

## Blood Of The Wolf The Forest Lord Book 4

*Eight years ago, my world changed. Little did I know the rest of the world had changed with me.My name’s Niko, and I’m a made wolf shifter. Eight years ago, I endured a blood ritual that took me from a pretty normal guy and turned me into what I am today. Ever since then, I’ve been looking for ways to make the world a better place. I want to save people, to make sure they never suffer like I did.Someone has been murdering born wolf shifters and using them in brutal rituals. I was given the opportunity to stop them and save lives. I leapt at the chance to make a real difference, but of course it came with a catch. I have to work with a Guardian, one of the goddess’s chosen wolves. On one hand, he’s everything I look for in a man. On the other, if he finds out who and what I am, then death will be a sweet release from the torture I’ll endure.I have no choice but to hope the goddess is on my side as I rush to save the lives of the born wolf shifters, all the while praying I don’t lose my own life in the process.*

*The thrilling conclusion to Ryan Graudin’s Carnegie Medal 2017 nominated alternative history and fantasy epic, WOLF BY WOLF. In 1950s Germany, the war may be over, but the fight has just begun . . . There would be blood. Blood for blood. Blood to pay. An entire world of it. With their mission to overthrow the Nazis in danger, Yael and the resistance are ready to fight. Forced to run, life in the shadows for Yael, Luka and Felix isn’t easy, especially when their enemy seems to know their every move. And when each step uncovers dark secrets and even darker truths, each must find a way to navigate right and wrong, past and future, life and death, if they are to survive at all. A captivating story of survival, love and freedom in a gripping, fantastical alternate universe from WOLF BY WOLF and THE WALLED CITY author, Ryan Graudin.*

*Forget what you’ve been told. Werewolves do exist. And their numbers are growing. “Does for werewolves what The Walking Dead has done for zombies” . . . “Full of surprise and suspense” When a wave of vicious attacks sweeps across London, there are reports of a Beast on the loose. There are fears of a Ripper stalking the streets. But the truth is more terrifying than anyone can imagine. Werewolves are prowling the city. Hunting and killing. Lycanthropy, a disease as old as humanity, now threatens to destroy civilization. With no cure, no vaccine, and millions of potential victims, it’s spreading through the capital at exponential rates. And every werewolf bite has just two possible outcomes - death or infection. The werewolf apocalypse is here, and it’s only just beginning. WOLF BLOOD is the first in the LYCANTHROPIC apocalyptic werewolf series. If you enjoy the zombie apocalypse, dystopian or post-apocalyptic science fiction, horror, grindark or dark fantasy, or multi-protagonist sagas, don’t miss out on the next big trend in apocalyptic fiction.*

*The thing about blood... it can't lie. For my entire life, I'd been complacent. I allowed others to make decisions for me until I almost lost my fated mate. So I did the only thing I could, I took him and ran. Secrets surface and hidden truths are discovered... truths that no one dreamed about facing again. Armed with new knowledge, I must make a choice. Be open to learn about who I really am or continue to stay ignorant. The answer isn't quite as simple as some would leave you to believe. With each move I make, I set the course for my future. With everything falling apart around me, I'm not quite sure what I'll become when all is said and done.*

Gerald Woodman, an Englishman and an Orthodox Jew, came to American penniless and hungry for the good life. By 1980 he had gained and lost two fortunes, had built his plastics company into a cash cow that supported his large extended family in great luxury. Killed in 1985 along with his wife Vera, the police asked Vera’s sister if the Woodmans had any enemies, she replied, ‘Yes, their sons.’ Family Blood follows the investigation of these murders and reveals a story of the American Dream gone wrong. Gerald, behind his facade of charm, piety and filial warmth, was a ruthless, amoral businessman, a philandering husband, a ferociously abusive father, and a compulsive gambler. His sons, Neil and Stewart, inherited his charm and business principles. This is the story of the hidden dynamics of an outwardly successful American family that came to a shocking and violent end. It is also the story of a clan of whose menfolk guarded a dark secret from their wives - and everyone else - for three generations. Further it is the chronicle of two dogged police detectives who exposed the Woodman’s sordid secrets to the light of justice.

