Cool Kids Speak German has been written with primary school aged children in mind by a qualified and experienced foreign languages teacher. This book may however also interest older children as it is filled full of fun worksheets, wonderful word searches and lovely colouring pages. The topics covered in this book include Greetings, Introductions, Numbers, Fruit, Colours, Clothes and Transport. Each topic begins with a page full of images and the German words for the topic. Progression throughout each of the topics has been carefully planned as the activities practice only a few of the new words at any one time, and gradually introduce simple sentence structures. At the back of the book there is a useful German English word list and also the answer section. Learning a new foreign language at an early age can be an enjoyable and useful experience, and this book would be a great way for any child to learn German.

Teach Your Children First Words in English or German A little bird is afraid of heights. The other birds laugh at him and say, "Birds love flying high in the sky. No bird is afraid of heights!" The little bird loves the sky. He tries to fly but can never fly up more than a few feet. He is too afraid. So he watches the other birds fly into the sky and leave him. But then something strange happens... Read how the shy little bird overcomes his fears. Here's what makes this book special: Each line is both in English and German The story is simple and suitable for early age learning Introduces concepts of problem-solving, cooperation, and teamwork. All the illustrations are original, creative, and super fun AND SO MUCH MORE! Kids learn quickly and easily. With bilingual children's books, you set them up for success and expand their horizons from an early age! This dual-language story is specifically designed to teach children new foreign words and phrases as you read to them. The book is also available in other languages. For all kids learning English or German as a second language.

The One-parent-one-language Approach

The Bilingual Brain

Jimmy the little bunny doesn't start off knowing how to ride a two-wheeler bike like his big brothers. In fact, sometimes he gets teased for it. When Dad shows Jimmy how not to be afraid to try something new, that's when the fun begins.

This book looks at how families can support and increase bilingualism through planned strategies. One such strategy is the one person-one language approach, where each parent speaks his or her language. Over a hundred families from around the world were questioned and thirty families were interviewed in-depth about how they pass on their language in bilingual or trilingual families.

Celebrate your Omi (Grandma) with this beautifully illustrated English-German bilingual story book. Based on a traditional Australian children's folktale, I love my Omi is a charming bilingual English-German picture story book that asks the question 'What is it that grandmas love most in the world?' I Love My Dad Ich habe meinen Papa lieb

My First Book of German Words

The Intimate Story of a German-Jewish Family's Flight from the Nazis to Peru

Autobiographies by North American Scholars in the Language Sciences

*English Hungarian bilingual children's book. Perfect for kids studying English or Hungarian as their second language. Little Jimmy doesn't like to brush his teeth. Even when his mother gives him a brand new orange toothbrush, his favorite color, he doesn't use it like he is supposed to. But when strange and magical things start happening to Little Jimmy, he begins to realize how important brushing his teeth can be. I love to brush my teeth is a delightful story full of beautiful illustrations sure to get your little ones attention. If your child is having difficulty learning to brush their teeth then this is the book for you to share together.*

*This sequel to the First Person Singular volumes published in 1980 and 1991, respectively (SiHoLS 21 and 61) presents autobiographical accounts by major North American linguists. This material provides an important primary source for the history and development of the discipline during the 20th century. The volume includes photographs of all contributors and is completed by a full index of biographical names and a detailed index of subjects and languages which turn it into a useful research tool.*

*Family Language Learning is a practical guide designed to support, advise and encourage any parents who are hoping to raise their children bilingually. It is unique in that it focuses on parents who are not native speakers of a foreign language. It gives parents the tools they need to cultivate and nurture their own language skills while giving their children an opportunity to learn another language. The book combines cutting-edge research on language exposure with honest and often humorous stories from personal interviews with families speaking a foreign language at home. By dispelling long-held myths about how language is learned, it provides hope to parents who want to give their children bilingual childhoods, but feel they don't know where to start with learning foreign languages.*

*The Toddler's Handbook introduces 17 basic concepts in English and Italian. Included are numbers, colors, shapes, sizes, ABCs, animals, opposites, sounds, actions, sports, food, tableware, clothes, engines, emotions, body, and time. This book develops early language skills using 171 words that every kid should know. Vibrant colors and images are designed to attract the attention of babies and toddlers. This book will help children learn a variety of important concepts in English and Italian.*

