

Black Love Signs

Black Love SignsAn Astrological Guide To Passion Romance And Relataionships For African AmeriSimon and Schuster

Signs and Cities is the first book to consider what it means to speak of a postmodern moment in African-American literature. Dubey argues that for African-American studies, postmodernity best names a period, beginning in the early 1970s, marked by acute disenchantment with the promises of urban modernity and of print literacy. Dubey shows how black novelists from the last three decades have reconsidered the modern urban legacy and thus articulated a distinctly African-American strain of postmodernism. She argues that novelists such as Octavia Butler, Samuel Delany, Toni Morrison, Gloria Naylor, Ishmael Reed, Sapphire, and John Edgar Wideman probe the disillusionment of urban modernity through repeated recourse to tropes of the book and scenes of reading and writing. Ultimately, she demonstrates that these writers view the book with profound ambivalence, construing it as an urban medium that cannot recapture the face-to-face communities assumed by oral and folk forms of expression.

Explore whether romance is in the stars with the original New York Times bestselling book from the world's most respected astrological authority.

The Secret to Love that Lasts

The New York Times–bestselling author’s classic guide to astrology: “What makes Sun Signs different is that much of the writing is done with humor” (The Boston Globe). Before 1968, astrology as we know it had a very limited following in the United States and around the world. The publication of Linda Goodman’s Sun Signs changed that forever. Newspapers began running astrology columns, and soon, an increasing number of people knew their sign (as well as yours) and began to study astrological tendencies. Linda Goodman’s Sun Signs quickly established itself as the worldwide introductory bible to astrology for beginner and expert alike. The book’s simple organizational technique made it easy for everyone to follow and understand themselves and others, sign-by-sign. This updated edition of the groundbreaking classic is an enjoyable way to discover the world of astrology today.

A new series of sign-by-sign guides from contemporary astrologers. Astrology is a vital tool for understanding our place in the world and the universal forces that move us. A cosmic calling rather than a fated destiny, our astrological sign is a key to uncovering our mission here on earth. Learn about how your sign grows from child to adult, fits in at school and at work, and functions best as a friend, lover, parent, and more. In these practical and empowering guides to the zodiac signs, contemporary astrologers teach you to use this dynamic language to better understand yourself and the people around you.

Dr. Gibson demonstrates the use of new astrological techniques for diagnosinmental illness. Charts & graphs.

In The 5 Love Languages, you will discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman s proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

Astrology for African-Americans

The 5 Love Languages

Eloquent Rage

Something terrible is happening in and around Point Breeze, a small town on the Northern California coast. The wildlife is getting sick. Chicks are born with severe birth defects and are often dying. The environment seems to be poisoned and deteriorating...and it's getting worse every day. In order to help, an East Coast marine biologist moves to town and brings her two teenage sons, Charlie and Sam. Adventurous boys who love to explore, they soon discover a trapped animal at Black Rock Cove. It is a type of animal they have never seen before-but the most shocking discovery comes when Sam realizes he can communicate with it! A visit to the veterinary hospital introduces the boys to Dayna, the veterinarian's daughter, and the three teenagers join new animal friends on a dangerous investigation into the mysteries behind the community's dying habitat. An exciting journey that leads the trio down a winding trail of clues, The Mystery of Black Rock Cove is much more than a suspenseful thriller about a small town. It also uncovers an amazing truth about the interconnectedness between all living things.

An astrological guide to love relations is tailored to the experience, interests, and culture of the African American

You've done it before. Saw something wrong with him--whether it was suspect grooming habits or ridiculously childish behavior--but let it slide. It's not that big of a deal. Except it totally was. You wanted to fall in love, but ended up going insane. You swore you'd never do it again. But did. Don't beat yourself up. In the search for love, we've all either blatantly ignored or completely missed red flags. Instead, smarten up. It's time to figure out what you missed and learn how to avoid similar flagtastic fiascos in the future. If you raise your red flag awareness now, you'll be able to greenlight a real relationship down the road.

