Alex Stanton is done being Philippa Mann's whipping boy. She made it perfectly clear she preferred him only when his body temperature was human. The trueborns stubbornly hunt for vengeance, pushed by Hesarah's desire to avenge her human best friend, Alexa. The baseborns hesitate between rallying to those challenging Ankhhis's rule and obeying the trueborns. As turmoil rocking vampire worlds surges, something emerges from the portal between Earth and Ankhhis. Neither human nor vampire, this new being will either damn them all or be their race's most powerful weapon. Ankhhis is faced with a dire decision: embrace this new predator or put it down. In the end, who is guilty? Who will pay? Will anyone survive its wrath?
The Breaking of Bonds is the second book in the gritty urban fantasy series *Bad Blood*. If you like vampires with a twist, gripping characters, and fast-paced adventure, then you will love Alina Popescu's second part of this edge-of-your-seat story. Hidden Sorcery While the Tremere have potent magic at their command, Hermetic tradition isn't the only source of mystic power. The ancient ways of Egyptian magic, the Sufic trances of the Middle East, sacrificial Hindu rites and the natural magic of Caribbean craft can all be used to affect the Final Nights. But what are these thaumaturgies capable of? Or Abandoned Witchcraft? Expanded information on non-traditional Thaumaturgy comprises *Blood Sacrifice*. This book includes four new styles of the Discipline, as well as paths and rituals for each. It also looks into the rare but unforgettable magical "anomalies" that populate Vampire's World of Darkness "RM," those strange mystic artifacts that just seem to happen.

*Witches aren't real, are they? No, they aren't, at least. That's what Nat keeps telling herself. A witch and a human can't possibly make their friendship work, but that's exactly what Nat and Sybil are doing, and they're absolutely killing it. Well, killing it until Nat catches Sybil plotting to murder her. She must be hallucinating, or maybe she had a seizure, but she damn sure thought she saw a floating desk. That's weird, right? Yes, it is, but when Sybil realizes she has no choice but to tell Nat the truth, Nat can't imagine a world where witches exist and magic is legit. A secret exposed only leads to an already sketchy world, because it's becoming glaringly obvious that there's more to Westin Prep than meets the eye. When a student goes missing and turns up nearly dead, blood sacrifice is the word being thrown around. Between that and a cute track star paying attention to Nat for the first time, her world is about to take a drastic turn. Bitches to Witches is a split POV, young-adult, urban fantasy novel, book 1 in the Bitches To Witches series. Warning: *BNW* includes language, graphic adult situations, bullying, and violence, but while those are dark themes, *BNW* is meant to be a fun read.*

"You made your choice. You are a King now." His father's meaning: act like one. We have finally reached that pivotal moment where fate, truth, and time, intersect. Battle lines will be drawn. Meet Marla Mason—smart, saucy, slightly wicked witch of the East Coast. . . Sorcerer Marla Mason, small-time guardian of the city of Felport, has a big problem. A rival is preparing a powerful spell that could end Marla’s life—and, even worse, wreck her city. Marla’s only chance of survival is to boost her powers with the Cornerstone, a magical artifact hidden somewhere in San Francisco. But when she arrives there, Marla finds that the quest isn’t going to be quite as cut-and-dried as she expected. . . and that some of the people she needs to talk to are dead. It seems that San Francisco’s top sorcerers are having troubles of their own—a mysterious assailant has the city’s magical community in a panic, and the local talent is being (gruesomely) picked off one by one. With her partner-in-crime, Rondeau, Marla is soon racing against time through San Francisco’s alien streets, dodging poisonous frogs, murderous hummingbirds, cannibals, and a nasty vibe from the local witchery, who suspect that Marla herself may be behind the recent murders. And if Marla doesn’t figure out who is killing the city’s finest in time, she’ll be in danger of becoming a magical statistic herself. . .

