"An emotional novel that you will never forget." —Lisa Scottoline, #1 New York Times bestselling author of *Eternal* From the author of *The Lost Girls of Paris* comes a riveting tale of courage and unlikely friendship during World War II -- Now a New York Times bestseller! 1942. Sadie Gault is eighteen and living with her parents in the Kraków Ghetto during World War II. When the Nazis liquidate the ghetto, Sadie and her pregnant mother are forced to seek refuge in the perilous tunnels beneath the city. One day Sadie looks up through a grate and sees a girl about her own age buying flowers. Ella Stepanek is an affluent Polish girl living a life of relative ease with her stepmother, who has developed close alliances with the occupying Germans. While on an errand in the market, she catches a glimpse of something moving beneath a grate in the street. Upon closer inspection, she realizes it's a girl hiding. Ella begins to aid Sadie and the two become close, but as the dangers of the war worsen, their lives are set on a collision course that will test them in the face of overwhelming odds. Inspired by incredible true stories, *The Woman with the Blue Star* is an unforgettable testament to the power of friendship and the extraordinary strength of the human will to survive. Highly recommended by Entertainment Weekly, Washington Post, CNN, BookTrib, Goodreads, Betches, AARP, Frolic, SheReads, and more! Don't miss Pam Jenoff's new novel, *Code Name Sapphire*, a riveting tale of bravery and resistance during World War II. Read these other sweeping epics from New York Times bestselling author Pam Jenoff: *The Lost Girls of Paris* *The Orphan's Tale* *The Ambassador's Daughter* *The Diplomat's Wife* *The Last Summer at Chelsea Beach* *The Kommandant's Girl* *The Winter Guest*

The master of the nearly true is back with The Blue Guide to Indiana, an ersatz travel book for the Hoosier State. Michael Martone, whose trademark is the blurring of the lines between fact and fiction, has created an Indiana that almost is, a landscape marked by Lover's Lane franchises and pharmaceutical drug theme parks. Let Martone guide you through every inch of the amazing state that is home to the Hoosier Infidelity Resort Area, the National Monument for Those Killed by Tornadoes in Trailer Parks and Mobile Home Courts, and the Annual Eyeless Fish Fry. All your questions will be answered, including many you never thought to ask (like: "What's a good recipe for Pork Cake?").

This long-awaited Blue Guide is a spectacular tour through the nation's capital city and its environs. Packed with fascinating historical information charting the city's development from the 1600s to present day and highlighting the political luminaries who have called it home, this guide provides the visitor with a thorough knowledge of this wholly unique and grandly designed city. This is the definitive guide to the area, with over thirty walking tours including detailed information on the many federal buildings, monuments, museums, and other important places to see, as well as information on additional sites within the District of Columbia, Maryland, and Virginia, and suggested day trips to Civil War battle sites, Baltimore, and Annapolis.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful where and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The bestselling, "gripping" (Entertainment Weekly), "powerful" (Hypable), "utterly thrilling" (Paste.com) winner of the Edgar Award for Best Young Adult Mystery, perfect for readers of Kristin Hannah and Sepetys. Amsterdam, 1943. Hanneke spends her days procuring and delivering sought-after black market goods to paying customers, her nights hiding the true nature of her work from her concubine, wakening moment mourning her boyfriend, who was killed on the Dutch front lines when the Germans invaded. She likes to think of her illegal work as a small act of rebellion. On a routine delivery she offers help. Expecting to hear that Mrs. Janssen wants meat or kerosene, Hanneke is shocked by the older woman's frantic plea to find a person--a Jewish teenager Mrs. Janssen had been hiding, who was hidden from a secret room. Hanneke initially wants nothing to do with such dangerous work, but is ultimately drawn into a web of mysteries and stunning revelations that lead her into the heart of the horrors of the Nazi war machine, and compel her to take desperate action. Beautifully written, intricately plotted, and meticulously researched, Girl in the Blue Coat is an extraordinary novel about love in impossible times. Fully updated new edition of this essential Blue Guide to the city of the Renaissance.

This classic guide remains the definitive introduction to the cultural riches of England.

Chemical nomenclature is used to identify a chemical species by means of written or spoken words and enables a common language for communication amongst chemists. Nomenclature for chemical compounds additionally contains an explicit or implied relationship to the structure of the compound, in order that the reader or listener can deduce the structure from the name. This purpose requires a system of principles and rules, the application of which gives rise to a systematic nomenclature. Of course, a wide range of traditional names, semisystematic or trivial, are also in use for a core group of common compounds.

Detailing the latest rules and international practice, this new volume can be considered a guide to the essential organic chemical nomenclature, commonly described as the "Blue Book". An invaluable source of information for organic chemists everywhere and the definitive guide for scientists working in academia or industry, for scientific publishers of books, journals and databases, and for organisations requiring internationally approved nomenclature in a legal or regulatory environment.

Southern Italy is a major visitor destination with a wealth of sights on offer: the ruins of Pompeii and Herculaneum, the island of Capri, the wild scenery of the Abruzzo, beautiful villages of the Ionian coast, Romanesque architecture in Puglia, and of course Naples and the Amalfi Coast. The author is long-time Blue Guides author and Italy resident Paul Blanchard, an experienced tour guide, who reveals not only the major attractions, explained and set in context, but also uncovers lesser-known sights. He has been supported by the classicists and art historians of the Blue Guides editorial board with the result that Blue Guide Southern Italy, with its wealth of cultural detail and useful advice on hotels and restaurants, provides all the information that the independent traveller needs.
