

Bible Prophecy Understanding Future Events

Unprecedented natural disasters, political uprisings, and economic uncertainty: The Bible predicted it all. Now you can understand it—and know what's coming next. As we watch world events unfold, biblical prophecy becomes a subject of intense interest. Every Prophecy of the Bible brings clear answers to more than 1,000 key prophecies, backed with solid Scriptural evidence. Noted biblical scholar Dr. John F. Walvoord covers each prophecy from Genesis to Revelation, giving detailed insight into the many prophecies that have been fulfilled, as well as those that are still to come. By placing each event into historical context, the author gives insight into how the past, present, and future fit together to form an amazing, divine design. An excellent reference guide for those seeking answers, this comprehensive book reassures readers that God's master plan is to be trusted and that the Bible is an accurate source of hope for all Christians.

Bible prophecy continues to fascinate, nevermore than in troubled times of war and natural disasters. But why study Bible prophecy? What does it mean if a person is premillennial or amillennial, believes in the Rapture, or knows who or what the Beast of Revelation is? Benware's framework for understanding Bible prophecy is based on the four biblical covenants: Abrahamic, Palestinian, Davidic, and New. This book is a reference for seminary and college students, and those curious about the various views of end times prophetic events and biblical proof behind them.

This book by bestselling author Tim LaHaye is a popular prophecy resource, with nearly 140,000 copies sold. THE END IS NEAR!The end of the world is fast approaching! It is vitally important for you to know what is going to happen. There are many end times theories and ideas being promoted in the world today. How do you know what to believe? God's word is truth and gives us the answers that we are looking for. The Coming Epiphany takes a broad and comprehensive look at the end times through the eyes of scripture and explains to the reader the events that are going to occur. What scripture reveals about the end times may not be what you think! For example do you know what scripture reveals about America and her role in the end times? Do you know what scripture reveals about the coming financial collapse, WWII, aliens, the New World Order? Do you know how the Jewish feasts will coincide with major prophetic events? Do you know who will be the head of the coming one world religion? Do you know when in the sequence of end times events that the rapture will occur and can you prove it from scripture? Do you know the prophetic significance of the moon being turned to blood?The Coming Epiphany will answer these questions and many more and will teach you what you need to know about the end of the world. As one reader said "Mr. Frederick, through rigorous adherence to scripture, has pieced together the puzzling aspects of Biblical prophecy. His book, The Coming Epiphany, provides vital information for Christians in these times and the times to come..."About The AuthorWilliam Frederick has been teaching and preaching God's Word for the last 25 years. His experience from teaching the Bible, the formal training he received from Bob Jones University, his years of prophecy research, and his compassion to please the Lord and help others have all culminated in the writing of this "must read" prophecy book that you won't be able to put down!Read The Coming Epiphany today!

With more than thirty books to his credit, Dr. John Walvoord has been hailed as the world's foremost authority on Bible prophecy and coming world events. In his lifelong study of the Bible, Walvoord has deciphered the puzzling language of prophecy and helped millions of people to understand end times teachings. By examining all of the prophetic passages in the Bible as they relate to contemporary events, Walvoord shows how God's prophecy will be as reliable in the future as it has been in the past.

What does the future hold for us? The future is crystal clear – to God. We all want to know the future – our future. At the same time, we want to make sense of past events and have guidance for the present. Too much to ask? Not with God. In Bible Prophecy and End Times author Douglas Connelly reveals that Someone does know your future – and the world's – down to the last detail. After all, God created it all. Who better to trust for answers? In Bible Prophecy and End Times you will discover more about: [bullet list] What prophecy is – and isn't; The rapture timeline and the tribulation; The Antichrist – Person or Power? How to discern between true and false prophecies; Armageddon and its aftermath; The millennium, Judgment Day and heaven and hell; What all Christians agree on; And much, much more! [End bullets] How will prophecies and future events affect you and those you love? Bible Prophecy and End Times draws from the reliable truths of the Bible to give you clear direction through these unprecedented times. You will find hope and peace in knowing your future couldn't be in better hands – in this life and in the next.