The Future of Education is in Two Languages

'Fascinating. . . This engaging book explores just how multiple languages are acquired and sorted out by the brain. . . Costa's work derives from a great fund of knowledge, considerable curiosity and solidly scientific spirit' Philip Hensher Spectator The definitive study of bilingualism and the human brain from a leading neuropsychologist Over half of the world's population is bilingual and yet few of us understand how this extraordinary, complex ability really works. How do two languages co-exist in the same brain? What are the advantages and challenges of being bilingual? How do we learn - and forget - a language? In the first study of its kind, leading expert Albert Costa shares twenty years of experience to explore the science of language. Looking at studies and examples from Canada to France to South Korea, The Bilingual Brain investigates the significant impact of bilingualism on daily life from infancy to old age. It reveals, among other things, how babies differentiate between two languages just hours after birth, how accent affects the way in which we perceive others and even why bilinguals are better at conflict resolution. Drawing on cutting-edge neuro-linguistic research from his own laboratory in Barcelona as well from centres across the world, and his own bilingual family, Costa offers an absorbing examination of the intricacies and impact of an extraordinary skill. Highly engaging and hugely informative, The Bilingual Brain leaves us all with a sense of wonder at how language works. Translated by John W. Schwieter

From Guten Morgen (good morning) to Gute Nacht (good night), more than 60 pages of kid-friendly illustrations introduce German words and phrases. English and German terms, with pronunciation guides, accompany pictures of animals, numbers, family members, clothing, and other words plus simple expressions such as "I'm lost," "What's for dinner?," and the very important question, "Could you speak more slowly?"

This book is perfect for kids learning English or German as their second language. Includes 4 pages for coloring. Are you looking for your little dog named Bobby? Little dogs like to play, right? But sometimes, they disappear, what a shame! The search for Bobby the little dog is a delightful read-aloud. Let's search for him! Why did he leave without his bone? Did he go to the dentist because he could not chew his bone anymore? Is he in the park chasing ducks? Where did he go? Kids will learn different places, objects, simple questions and answers, but mostly they will be more than happy when the little dog is discovered at the end. Where? Well, just read... Kids learn well through repetition, and simple language. Each line is translated into German directly below for easy comprehension. The colors and large text in this collection make learning easy and fun. The text is simple and partly repetitive, suitable for early age learning. This dual-language bedtime story is part of the series „Where is...?" which is specifically designed to teach children new foreign words and phrases as you read to them. The book is also available in other languages. A Quick Good Night And Funny Bedtime Story. This story will capture children's interest and imagination and shall inspire a lifelong love of literature and reading. Now available: THREE more books in the series. Make sure to check them out!

A little boy's father seems so large to him that he needs a ladder to cuddle him and birds nest in his father's hair.

Sie ist bekannt für ihre Bücher für Kinder wie Lillys Überraschung - Shhh Jojo's Entdeckungsreise Jojo's Weihnachtsfest Mein Papa ist der Beste! um nur einige zu nennen.

This version of the novel has been accommodated for learners of German. We have aligned the original English version of the story side-by-side with the official German translation, "Der Weihnachtsabend" by Julius Seybt. The German part is printed on the left page, and the English part on the right page. The parallel text version will save you from reaching for the dictionary to locate the meaning of a word. As a result, you'll have a smoother reading experience. A Christmas Carol was first published in London by Chapman & Hall in 1843. It has become a Christmas classic and has been continuously in print since its first release, as well as being made into numerous plays and movies. It tells the story of Ebenezer Scrooge, an elderly miser who is visited by the ghost of his former business partner Jacob Marley and the spirits of Christmas Past, Present and Yet to Come. After their visits, Scrooge is transformed into a kinder, gentler man. It explores themes about the treatment of the poor and the ability of people to reform themselves. It is worth reading every Christmas.

Have you ever been told that raising your child to speak multiple languages will harm their development? Are teachers or other professionals suspicious of your efforts? Are you sometimes unsure if you are helping your child's language development, or are you uncertain where to start? It is increasingly recognised among researchers that, far from harming a child's development, being exposed to multiple languages from birth or early childhood can result in linguistic, creative and social advantages. The authors, all multilinguals themselves, parents of multilingual children, and researchers on language and multilingualism, aim to provide advice and inspiration for multilingual families across the world. The latest research on multilingualism and the authors' own experiences are used to provide a friendly, accessible guide to raising and nurturing happy multilingual children.

Everybody loves their Mom, no matter what their age. In this bedtime story, the little bunny Jimmy and his older brothers try to find a perfect present for Mom's birthday. They want to show how much they love her. What creative solution did they find to express their feelings? You will find out in this illustrated children's book. This children's book is part of a collection of short bedtime stories. This story may be ideal for reading to your kids at bedtime and enjoyable for the whole family as well!

The Toddler's Handbook introduces 17 basic concepts. Included are numbers, colors, shapes, sizes, ABCs, animals, opposites, sounds, actions, sports, food, tableware, clothes, engines, emotions, body, and time. This book develops early language skills using 174 words that every kid should know. Vibrant colors and images are designed to attract the attention of babies and toddlers. This book will help children learn a variety of important concepts before preschool.