Whether coveted as a roadmap to the mysteries of the soul or used as a fun-filled guide for achieving love, success, and fortune, the ancient art of astrology has intrigued and entertained millions of African Americans. The very first astrology book written by African Americans for Afrfrican Americans, Soul Vibrations will bring you Closer to yourself and to African-American history and culture. Inside you will find the keys to:
• Searching for a soul mate
• Identifying with the astrological qualities that made Oprah Winfrey, Rosa Parks, Bill Cosby, and hundreds of other African Americans so successful
• Finding the most compatible partner
• Understanding why your relationships with certain people work-and don't work
• and more...Soul Vibrations is a fun-filled guide to the zodiac that explains, in detail, the legacy and characteristics of each sign. Providing essential wisdom about love and compatibility, Soul Vibrations is spiced with AfricanAmerican folk and street lore and a cavalcade of eminent personalities. From Nat Turner to Tina Turner and Michael Jordan to Janet Jackson, here are the fascinating stories of African Americans, their achievements, and the sun sign traits that give terrific insights into their lives -- and yours. Witty and Wise, Soul Vibrations reveals the age-old relationship among the stars, the African-American experience, and you.

An African-American Guide to the Zodiac

Linda Goodman's Sun Signs

The road to love has never been a smooth one. From Adam and Eve's problem with produce, to Samson and Delilah's unplanned makeover couples have struggled to find and keep a healthy relationship. Most will agree that the secret to a happy healthy relationship is honest communication and common interest, mixed with a sense of humor and a liberal dash of understanding. But what do you do when things are already on a rocky path? How to you preserve your relationship? Or even rekindle the dying flames of love? This book will teach you the tools you need to have a happy healthy committed relationship that will let you get the most out of life. Rekindle your love will not only teach you the secrets to reclaiming lost love but it will help you to keep the relationship you have healthy and moving in a positive direction. This book will help you to achieve the kind of romance you have been dreaming of!

With more scandals than the election, Gucci Red is back and she's on one. Ready to put the past behind her, she settles into the cushy life of a kept woman. However, it isn't her past that's the problem this time. Everything that Spade wanted kept hidden slowly creeps out, threatening his life and his love. The deceit from North Carolina floods into Louisville, drowning everybody in its wake. Being abandoned didn't sit too well with Teddy, but he's willing to bide his time until revenge starts calling his name. After losing her brother and almost losing her son's father, Rashika is on the path to get her life together for the better, but time waits for no one. Find out what fate has in store for everybody lurking on the streets of Louisville.

