inspirational read of an African-American, openly gay man's triumphant journey through the guilt, shame and condemnation bought on by his Christian upbringing. Written by new author, K. Godfrey Easter, it chronicles events from his youth and throughout his young adulthood, describing a vivid, moving and sometimes comical portrait of how seemingly insurmountable social and spiritual challenges guided him to his own Damascus Road. There, he describes in his book, "...within my own private valley of the shadow of death," is

where his deeply rooted faith in the unconditionally loving Creator was forever restored; and his unique, human orientation eternally validated by God. Easter writes: "But be not dismayed. We'll eventually reach the other side of the Christian's hell, where a smoother ride exists. Elsewhere he states, "As the proud, single parent of a sixteen-year-old-son, how could I not be the proper example and openly declare my social validity and spiritual liberty?" More than any other published book today on black, gay Christianity, with his book, Easter

exposes the religious ambiguity lodged deep within the trenches of African-American organized religion, as he's experienced it, describing how he made it over. "If Christ has set me free, why should I be bound, especially by the Christian church? He boldly declares.

Did Jesus of Nazareth really rise from the dead? Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. The Evidence of Appearances: Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, *The Case for Easter* probes the core issues of the resurrection. The Lent-Easter seasons cover one-fourth of the year, or 25 percent of the liturgical year. One of the many things we do as Roman Catholics is sing Lenten and Easter hymns. During Lent, we express our sorrow for sin as we pray, fast, and give alms. During Easter, we shout Alleluias at the end of many hymns to express our praise of God for having raised Christ from the dead. Thus, those who observe Lent and Easter sing religious hymns written for each season. The sounds of Lenten hymns in minor keys give way to Easter hymns in major ones. This book presents an exercise for every day of Lent and Easter that combines the daily Scripture texts from the