This urban fantasy boxed set contains the first three novels in The Ascension Series and totals 300,000 words. When it comes to problems involving evil, Elise Kavanagh is the expert in saving the day. Not only is she a legendary demon hunter known as the Godslayer, she's also the most powerful demon to ever walk the Earth—a once-human creature that other demons now look up to as a deity. Rylie Gresham is Alpha of the last werewolf pack. They're hiding from recent government laws regulating preternaturals and trying to avoid conflict. But someone's trying to get into Eden. The garden holds secrets too dangerous for anyone to possess, including Elise's former partner James Faulkner: a half-witch, half-angel bent on becoming God. He doesn't care what it takes to get into Eden, and the werewolf pack gets trapped at the center of the conflict. Elise will do anything to keep James—or anyone else—from reaching Eden, even if it means journeying deep into Hell and seizing control of the City of Dis. Trapped between shadow and light, Elise walks a fine line trying to save the world yet again...even if it means losing her friends among the werewolves, the man she once loved, and her soul itself. ABOUT SACRIFICED IN SHADOW Lincoln Marshall is a small-town deputy with a very big problem. Six members of his church have been found dead, killed by a rogue werewolf. He'll have to make a deal with the Devil to save victims that have gone missing—maybe literally. Elise Kavanagh, preternatural investigator and exorcist, is the expert when it comes to violent deaths at the jaws of evil. She's also among the most powerful demons that Hell has spawned. Elise jumps at Lincoln's case, and it's not just because of his down-home charm. Someone's laid a trap for her in Northgate, and she wants to find out who. She'll have to team up with Rylie Gresham, Alpha of the last surviving werewolf pack, to figure out who's trying to blame the murders on werewolves. Only together can they stop the killings—and uncover the secrets buried in Northgate. ABOUT OATHS OF BLOOD Werewolves are immune to every illness and can heal any wound. It should be impossible for one to become possessed by a demon. But that's exactly what Seth Wilder is facing: a werewolf gone insane from possession. He has no choice but to deliver her to the only exorcist in America, Elise Kavanagh, who also happens to be a powerful demon known as the Godslayer. Elise is in hiding when Seth and Rylie Gresham, Alpha werewolf, arrive seeking her help. She agrees, but everything has its price. What they learn about the possessed werewolf changes everything—Hell and Earth, the pack, and the future of the entire world. ABOUT RULED BY STEEL Elise Kavanagh failed to prevent the Breaking, and now Hell is spilling onto Earth. She's delved deep into the City of Dis in an attempt to stop the infernal armies—but even the legendary Godslayer is unprepared to face Dis's fiercest demons, not to mention the responsibility of liberating the humans they've enslaved. On Earth, rogue angel Nash Adamson is wing-deep in damage control after the Breaking, and his fellow angels don't want to get involved. War is approaching the werewolf sanctuary. If Heaven won't help them, he'll have to turn to Hell for salvation. Everything hinges on who can control the City of Dis. Elise and her allies have no choice but to roll by steel. I might be a fae princess, but my story is no fairytale.Being told that I'm not exactly human wasn't easy to accept. Neither was spending the last year training for what was to come on my nineteenth birthday, but I did it anyway. Feeling certain I'm ready for my new life, I soon realize nothing could have prepared me for the reality of it.Turns out I'm the first descendant in decades to be born from two royal fae lines, but being special isn't always a good thing. All that training I did? Not so helpful when I find out a dark fae is looking to settle an old score—with me as his target.Enter Ryland, an elusive guardian meant to help prepare me for the inevitable threats headed my way. The only problem? He's impossible, and I can't seem to stop butting heads with him. Even when other forces try to push us together.Though, regardless of the obstacles, I have to accept the changes in my life and learn how to roll with the punches. Because if I don't? Well, it could mean the end of the little utopia I've found in my new home.But becoming the hero Arvayta needs me to be isn't as easy as it sounds.

A storm's been awakened, and it won't be contained for long. I've been pushed beyond my limits, my heart shattered into pieces, and a magic forced on me I know nothing about. With a darkness stirring inside me that I should be afraid of-but I'm not-it's time to show Alaryk even though he won the last battle, he won't get so lucky again. My grieving period is over. I've moved onto rage, letting vengeance guide me. Everyone left that I care about wants me to let them in, but until Alaryk is no longer breathing, I won't let them distract me from what needs to be done. I'm destined for two paths. One that leads to light and love, the other, darkness and power. The time is up to decide who I will become, and ready or not, I'll either save the worlds or destroy them. This time, not even the Fates know how things will end.