Biblical Prophecy Unveiled

The book of Revelation says that half of the world's population is going to be wiped out. At current numbers, that means three or four billion people will die. Imagine most of the world's great cities destroyed, their shiny skyscrapers reduced to piles of smouldering rubble. And all this happens in the book of Revelation before we even get to the battle of Armageddon. Before that, Revelation says there is going to be a one-world government headed by Antichrist. No one will be able to buy or sell without having the 'mark of the beast' (666) on their right hand or forehead. Those who won't worship Antichrist will be put to death. But today, many Christians are confused or have questions about the end-times: Are we meant to understand the book of Revelation literally? Is there going to be a one-world government? Will there be a literal Antichrist? Are we heading for Armageddon? Is the church going to be taken out of this world before all these events happen? To help us understand what the Bible really foretells about the end of the world, and help us navigate the difficult questions surrounding Bible prophecy, Andrew Wilson uses an introductory parable: a detective story. He shows that there are four big clues in the Bible that help us understand the future. If we focus on solving these four clues, all the swirling mists of confusion disappear and the evidence lines up to point to one clear answer to the puzzle of future events. In this full-length exploration of Bible prophecy, all the major passages in the Old and New Testaments dealing with future events are explained, leading to a satisfying, faith-strengthening and hope-filled understanding of what is going to happen at the end of the world.

Understanding Bible Prophecy and the End Times is an insightful, practical and thought-provoking book preparing the church, the world, and government leaders to understand: Gods prophetic time clock and the signs of the end times. How God controls the course of world history as revealed and proven by the records of scripture. What is the New World Order; who is behind its formation; what is the rationale for its formation and; what are its characteristics? Who is the coming super world dictator and what would be the features of his reign of terror? When will the Church be raptures- pre, mid or post- tribulation? What is the Mark, the Image and the Number of the Beast that Revelations 13 is warning us against? Phases of the resurrection and their relevance on the End Time phenomenon. End Time judgements of God and the Marriage Supper of lamb. The nature, characteristics and purpose of the Millenial Kingdom. How can we prepare ourselves in the light of Bible Prophecy and its fulfilment with current events. Undoubtedly, reading this book will sharpen your perception and make you a sound student of Bible Prophecy.

Does the end of the Mayan Calendar start the countdown to Judgment Day? Biblical and historical researcher David Montaigne concludes that this is the case. He says that the end of the Mayan Long Count is the official start of the Bible's seven-year tribulation-both were focused on the same astronomical events that occur from 2012 to 2019. The world as we know it will be gone by 2020. Texts from ancient India tell us about great cycles of destruction. The Egyptians told the same basic story with different names. The Maya reveal another version of the story, and were very clear about the timing of events from December 2012 to 2019. Your average American is no expert on these cultures, but most people do have a Bible at home-and the clearest details on what is about to happen can be found in the Bible, if you don't let someone else tell you which parts you should focus on. No, this isn't what you were taught in Sunday school. Religious leaders guide us between the raindrops of curious comments in the Bible. We are discouraged from focusing on the parts they say we weren't meant to understand. But if we stop glossing over these important passages we will understand a flood of details about the End Times. Our "leaders" are not ignorant of these events. The elite already know what is about to happen and they have made preparations most rational people would not believe, because evidence is suppressed to avoid chaos. They want us to remain ignorant, or at least to believe that the details are secrets that cannot be known. But the coming events (and their timing) are not secrets. Years ago, this book's publication would not have been tolerated by those in power. But by now it doesn't matter much-their plans are not going to be interfered with at this point. Your plans, however, can still be formulated, if you make the choice to understand. Topics include: Bible Prophecy; Matthew 24:36- Knowing the hour and the day; The Mayan Calendar and Mythology; Pole Shifts; Galactic Superwaves; Ancient Egypt; Ancient India; World Mythology; The Georgia Guidestones; The real Star of Bethlehem and the exact birthday of Christ; Calculating the Second Coming, and Judgment Day; more.

The authors examine everything Jesus said about future events as recorded in the four canonical Gospels. This includes the famous Olivet Discourse along with many other parables and sayings. The authors situate Jesus's teaching in its original literary and first-century Jewish and Greco-Roman context.

Biblical prophecy comprises one of the most rewarding topics of Bible study. Difficulty of subject matter and unfamiliarity with the literary forms, however, deter many students. 'Back Toward the Future' removes these obstacles and invites exploration of this exciting subject. The author, a respected expert in the field, presents an introductory guide to the issues and methods of interpreting prophetic literature. The principles he formulates, coupled with his mature insights, will help students avoid many exegetical pitfalls. Part I helps the reader to discern conditional and unconditional prophecies, comprehend apocalyptic symbols, and understand future events in expressions of the past. Part 2 provides specific steps for interpreting prophetic passages. And Part 3 discourages Bible students from finding double meanings in prophetic statements and encourages them to embrace the author's single-truth intention. A Scripture index concludes 'Back Toward the Future'.