This book is a practical guide to using the science of attachment and relationships to find the right life partner. If you were brought up in the Western world, you've been trained on fairy tales of love and relationships that are misleading at best, and at worst have you making mistake after mistake in starting relationships with the wrong kinds of people who will waste your time and keep you from finding a loyal partner. Science has the answer! Or at least a guide to save you the time and effort of discovering for yourself how many wrong types of romantic partners there are. Reading this book will help you recognize the signs of some of the syndromes that prevent people from being good partners. We'll go through those syndromes and point out some of the signs. Those little red flags you sometimes notice when you are getting to know someone? Often they speak loud and clear once you understand the types, and you can decide immediately to run away or approach with caution those who show them. If you're young and just starting to look for a partner, good news-the world is swarming with well-adjusted, charming matches for you, if you know how to recognize them. The bad news: you are inexperienced and you may not recognize the right type of person when you date them. Many people expect to experience an immediate sense of excitement, an overwhelming rush of attraction, and to fall in love rapidly and equally with someone who feels the same. This rarely happens, and when it does it usually ends badly! And expecting it will cause you to let go of people who are steady, loving, and attentive, if you had given them a chance. So once you've identified someone who makes you laugh, answers your messages, and is there for you when you want them, don't make the mistake of tossing them aside for the merely good-looking, sexy, or intriguing stranger. If you're older, bad news: while you were spending time and effort on relationships you were hoping would turn out better, or even happily nestled in a good relationship or two, most of the secure, reliable, sane people in your age group got paired off. They're married or happily enfamilied, and most of the people your age in the dating pool are tragically unable to form a good long-term relationship. You should always ask yourself, "why is this one still available?"-there may be a good answer (recently widowed or left a long-term relationship), or it may be that this person has just been extraordinarily unlucky in having over twenty short relationships in twenty years (to cite one case!) But it's far more likely you have met someone with a problematic attachment style. As you age past 40, the percentage of the dating pool that is able to form a secure, stable relationship drops to less than 30% [1]; and since it can take months of dating to understand why Mr. or Ms. SeemsNice is really the future ex-partner from Hell, being able to recognize the difficult types will help you recognize them faster and move on to the next. This book outlines the basics (which might be all you need), and points you toward more resources if you want to understand more about your problem partner. If you're wondering if the guy or girl you've been hanging out with might not be quite right, this is the place to match those little red flags you've noticed with known bad types. And by getting out fast, you can avoid emotional damage and wasted time, and get going on finding someone who's really right for you. Study all of the bad types and you'll detect them before even getting involved. Or you could be one of the few people who recognizes their own problems in one of these types. There are study materials and plans of action for you, too. If you've had lots of relationships and they all seem to go wrong, the common factor is you! Your task is to make yourself into a better partner - a goal that even the most evolved of us can always work toward.

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

An American Marriage

The Love Songs of W.E.B. Du Bois

The New York Times bestseller that helps you explore whether romance is in the stars. Linda Goodman ’ s Love Signs addresses the question asked by everyone familiar with astrology: How do I relate to someone of another sign? Each sign is “ related ” to the twelve signs of the zodiac in a different and unique way. Each section addresses the differences for a male and a female with the same sign matches. This is an updated edition of Linda Goodman ’ s lively bestseller, which has introduced millions to the concept of astrological compatibility. “ What seems to set Goodman ’ s books apart from other stargazing guides is their knowledgeable approach and comprehensive reach. ” —Newsweek

Every so called. Black man, woman, child wants to believe that slavery is over.The reason being for this belief is because times have changed.But thats not true, times may have change, and the institution of slavery has changed with it, in how its introduced. Slavery has taken on a new form, and its through words, words that would imprison our minds

THE INSTANT NEW YORK TIMES BESTSELLER! OPRAH ’ S BOOK CLUB 2018 SELECTION “ One of my favorite parts of summer is deciding what to read when things slow down just a bit, whether it ’ s on a vacation with family or just a quiet afternoon . . . An American Marriage by Tayari Jones is a moving portrayal of the effects of a wrongful conviction on a young African-American couple. ” —Barack Obama “ Haunting . . . Beautifully written. ” —The New York Times Book Review “ Brilliant and heartbreaking . . . Unforgettable. ” —USA Today “ A tense and timely love story . . . Packed with brave questions about race and class. ” —People “ Compelling. ” —The Washington Post “ Epic . . . Transcendent . . . Triumphant. ” —Elle Newlyweds Celestial and Roy are the embodiment of both the American Dream and the New South. He is a young executive, and she is an artist on the brink of an exciting career. But as they settle into the routine of their life together, they are ripped apart by circumstances neither could have imagined. Roy is arrested and sentenced to twelve years for a crime Celestial knows he didn ’ t commit. Though fiercely independent, Celestial finds herself bereft and unmoored, taking comfort in Andre, her childhood friend, and best man at their wedding. As Roy ’ s time in prison passes, she is unable to hold on to the love that has been her center. After five years, Roy ’ s conviction is suddenly overturned, and he returns to Atlanta ready to resume their life together. This stirring love story is a profoundly insightful look into the hearts and minds of three people who are at once bound and separated by forces beyond their control. An American Marriage is a masterpiece of storytelling, an intimate look deep into the souls of people who must reckon with the past while moving forward—with hope and pain—into the future.