How can Americans make our country stronger, kinder, smarter? By marshaling our enviable can-do ethic and learning another language. We can do it, no matter what our age: author Steve Leveen chose Spanish as his adopted language in midlife. America's Bilingual Century is filled with tips for learning a language, some mechanical--like changing your phone and laptop settings to your adopted language--and some philosophical. For instance, start by having a place in your life where you'll use the language, Steve says. The "where" makes the "how" more attainable. And recognize that, as with any adoption, you do it for love, and for life--so don't fret when you're not fluent in five months. If you have kids, start them young. You'll be glad you did when you read about the explosive growth of dual language schools across the country and the significant, measurable advantages they give our young people. Steve also takes us to the top summer language immersion camps, for both children and adults. And he shares his findings from leading language scholars, teachers, sociolinguists, app creators, and bilinguals of all stripes that he discovered during his dozen years of research. Then he topples 12 myths about Americans and languages that no longer hold in this century. Like thinking the whole world speaks English (it doesn't), that being monolingual is natural (it isn't), and that Americans suck at language (quite the opposite, as he demonstrates). Here and now in the 21st century, America is embracing its many ethnic and cultural heritages. How natural, then, that we enfold the many languages that these heritages thrive on as part of that quintessentially American pursuit of happiness. If you've never thought of bilingualism as being a patriotic act, America's Bilingual Century may persuade you otherwise. Knowing a second language changes the way we perceive the world, and the way the world perceives us. "English is what unites us," Steve says. "Our other languages are what define and strengthen us." And even if becoming bilingual

leans more toward aspiration than arrival, that's okay. The journey is as rewarding as the destination. Jimmy, the little bunny, is very upset and nervous. Tomorrow is his first day in daycare, but he just wants to stay at home with his mom. Join Jimmy to find out how his friendly teddy bear helps him to feel excited. Finally, he discovers how much fun daycare really is! This children's book may help your little ones overcome their worries of leaving their parents for the first time, while helping them to adjust to new changes.

Bilingual Edition English-Igbo "Am I small?" - Tamia is not sure and keeps asking various animals that she meets on her journey. Eventually she finds the surprising answer... Reviews "This is baby's favorite book!" -Amazon Customer Review from the United States "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures."-Kirkus Reviews "This has been my daughter's favourite book since she was 4 months old. The sentences are nice and short so she doesn't lose interest in the pictures while I'm reading each page." -Amazon Customer Review from the UK "Muito legal esse livro. Singelo, divertido e relacionado ao universo da criança. Bom pra desenvolver o vocabulário. As ilustrações são lindas. Meu filho adorou." -Amazon Customer Review from Brazil "You are small or big depending on with what you relate to. A simple cute book which exactly portrays this message." -Amazon Customer Review from India "Muy buen libro infantil. Dinámico, orgánico, perfecto para aprender en romaji. De fácil lectura y con una protagonista realmente encantadora" -Amazon Customer Review from Mexico "Beautifully illustrated and cleverly written." -Amazon Customer Review from Australia "We are in love with this book!"-Amazon Customer Review from the United States "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review from the United States "Whenever I have time to read to her, she wants this book. And she repeats words. That's insanely cute." -Amazon Customer Review from Canada "Mia figlia di due anni e mezzo è entusiasta dei disegni bellissimi e dei colori. Apprezza anche le vicende di una bimba nè grande nè piccola ma giusta così." -Amazon Customer Review from Italy "My three year olds love it and the story's concept will grow with them for several years to come making it a keeper." -Amazon Customer Review from the U.S. "A nuestra hija le ha encantado. [...] Estamos muy satisfechos con la compra." -Amazon Customer Review from Spain "I got this book to read with my granddaughters, one from the US and one from Portugal. It is so incredibly cute! They loved it, and I did too. I highly recommend this book!" -Amazon Customer Review from the U.S. "Ce petit livre est tout ce que j'aime !!! Le graphisme, les couleurs, tout y est magnifiquement soigné, poétique et charmant !!! [...] Une merveille de beauté et de magie à ne pas louper !!!" -Amazon Customer Review from France "My little boy loves this as a bedtime story. It's colourful and quirky. [...] I thought it would be uninteresting to a child, to be read to in another language, but he asks for 'Bin ich klein' and it melts my heart!" -Amazon Customer Review from the United Kingdom "readers will emerge from this book feeling slightly more confident about themselves-whatever their size."-ForeWord Clarion Reviews "This is done with simplicity at its finest. The art is whimsical, the message is clear and most of all my grandson loves it. I would recommend this book to any child provider as part of their reading library." -Amazon Customer Review from the U.S. Languages Available for every country in at least one official language. Please note: This book is a bilingual picture book with a 1:1 translation created by human translators (see translator's credits for details).