The church fathers were much closer to the time when the original manuscripts of the Bible were written than we are, so doesn ' t it make sense to use the methods of interpretation they used rather than forcing an understanding based on history and a literal sense of language? Especially when interpreting such cryptic books as The Revelation. A universe without God is different than the one a believer sees. An atheist sees a universe of randomness. Where are purpose, design and meaning? A Godless universe is a chaotic place ruled by chance. The Christian sees a universe under God's control. God gives purpose and meaning, and is the designer. His order is maintained throughout the domain. If that is the case, shouldn ' t the Bible, God ' s Word, represent something other than random bits of history and prose? Shouldn ' t it be considered something more than the uninspired writings of ancient men?

Identifies and explains biblical scriptures that predict the last days, describes the predictions that have come true based on current events, and speculates how yet-to-be fulfilled predictions may occur.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

A profound exploration of the Bible's most controversial book—from the author of Beyond Belief and The Gnostic Gospels The strangest book of the New Testament, filled with visions of the Rapture, the whore of Babylon, and apocalyptic writing of the end of times, the Book of Revelation has fascinated readers for more than two thousand years, but where did it come from? And what are the meanings of its surreal images of dragons, monsters, angels, and cosmic war? Elaine Pagels, New York Times bestselling author and "the preeminent voice of biblical scholarship to the American public" (The Philadelphia Inquirer), elucidates the true history of this controversial book, uncovering its origins and the roots of dissent, violence, and division in the world's religions. Brilliantly weaving scholarship with a deep understanding of the human needs to which religion speaks, Pagels has written what may be the masterwork of her unique career.

Anyone can make predictions about the future. The real question is, "What does God have to say about it?" The end times is one of those areas of theology where people have many wild opinions. Don't get caught up in all the internet speculations and doomsday prognostications. The real place to find out about the future is the Word of God. In What Does the Bible Say About the Future?, radio host and prophecy expert Dr. Charlie Dyer offers you an insightful look at the end times that's grounded not in human fantasies but in the very revelation of God. The Bible actually does have a lot to say about the future. It's an important topic for you to study. So instead of taking your cues from the self-appointed prophets of today, let Dr. Dyer take you right back to Scripture. You'll get answers to questions like: Are we in the last days right now? Are pandemics like Covid-19 a fulfillment of Bible prophecy? What is the Battle of Armageddon? What is the next event on God's prophetic calendar? Where is the United States in Bible prophecy? And most importantly . . . If prophecy is true, what difference should it make in my life? God didn't give us Bible prophecy to tickle our imagination or satisfy our intellectual curiosity. Rather, God wants us to know about the end times so we can be confident in His eternal purposes. With a biblical understanding of the future, you'll be powerfully equipped to live with faith and hope today!

15 Future Events That Will Shake the World

This book will give the reader a much better understanding of what God has planned for this world's future. Prior to Tribulation, the Church (the believers in Jesus Christ) will be caught up, raptured, and will meet the Lord in the air. Much of what is written in numerous books of the Bible that deal with prophecy is written in symbolic language, often making it difficult to understand. One purpose of this book is to reveal and explain to the reader what is meant by those symbols, thereby giving the reader a glimpse and a better understanding of what the future holds.

Additionally, when dealing with a specific subject such as an event that was prophesied in the book of Revelation, often, that subject is covered in other verses of that book and/or in other books within the Bible. The comparing of scripture with scripture supports, sheds light, explains,

and/or reinforces our understanding of that particular passage. Following the Tribulation is the Millennium, the one-thousand-year reign with Christ.

Everything You Need to Know About the Last Days at Your Fingertips The Harvest HandbookTM of Bible Prophecy is a reference resource that provides a comprehensive overview of everything the Bible says about the last days. Compiled by bestselling prophecy teachers Ed Hindson, Mark Hitchcock, and Tim LaHaye, this volume has 150+ topics on the most important subjects of prophetic study from 40+ of world's foremost prophecy experts, including Armageddon, the Day of the Lord, eternal life, the glorious appearing, the messianic kingdom, the millennium, rewards, and the Tribulation. You will gain clear and useful insights about the future in this A-to-Z handbook, which is written to provide thousands of Bible-based facts about the end times and beyond a chronology of the last days from a pretribulationl, premillennial view detailed definitions of all the major prophecy-related terms Both new and experienced students of prophecy will find this a tool they can use and understand. Ideal for browsing or serious research, you'll find yourself reaching for this indispensable resource again and again.

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the "framework" that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if

I'm premillennial or amillenial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.
