An unforgettable saga of forbidden love, family relationships, secrets and the quest for happiness. Much-loved author Lyn Andrews writes a touching and evocative saga of the aftermath of war in *Beyond a Misty Shore*. Not to be missed by fans of Maureen Lee and Joan Jonker. It is 1945 and the war is finally over. But for sisters Sophie and Maria, who have no choice but to leave their beloved home on the Isle of Man, the upheaval is just beginning. Eighteen-year-old Maria is loath to leave the island as it's there she met Hans Bonhoeffer, a young Austrian interned during the war. For widowed Sophie, however, Liverpool offers exciting opportunities. As Maria longs for a reunion with Hans, Sophie is drawn to Frank Ryan, a man who is not free to be with her. Will the sisters ever find happiness? What Amazon readers are saying about *Beyond a Misty Shore*: 'Lyn brings her characters to life, with a few surprising twists and turns along the way' 'Another excellent book from this author. The aftermath of WW2 and the impact it had on Liverpool were beautifully described. The behaviour and attitudes of the characters were brilliantly portrayed with a balance of everyday life mixed with love and hope. Altogether a smashing book'

Big-wave surfer, fitness icon, and entrepreneur Laird Hamilton reveals the secrets behind his success and breaks down the principles that have motivated his extraordinary life in *Liferider*--a prescriptive narrative that condenses Hamilton's unique worldview into its three distinct elements--heart, body, and soul. HEART, the first of three sections in the book, explores the intrinsic motivation that drives our lives and everyday actions. BODY explores everything that affects our physical manifestations-- our genetics, environment, foods, exercise, and even our breath. SOUL seeks to help us make sense of the cat's cradle of beliefs we all carry with us, what we expect of them, and what they really mean to us.

Nell Whitaker is fifteen when war breaks out and, despite her protests, her mother sends her to live with her Auntie Kath on a remote farm in Anglesey. Life on the farm is hard, and Nell is lonely after living in the busy heart of Liverpool all her life. Only her friendship with young farm hand Bryn makes life bearable. But when he leaves to join the merchant navy, Nell is alone again, with only the promise of his return to keep her spirits up. But Bryn's ship is sunk, and Bryn is reported drowned, leaving Nell heartbroken. Determined to bury her grief in hard work, Nell finds herself growing closer to Auntie Kath, whose harsh attitude hides a kind heart. Despite their new closeness, however, she dare not question her aunt about the mysterious photograph of a young soldier she discovers in the attic. As time passes, the women learn to help each other through the rigours of war. And when Nell meets Bryn's friend Hywel, she begins to believe that she, too, may find love...
