This book is the culmination of the author's 25 years in the trenches as a musician and entrepreneur, and over a decade in academic and practical research involving thousands of independent artists*

**"Inspired to a creative breakthrough after glancing at a copy of Mad magazine, promoted by the Surrealist Matta, and discovered in Paris, American artist Peter Saul [b.1934] has created often difficult, funny, and trenchant works - "sick jokes," according to Robert Storr. His paintings have taken on subjects ranging from embarrassing personal foibles to important events in American history such as the Vietnam War, the civil rights movement, and the atrocities at Abu Ghraib. Given the ongoing lack of recognition for the work of this controversial, influential, and pioneering artist, a deeper examination of Saul's career is long overdue."**

**"This publication provides the first comprehensive overview of five decades of Peter Saul's paintings and drawings. It features works from the early 1960s through the present, including his first "icebox" painting, examples of his epic historical canvases, satiric works poking fun at art history's sacred cows, paintings that painfully evoke the multiple psychic hazards of being an aging male, and recent works that point to the immorality of current political affairs. Essays by Dan Cameron and Michael Duncan as well as an interview with the artist by Robert**