An African-American perspective on astrology is tailored to the experience, interests, and culture of the African-American community, offering profiles of each sign as well as lighthearted advice on an array of subjects. Original. 25,000 first printing.

In the perfect follow up to Black Sun Signs, Thelma Balfour presents a light-hearted and illuminating look at relationships, love and sex under the stars with real life facts and insights gathered from her revealing survey of black Americans.

Provides women with insights into themselves and their sexual and social relationships and gives advice on the constructive use of anger and personal power

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’ (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he called “Double Consciousness,” a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl Garfield has understood Du Bois’s words all too well. Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois’s Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicasetta, where her mother’s family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that’s made all the more difficult by a hovering trauma, as well as the whispers of women—her mother, Belle, her sister, Lydia, and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family’s past, uncovering the shocking tales of generations of ancestors—Indigenous, Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story—and the song—of America itself.

An Emma Watson "Our Shared Shelf" Selection for November/December 2018 • NAMED A BEST BOOK OF 2018 BY: The New York Public Library • Mashable • The Atlantic • Bustle • The Root • NPR • Fast Company ("10 Best Books for Battling Your Sexist Workplace") Rebecca Solnit, The New Republic: "Funny, wrenching, pithy, and pointed." Roxane Gay: "I encourage you to check out Eloquent Rage out now." Joy Reid, Cosmopolitan: "A dissertation on black women’s pain and possibility." America Ferrara: "Razor sharp and hilarious. There is so much about her analysis that I relate to and grapple with on a daily basis as a Latina feminist." Damon Young: "Like watching the world’s best Baptist preacher but with sermons about intersectionality and Beyoncé instead of Ecclesiastes." Melissa Harris Perry: "I was waiting for an author who wouldn’t forget, ignore, or erase us black girls...I was waiting and she has come in Brittney Cooper." Michael Eric Dyson: “Cooper may be the boldest young feminist writing today...and she will make you laugh out loud.” So what if it’s true that Black women are mad as hell? They have the right to be. In the Black feminist tradition of Audre Lorde, Brittney Cooper reminds us that anger is a powerful source of energy that can give us the strength to keep on fighting. Far too often, Black women’s anger has been caricatured into an ugly and destructive force that threatens the civility and social fabric of American democracy. But Cooper shows us that there is more to the story than that. Black women’s eloquent rage is what makes Serena Williams such a powerful tennis player. It’s what makes Beyoncé’s girl power anthems resonate so hard. It’s what makes Michelle Obama an icon. Eloquent rage keeps us all honest and accountable. It reminds women that they don’t have to settle for less. When Cooper learned of her grandmother’s eloquent rage about love, sex, and marriage in an epic and hilarious front-porch confrontation, her life was changed. And it took another intervention, this time staged by one of her homegirls, to turn Brittney into the fierce feminist she is today. In Brittney Cooper’s world, neither mean girls nor fuckboys ever win. But homegirls emerge as heroes. This book argues that ultimately feminism, friendship, and faith in one’s own superpowers are all we really need to turn things right side up again. A BEST/MOST ANTICIPATED BOOK OF 2018 BY: Glamour • Chicago Reader • Bustle • Autostraddle

Shattered Perceptions

Crimes, Terror, Repression
Roses and Black Glass
Signs
I Am Not My Hair
The Little Black Book of Design

