“If I could, I would put this book into the hands of every Christian in America.”

—Dr. David Jeremiah “Be strong and courageous. Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go” (Joshua 1:9). Each day, you watch America turn further from Christian values and the core principles of liberty. It’s frustrating to feel you can’t assert biblical truth without facing condemnation, and fearful to witness outrage and victimhood replace respect and reason. Amidst this dissent, how can you not only stay rooted in your own faith, but continue publicly testifying for Jesus? In We Will Not Be Silenced, Dr. Erwin W. Lutzer prepares you to live out your convictions against a growing tide of

hostility. Gain a better understanding of nonbelievers' legitimate hurts and concerns regarding issues like racism, sexism, and poverty—and identify the toxic responses secular culture disguises as solutions. In the process, you'll see how you can show compassion and gentleness to those outside of the faith without affirming their beliefs. We Will Not Be Silenced will ready you to move beyond fear and boldly accept the challenge of representing Christ to a watching world that needs Him now more than ever before.

Miles McPherson, founder of The Rock Church in San Diego, presents “a discussion about race that we desperately need...a must read” (Bishop T.D. Jakes, Senior Pastor, The Potter's House) and argues that we must learn to see people not by the color of their skin, but as God sees them—humans created in the image of

God. Pastor Miles McPherson, senior pastor of The Rock Church in San Diego, addresses racial division, a topic many have shied away from, for fear of asking the wrong question or saying the wrong thing. Some are oblivious to the impact racism has, while others pretend it doesn't exist. Even the church has been affected by racial division, with Sunday now being the most segregated day of each week. Christians, who are called to love and honor their neighbors, have fallen into culture's trap by siding with one group against another: us vs. them. Cops vs. protestors. Blacks vs. whites. Racists vs. the "woke." The lure of choosing one option over another threatens God's plan for unity among His people. Instead of going along with the culture, Pastor Miles directs us to choose the Third Option: honoring the priceless value of God's image in every person we

meet. He exposes common misconceptions that keep people from engaging with those of different racial and ethnic backgrounds, and identifies the privileges and pitfalls that we all face. The Third Option challenges us to fully embrace God's creativity and beauty, as expressed in the diversity of His people. By following the steps and praying the prayers outlined in his book, Pastor Miles teaches us how we can all become leaders in unifying our communities, our churches, and the nation.

The Primal Vision is widely regarded as one of the most important books ever published on the subject of African Christianity. In a sympathetic and warmly empathetic style, John Taylor tells of his encounters with many different African people, and reflects theologically on the conversations he has shared with men, women and children in a wide variety of

circumstances. By suggesting that the missionary should listen and learn from indigenous culture, and appreciate his status as a guest, the book points towards a revisionist understanding of Christian mission. John V. Taylor was Bishop of Winchester from 1975-85 and General Secretary of the Church Missionary Society from 1963 to 74. He died in 2001. Change doesn't happen overnight for the Christian. Growth is a lifelong journey. In the How People Change Facilitator's Guide, Paul Tripp and Tim Lane help group leaders guide participants in understanding the underlying motivations for their actions, giving them specific, practical help in changing long-standing patterns of behavior in order to grow in love for God and others. Each of the twelve lessons includes directions on how to guide a small group through the study guide, extra content, homework

Designed to be used along with the How People Change Study Guide and video seminar, this small group study can be used in church-wide training, small group, Sunday school, youth group, or one-on-one discipleship settings.

others, so talking about justice that isn't social is like talking about water that isn't wet or a square with no right angles. But the Bible's call to seek justice is not a call to superficial, kneejerk activism. We are not merely commanded to execute justice, but to "truly execute justice." The God who commands us to seek justice is the same God who commands us to "test everything" and "hold fast to what is good." Drawing from a diverse range of theologians, sociologists, artists, and activists, *Confronting Injustice without Compromising Truth*, by Thaddeus Williams, makes the case that we must be discerning if we are to "truly execute justice" as Scripture commands. Not everything called "social justice" today is compatible with a biblical vision of a better world. The Bible offers hopeful and distinctive answers to deep questions of worship, community, salvation, and

