Stylish and durable matte cover. Size: 8x10 inches / 20.3 x 25.4 cm, Close to A4 size. It makes an excellent gift for any music lover or songwriter. Sheet music is read from left to right. The reasoning behind this is that music began as an exercise most focused on the progression of notes in a scale or mode in a horizontal fashion. Music is made up of a variety of symbols, the most basic of which are the staff, the clefs, and the notes. The staff consists of five lines

and four spaces. Each of those lines and each of those spaces represents a different letter, which in turn represents a note.

Those lines and spaces represent notes named A-G, and the note sequence moves alphabetically up the staff. Children are elementary to learn well. Music is one of the modules for learning. And the piano is one of the musical instruments that can hone your mind. If you are given a choice whether or not your father or piano, what's your preference? This blank music staff paper