The second installment in The Wolf Chronicles finds Kaala struggling with the consequences of forming the first mixed wolf-human pack.

Four Houses. Traditions. Secrets. And Romance Waiting At Every Turn. Welcome to Lunar Academy. Which House Will You Choose?Nadia Hazel came to the academy for its academics. Wereling Book #3

Once upon a different time, there was a boy who raced through a kingdom of death. Sixteen-year-old Luka Löwe has one goal in mind: Win the 1955 Axis Tour and become the first Double Cross victor. If he can accomplish that, maybe his father will finally see him as a worthy son. He's completed the grueling trek from Germania to Tokyo before, but this time is different. Luka never expected to meet Adele Wolfe, another racer posing as her twin brother and with a singular dream—to live life on her own terms. When Luka and Adele form an alliance, an unlikely bond forms, and even possibly love. But only one person can win the Axis Tour... Can everything Luka and Adele built together survive the race? Word count: ~24000
“Utterly engaging... a page-turner that is certain to win the author legions of new readers and fans.”—George R. R. Martin, author of A Game of Thrones
It’s spring on Nantucket and everything is perfectly normal, until a sudden storm blankets the entire island. When the weather clears, the island’s inhabitants find that they are no longer in the late twentieth century...but have been transported instead to the Bronze Age! Now they must learn to survive with suspicious, warlike peoples they can barely understand and deal with impending disaster, in the shape of a would-be conqueror from their own time.

A big, panoramic story of the new America, as told by our master chronicler of the way we live now. As a police launch speeds across Miami’s Biscayne Bay—with officer Nestor Camacho on board—Tom Wolfe is off and running. Into the feverous landscape of the city, he introduces the Cuban mayor, the black police chief, a wanna-go-muckraking young journalist and his Yale-marinated editor; an Anglo sex-addiction psychiatrist and his Latina nurse by day, loin lock by night—until lately, the love of Nestor’s life; a refined, and oh-so-light-skinned young woman from Haiti and her Creole-spouting, black-gang-banger-stylin’ little brother; a billionaire porn addict, crack dealers in the ‘hoods, “de-skilled” conceptual artists at the Miami Art Basel Fair, “spectators” at the annual Biscayne Bay regatta looking only for that night’s orgy, yenta-heavy ex-New Yorkers at an “Active Adult” condo, and a nest of shady Russians. Based on the same sort of detailed, on-scene, high-energy reporting that powered Tom Wolfe’s previous bestselling novels, BACK TO BLOOD is another brilliant, spot-on, scrupulous, and often hilarious reckoning with our times.

Kidnapped, tortured and forcibly converted into a wolf shape shifter, Dee is alone and terrified... until a mysterious man rescues her from the hideous lab and she is taken in by Il Trosa, a pack of wolf shifters living in England’s north. But her troubles are far from over, as she finds herself caught in the middle of a centuries old war that threatens to wipe out the shifters, and is astonished to realise that she is the subject of an ancient and deadly prophecy.

