DAY OF THE DEAD, SUGAR SKULLS, HUGE COLLECTION OF BEAUTIFUL DESIGNS  
You will Love this Coloring Book. It offers: -Stress Relieving Designs that are Great for Relaxation. Each coloring page is designed to provide calmness and relaxation as you channelize your energies for creative expression.-Beautiful Artwork and Designs. Well-crafted illustrations and designs that lay the groundwork for you to create your own frame-worthy masterpieces. -High Resolution Printing. Each image is printed in high resolution to offer crisp, sharp designs that enable trouble free coloring and high quality display.-Single-sided Pages. Every image is printed on a single-sided page, so that you can use a broad variety of coloring choices without fearing bleed through. Moreover, single-side pages can be framed to display your masterpieces.-Suitable for All Skill Levels. This coloring book offers a broad variety of designs suited for all skill levels - ranging from beginner to expert level.-A Great Gift. Coloring books make a wonderful gift and MantraCraft coloring books are frequently one of the most gifted items. Sugar Skulls have a historic connection to religious and indigenous peoples with a blend of respect for the dead and the hope of reincarnation and the chance to see one's deceased, loves ones again. Sugar skulls are decorated with the intentions of providing a joyful baked item to children during the Day of the Dead combined with All Souls and All Saints Day celebrations. Celebrated primarily in the Hispanic culture, the celebrations have spread all over the world for the days between October 31st and November 2nd. This book was created for those co-artists who wish to use crayons and colored pencils. Everyone loves quotes, especially if they are significant to a life situation, identify within a moment, inspire a person to do or be better, or provide a little pep-talk to motivate the person to a higher psychological mindset. Add beautiful colors and other designs outside the skull image and you have created a personalized work of art! Coloring books will never lose their appeal - whether you are a pre-kindergarten toddler to the mature adult who is looking for something simple to play with for a solitary pursuit that provides artistic pleasure. This coloring book has the intensity of design, but also the simplicity of simple Zentangle inspired art (ZIA) that allow the reader (and budding artist) to pick and chose their favorite designs, and then use colored pencils, markers, acrylics, or even crayons to add their own brilliant color combinations. Coloring can be cathartic for those needing something that doesn't take a lot of analysis or thought, while allowing them to pick and chose their personal colors to create an artistic masterpiece. The page of skulls, reflective and geometric designs, and Zentangle inspired art (ZIA) allows relaxation while you wile away the hours or the day in your own mind. There is no judgment here. Have fun. Use the baseline designs and sketches to play and have fun.If there are blank spaces, along the borders or inside the design, add your own lines and patterns. Unwind with hours of artistic fun, transforming each illustration into your very own masterpiece.

You have never seen Jeffrey Dahmer, Robert Berdella or Ted Bundy like this. Who said coloring books were exclusively for children? There are monsters hiding in the darkness, and yet for some reason, our curiosity and fascination can't help but attract us to them - our minds wishing to discover their philosophies and our interest growing as we learn more of them. For many of these murderers, death became more than just a crime: it became an art. An art which they practiced and enjoyed, like the painting of a portrait, or the coloring of a book just like this one. In The Serial Killer Coloring Book we shall provide you with: over 35 of the most famous serial killers brought to you in a way you've never seen them before. High-resolution images which will allow you to fill in the smallest details and achieve the most realistic results. Single-sided pages, with each image given its own page to save you from worrying about the colors bleeding through and damaging your next serial killer's image. Very accurate symbolism to each killer, providing context to their atrocious crimes and creepy stories. The possibility of a fantastic gift for your friends, family and loved ones So, what are you waiting for? Discover this entirely fresh take on coloring books and tackle anxiety and stress in an incredible new way with The Serial Killer Coloring Book

From the eponymous star of one of the most popular reality shows in Fuse 's history, this no-holds-barred memoir and " snappily dictated story of inverted cultural norms in the wards of New Orleans " (East Bay Express) reveals the fascinating truth about a gay, self-proclaimed mama 's boy who exploded onto the formerly underground Bounce music scene and found acceptance, healing, self-expression, and stardom. As the " undisputed ambassador " of the energetic, New Orleans-based Bounce movement, Big Freedia isn 't afraid to twerk, wiggle, and shake her way to self-confidence, and is encouraging her fans to do the same. In her engrossing memoir, Big Freedia tells the inside story of her path to fame, the peaks and valleys of her personal life, and the liberation that Bounce music brings to herself and every one of her fans who is searching for freedom. Big Freedia immediately pulls us into the relationship between her personal life and her career as an artist; being a " twerking sissy " is not just a job, she says, but a salvation. A place to find solace and escape from the battles she faced growing up in the worst neighborhood in New Orleans. To deal with losing loved ones to the violence on the streets, drug overdoses, and jail. To survive hurricane Katrina by living on her roof for two days with three adults and a child. To grapple with the difficulties and celebrate the joys of living. In this eye-opening memoir that bursts with energy, you 'll learn the history of the Bounce movement and meet all the colorful characters that pepper its music scene. " Whether detailing the highs or