Cinderella - The story is always the same: a girl - hated and abused by her step-family - meets her prince at a ball. There is involvement with a glass shoe, a bit of magic, and in the end, they all live happily ever after. You've heard it before - but you've never heard it like this: In early America, at a time when dealings with dead bodies is considered taboo, Cindy's father is a mortician. She, for one, is fascinated by the controversial work, until her mother dies and her father marries Anna van Burren, who brings two new sisters into the family. Cindy's misery only grows from there. Following her father's untimely death, Cindy's life spirals into darkness as she is forced to become a servant in her own home, to wait on her hated siblings and stepmother. She has become so sequestered that she can't even let the one man she continues to think about know that she is alive. She met him once in the mortuary years ago - a handsome, curious boy who had been a surprise to her - until she'd discovered who he was. Now a man, Christian is a perfect specimen, and also the object of her step-sisters' affections. According to a stipulation of his inheritance, he must marry before age twenty-one. That day is fast approaching. Any hope Cindy had of seeing him again - or of salvaging anything that should have been left of her life - seems lost. Cindy's world is filled with misfortune. She believes she must be cursed. It takes the appearance of a strange woman who brings a wicked prophecy before Cindy can see how blessed she could become - and to see what sacrifices were made to give her hope once again.

"Laura Lynne Jackson is a psychic medium and the author of the New York Times bestseller The Light Between Us. She possesses an incredible gift--the ability to communicate with loved ones who have passed, convey messages of love and healing, and impart a greater understanding of our interconnectedness. Though her abilities are exceptional, they are not unique, and that is the message at the core of this book. Understanding "the secret language of the universe" is a gift available to all. As we learn to ask for and recognize signs from the other side, we will start to find meaning where before there was only confusion, we will see light in the darkness. We may decide to change paths, push toward love, pursue joy, and engage with life in a whole new way. In Signs, Jackson is able to bring the mystical into the everyday. She relates stories of people who have experienced these uncanny revelations and instances of unexplained synchronicity, as well as those drawn from her own experience. There's the producer whose lost child appears to her as a deer that approaches her unhesitatingly at a highway rest stop; the name tag of an ER nurse that lets a terrified wife know that her husband will be okay; the Elvis Presley song that arrives at the exact time of her own father's passing; and many others. This is a book that is both inspiring and practical, deeply comforting and wonderfully motivational in asking us to see beyond ourselves to a more magnificent universal design"--

An individualized, detailed astrological analysis of compatibility, based on each person's birthchart, includes instructions on how to create astrological charts using your birthdate and birthtime. Reprint. Across the realms of multimedia production, information design, web development, and usability, certain truisms are apparent. Like an Art of War for design, this slim volume contains guidance, inspiration, and reassurance for all those who labor with the user in mind. If you work on the web, in print, or in film or video, this book can help. If you know someone working on the creative arena, this makes a great gift. Funny, too.

Black Pearls - Book of Love
Linda Goodman's Love Signs
A Memoir of Race, Religion, and Romance
Zodiac Signs: Aquarius
A Louisville Love Story

A dual portrait of the half-Jewish Secretary of Defense author and his African-American businesswoman wife recounts their experiences with racial and religious intolerance throughout the mid-twentieth century, in a personal account that urges readers to judge people in accordance with their characters and merit. 75,000 first printing.

"Soon to be a major motion picture"--Cover.

Collects and analyzes seventy years of communist crimes that offer details on Kim Sung's Korea, Vietnam under "Uncle Ho," and Cuba under Castro.

This book shows how to use agreement to transform the biggest areas of marital conflict into closeness, cooperation, and mutually desirable outcomes. Licensed psychologist, marriage, and relationship coach Jack Ito PhD illustrates with clear, easy to follow examples, how to communicate about the biggest problems that couples face. These are the same techniques his coaching clients use to stop divorces, end affairs, deal with addicted spouses, solve problems, end blaming, improve dating, handle money issues, parent cooperatively, get out of debt, and more. This book is unique in offering communication training to couples when one spouse (or significant other) is not ready or willing to work on the relationship.

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests
Black Boychik
The Black Book of Communism

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning **The Daily Show with Jon Stewart**, as told by its correspondents, writers, and host. For almost seventeen years, **The Daily Show with Jon Stewart** brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of **The Daily Show's** most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, **The Daily Show** has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Envious of her best friends lavish lifestyle, a young woman wonders how different her life would be if she had an opportunity to change her past.

Why It's So Hard for White People to Talk About Racism