"[A] captivating life account of an extended German-Jewish family that survived the Holocaust thanks to the determined efforts by one of its members" (Leo Spitzer, author of *Hotel Bolivia*). Walter's Welcome is the story of Walter Neisser and the more than fifty members of his family he helped to escape Nazi Germany. The story is told through the letters of the Neisser family, which have been meticulously translated and arranged by Walter's niece, Eva, who also provides moving historical contextualization and commentary. After fleeing Germany, the Neissers resettled in Peru. However, their flight was neither easy nor seamless. Walter worked tirelessly to provide the resources and guidance necessary for the many members of the family to escape, but communications to Europe were frazzled and travel off the continent became increasingly impossible with each passing day, requiring extraordinary will and coordination to contact the correct officials and receive the necessary documentation. The family's letters reveal the toll these efforts put on them and the challenges of waiting and surviving in a foreign land as they tried to hold together. The story of Jewish escapees to Latin America has only recently begun to be widely explored. This memoir-in-letters explores the difficulties of daily life in this little explored context, as the Neisser family and many other escaped Jews adjusted to a new home and tried to build a new life in the shadow of the many horrific things happening back in the land they'd left behind. "A fascinating and little-known account . . . I am still digesting the book's riches—and sharing it with others." —Walter Laqueur, historian and bestselling author of *Putinism: Russia and Its Future with the West*

I Love My Omi

This book introduces a framework for examining bilingual identity and presents the cases of seven individual children from a study of young students' bilingual identities in an Australian primary school. The new Bilingual Identity Negotiation Framework brings together three elements that influence bilingual identity development – sociocultural connection, investment and interaction. The cases comprise individual stories about seven young, bilingual students and are complemented by some more general investigations of bilingual identity from a whole class of students at the school. The framework is explained and supported using the students' stories and offers readers a new concept for examining and thinking about bilingual identity. This book builds upon past and current theories of identity and bilingualism and expands on these to identify three interlinking elements within bilingual identity. The book highlights the need for greater dialogue between different sectors of research and education relating to languages and bilingualism. It adds to the increasing call for collaborative work from the different fields interested in language learning and teaching such as TESOL, bilingualism, and language education. Through the development of the framework and the students' stories in this study, this book shows how multilingual children in one school in Australia developed their identities in association with their home and school languages. This provides readers with a model for examining bilingual identity in their own contexts, or a theoretical construct to consider in their thinking on bilingualism, language and identity.

The book consists of Elementary and Pre-intermediate courses with parallel German-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author managed to compose each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only about 30 new words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

Islamic Folklore Tales of Abu Hurairah The Father of Small Cats Bilingual Edition In English and Germany Language Standar Version. One day, his yearning to meet Allah intensified. While his visitors were invoking Allah to cure him of his disease, he was imploring Allah saying, "O

Allah, I love to meet You, so love to meet me." In AH 59, he died at the age of 78. His calm body was buried in a blessed place among the reverent inhabitants of Al-Baqii. Returning from his funeral, the people kept reciting many of the traditions that he had taught them about the noble Messenger. One of the recent Muslims asked his friends, "Why was our deceased sheikh called Abu Hurairah?" His knowing friend answered, "In the preislamic time his name was `Abd Shams. When he embraced Islam, the Messenger called him `Abd Ar-Rahman. He used to be sympathetic towards animals. He had a cat that he used to feed, carry, clean, and shelter, and it used to accompany him as if it were his shadow. Thus, he was called Abu Hurairah, which means father of the small cats. May Allah be pleased with him."

The Spanish-speaking island of Puerto Rico (also known as Borinquen) has had a complex linguistic landscape since 1898, due to the United States' colonial imposition of English as the language of administration and education. Even after 1948, when Puerto Rico was finally permitted to hold its own gubernatorial elections and determine its own language policies, controversy regarding how best to achieve bilingualism continued. Despite many studies of the language dynamic of the island, the voices of the people who actually live there have been muted. This volume opens with a basic introduction to bilingualism, with special reference to Puerto Rico. It then showcases twenty-five engaging personal histories written by Puerto Rican language professionals which reveal how they became bilingual, the obstacles faced, the benefits accrued, and the linguistic and cultural

future they envision for themselves and their children. The closing chapter analyzes the commonalities of their richly detailed stories as well as the variability of their bilingual life experiences in order to inform a more nuanced language policy for Puerto Rico. The linguistic autobiographies will resonate with bilinguals of all kinds in Puerto Rico and the Caribbean, as well as those in other countries. The main message that emerges from the book is that there are many routes to multilingualism, and one-size-fits-all language policies are doomed to miss their mark.