The three sons of a notorious mercenary should never have met...but now that they are sworn allies, the Scottish Borders will never be the same... Denied his rightful legacy, Maximilian de Vries devised a plan to avenge himself upon his father and see his own future secured. Allied with his two half-brothers, he descends upon ancient and mysterious Kilderrick, determined to seize the keep once promised to him, regardless of the price. A woman rumored to be a witch is the sole one bold enough to defy him but Maximilian has a solution—he will take her to wife, whether she be willing or nay, and seal his claim. But this powerful warrior has yet to match wits with Alys Armstrong, a maiden with a thirst for vengeance and a fury that might exceed his own. Alys has no intention of capitulating to the proud and powerful rogue who stole everything from her—no matter how seductive his touch might be—and she does not share his compulsion to fight fair. Bitter enemies from the outset, Maximilian and Alys’ match is a battle of wits. When passion flares, will either of them be able to resist temptation? And when Kilderrick itself is in peril, will they join forces to save the holding they each prize—and the unexpected love they value above all else? \* \* \* The Blood Brothers series: 1. Iain Flynn arrives in Scotland with her twin sister, Aggie, to lead a team of biologists tasked with reintroducing fourteen gray wolves into the remote Highlands. She hopes to heal not only the dying landscape, but Aggie, too, unmade by the terrible secrets that drove the sisters out of Alaska. Iain is not the woman she once was, either, changed by the harm she witnessed—inflicted by humans on the wild and each other. Yet as the wolves surprise everyone by thriving, Iain begins to let her guard down, even opening herself up to the possibility of love. But when a farmer is found dead, Iain knows where the town will lay blame. Unable to accept her wolves could be responsible, Iain makes a reckless decision to protect them. But if the wolves didn’t make the kill, then who did? And what will Iain do when the man she is falling for seems to be the prime suspect? Propulsive and spell-binding, Charlotte McConaghy’s Once There Were Wolves is the unforgettable story of a woman desperate to save the creatures she loves—if she isn’t consumed by a wild that was once her refuge.*

*Her story begins on a train. The year is 1956, and the Axis powers of the Third Reich and Imperial Japan rule. To commemorate their Great Victory, they host the Axis Tour: an annual motorcycle race across their conjoined continents. The prize? An audience with the highly reclusive Adolf Hitler at the Victor’s ball in Tokyo. Yael, a former death camp prisoner, has witnessed too much suffering, and the five wolves tattooed on her arm are a constant reminder of the loved ones she lost. The resistance has given Yael one goal: Win the race and kill Hitler. A survivor of painful human experimentation, Yael has the power to skinshift and must complete her mission by impersonating last year’s only female racer, Adele Wolfe. This deception becomes more difficult when Felix, Adele’s twin brother, and Luka, her former love interest, enter the race and watch Yael’s every move. But as Yael grows closer to the other competitors, can she be as ruthless as she needs to be to avoid discovery and stay true to her mission? From the author of The Walled City comes a fast-paced and innovative novel that will leave you breathless.*

*In the bleak northlands, Grimnir, the living god of the plundering Vanir, is leading his hordes across Cimmeria. Tales of Grimnir’s fury spread as refugees scatter throughout the land to escape his wrath. In the village of Gaud, the young warrior Kern, the “Wolf-Eye,” has been exiled, an outcast from clan and kin. It is he who is fated to confront the dreaded Grimnir. But as loyal friends and desperate fighters rally to his side, even Kern does not know whether he leads his people to deliverance, or certain death.*

\*All is yours, everywhere is open to you - except the lock that the single key fits. You must promise, if you love me, to leave it well alone."When a 17-year-old virgin marries a mature and charismatic Marquis it seems like a fairy tale. But when the Marquis is called away on their wedding night, leaving her only her only his keys and a single instruction, her curiosity leads her to uncover a dark secret.Bryony Lavery’s new stage adaptation of Angela Carter’s story opened as a Northern Stage production in September 2008. Draws on firsthand testimonies and recovered court transcripts to present a scholarly account of the 1955 lynching of Emmett Till and its role in launching the civil rights movement.

The first novel of Clemence Anne Housman, who was an author, illustrator and activist in the women’s suffrage movement. The Were-wolf was an allegorical erotic fantasy. Some critics said that it achieves a high degree of guesome tension and gives the zist and feel of authentic folklore.