He presents a compelling vision of justice for all God's image-bearers that offers hopeful

answers to life's biggest questions. The 2020 murder of George Floyd ignited a racial firestorm throughout America, provoking lament and grief over a long history of tragedy. The widespread protests gave way to a heated discussion about terms such as systemic racism, white privilege, and Critical Race Theory, all framed by the slogan “black lives matter.” The beginnings of a helpful dialogue on diversity became a heated battle, one that quickly spread to the church. Drawing on forty years of ministry experience, Tony Evans writes with a fearless and prophetic voice, probing to the heart of the issue and pointing to God’s Word as the solution. Kingdom Race Theology helps people and churches commit to restitution, reconciliation, and responsibility. His penetrating and practical ideas will help pastors and church leaders sort through the conflicting theories, finding sensible

solutions in the form of individual and collective action plans. Christians can work together across racial lines to repair the damage done by a long history of racial injustice.

In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be victims of inequality.

This work is a presentation of the truth of Jesus Christ from the viewpoint of liberation - from Jesus's options for the poor, his confrontation with the powerful and the persecution and death this brought him. Building and expanding on his previous works, Jon Sobrino develops a Christology that shows how to meet the mystery of God, all God "Father" and call this Jesus "the Christ".

As riots rocked American cities, Christians affirmed from the pulpit and in social media that “black lives matter” and that racial justice “is a gospel issue.” But what if there is more to the social justice movement than those Christians understand? Even worse: What if they’ve been duped into preaching ideas that actually oppose the Kingdom of God? In this powerful book, Voddie Baucham, a preacher,

be changed in the universal church and in the particular denominations? How has change influenced the life of the church? What are the dangers that change brings with it? What awaits the church if it refuses to change? Many of the essays focus on people who have changed the church significantly and on events that have catalyzed change, for the better or for the worse. Some also present visions of change for particular Christian denominations, whether over the ordination of the women, different approaches to sexuality, reform of the magisterium, and many other issues related to change.

Be Redemptive - to grieve and lament what we have lost and to regain our prophetic voice, calling the church to remember our gospel imperative to promote justice and mercy. and interdependence? What if we daily challenged ourselves to live a faith that simply made us better humans? John Pavlovitz explores how we can embody this kinder kind of spirituality where we humbly examine our belief system to understand how it might compel us to act in less-than-loving ways toward others. This simple phrase, "Thou Shalt Not Be Horrible," could help us practice what we preach by creating a world where: spiritual community provides a sense of belonging where all people are received as we are; the most important question we ask of a religious belief is not Is it true? but rather, is it helpful? it is morally impossible to pledge complete allegiance to both Jesus and America simultaneously; the way we treat others is the most tangible and meaningful expression of our belief system. In *If God Is Love, Don't Be a Jerk*, John Pavlovitz

Starting with Section 80 and ending with DAMN., this book deals with each of Lamar's four major projects in turn. A panel of academics, journalists and hip-hop practitioners show how religion, in particular black spiritualities, take a front-and-center role in his work. understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son.

Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

Christopher Hitchens, described in the London Observer as “one of the most prolific, as well as brilliant, journalists of our time” takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell’s *Why I Am Not a Christian* and Sam Harris’s recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a

With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

accessible introduction to the four biblical Gospels and their subject, the life and person of Jesus. Like different artists rendering the same subject using different styles and points of view, the Gospels paint four highly distinctive portraits of the same remarkable Jesus. With clarity and insight, Mark Strauss illuminates these four books addressing the following important areas: First he addresses the nature,

origin, methods for study, and historical, religious, and cultural backgrounds of the Gospels. He then moves on to closer study of each narrative and its contribution to our understanding of Jesus, investigating things such as plot, characters, and theme. Finally, he pulls it all together with a detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with