In the vein of Naomi Novik’s New York Times bestseller Spinning Silver and Katherine Arden’s national bestseller The Bear and the Nightingale, this unforgettable debut...—inspired by Hungarian history and Jewish mythology—follows a young pagan woman with hidden powers and a one-eyed captain of the Woodsmen as they form an unlikely alliance to thwart a tyrant. In her forest-veiled pagan village, Évike is the only woman without power, making her an outcast clearly abandoned by the gods. The villagers blame her corrupted bloodline—her father was a Yehudi man, one of the much-loathed servants of the fanatical king. When soldiers arrive from the Holy Order of Woodsmen to claim a pagan girl for the king’s blood sacrifice, Évike is betrayed by her fellow villagers and surrendered. But when monsters attack the Woodsmen and their captive en route, slaughtering everyone but Évike and the cold, one-eyed captain, they have no choice but to rely on each other. Except he’s no ordinary Woodsman—he’s the disgraced prince, Gáspár Bárány, whose father needs pagan magic to consolidate his power. Gáspár fears that his cruelly zealous brother plans to seize the throne and instigate a violent reign that would damn the pagans and the Yehudi alike. As the son of a reviled foreign queen, Gáspár understands what it’s like to be an outcast, and he and Évike make a tenuous pact to stop his brother. As their mission takes them from the bitter northern tundra to the smog-choked capital, their mutual loathing slowly turns to affection, bound by a shared history of alienation and oppression. However, trust can easily turn to betrayal, and as Évike reconnects with her estranged father and discovers her own hidden magic, she and Gáspár need to decide whose side they’re on, and what they’re willing to give up for a nation that never cared for them at all.

Darby O’Rielly is not your typical girl next door. She and her sister witches, but haven’t been taught the art of their craft. When a dark stranger and his brother enter their lives, love blooms and havoc ensues. For these two handsome brothers aren’t just good looking, they are ‘born vampires’ of royal blood and they have hunters hot on their trail. When Devon and Blake’s immortal lives are threatened, Darby unleashes a deadly magic in order to save them. As vengeance for killing his hunter, our villain kidnaps, Rowan, Darby’s sister and injects her with werewolf blood. Darby, Devon and Blake take a redeye to Maine to try and save her. A search then ensues to find a werewolf named Dean who isn’t exceptionally friendly or eager to help friends of vampires. Will Rowan survive her transformation or will the werewolf blood wreak havoc on her body and kill her. You’ll find out when you read this action packed urban fantasy romance novel yourself.

Trey Laporte had been told he was the only one. It was a lie. But some secrets he would have been better off not knowing. Trey, the last hereditary werewolf, has found his pack – and they’re vicious, bloodthirsty, and truly wild. All Trey wants is to go home, but having learned more about his Wolfen nature, he has decided, for the safety of his friends, to never return. Back in London, Alexis uses her magic to track down the Necrotroph that is intent on infiltrating her father, Lucien’s, organization. But while Alexis is focused on the outside threat, Lucien is battling with his own darkness. His evil brother Caliban’s savage bite and the poison left behind have reawakened Lucien’s vampire instincts – turning every night into a battle.

The first book in the Wereling series! A teenage boy’s ordinary life and wrecked apart when he discovers that he is the last hereditary werewolf and that the most evil bloodthirsty vampire known to the netherworld wants him dead. Fourteen-year-old Trey Laporte is not a kid anymore. Not after the day he wakes up in agony -- retina-splitting, vomit-inducing agony. His clothes are torn. His room is trashed. Enter Lucien Charron, the mysterious, long-lost "uncle" with freakish fire-flecked eyes and skin that blisters in the sun. Suddenly, Trey finds himself living in a luxury penthouse at the heart of a strange and sinister empire built on the powers of the Netherworld -- vampires, demons, sorcerers, and djinn. And there is a girl -- Alexa Charron -- who is half vampire, half human, and insanely pretty, with powers all of her own. Trey is falling for her. Trey is training night and day to control the newly discovered power lurking inside him. Now, demons are closing in on every side, and the most psychopathic bloodsucker to rock the Netherworld wants to destroy him.

Above all, he must face one terrifying question: Is he a boy . . . or is he a beast?

*The spellbinding story of the original werewolf, woven against an amazing historical backdrop with a supernatural twist*

*The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, Promise of the Wolves is a historical adventure story in the tradition of Clan of the Cave Bear and Watership Down. Set 14,000 years ago in what is now Southern Europe, Promise of the Wolves is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans--risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack--and perhaps all of wolf and humankind.*

*A #1 New York Times bestseller! Sarah J. Maas’s brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life--working hard all day and partying all night--until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose--to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J.
