

Bmw Guide

The R-Series BMW MINI had a lot to live up to. Launched in 2001, it was riding in the wake of the classic 1959-2000 Mini. At the time, BMW were going to have to create something as special and innovative as its longstanding predecessor in order to silence the naysayers. And they did. Since its launch in 2001, BMW's modern MINI has become the pinnacle of small yet funky family cars in the premium small (and sometimes not so small) car segment. Now in its third generation, having unveiled the new F-Series in 2014, BMW MINI offers 3- and 5-door hatchback models and convertibles, the estate Clubman, the five-door Countryman, the Coupe, the Roadster and the three-door crossover Paceman. MINI enthusiast and motoring journalist Sophie Williamson-Stohtert explores the journey from 1959 to the present day, covering design and development of the new MINI, launch and reception by the press, its many model variations and special editions, and an owner's and buyer's guide. Superbly illustrated with 170 colour photographs. BMW's GS series is one of the world's milestone motorcycles and has been in production for over 25 years. It pioneered the 'adventure sport' category and in many ways, it's the Range Rover of motorcycling.

The revised and extended BMW Art Guide by Independent Collectors presents nearly 300 private collections of contemporary art accessible to the public—featuring large and small, famous and the relatively unknown. Succinct portraits of the collections with countless color illustrations take the reader to more than 40 countries, often to regions or urban districts that are off the beaten path. This practical guide is a collaborative publication stemming from the partnership between BMW and Independent Collectors, the international online platform for collectors of contemporary art. To date, neither the Internet nor any book has ever contained a comparable assembly of international private collections, including several that have opened their doors to art lovers and connoisseurs for the first time.

This guide presents 266 private collections of contemporary art accessible to the public. Succinct portraits of the collections with countless color illustrations take the reader to more than 70 countries, often to regions or urban districts off the beaten path.

The Complete Book of BMW

Having this book in your pocket is just like having a real marque expert at your side. Benefit from Ralph Hosier's years of BMW experience, learn how to spot a bad car quickly, and how to assess a promising one like a true professional. Get the right car at the right price!

With more than fifty original drawings and almost two hundred photographs, this is a comprehensive and very detailed how-to manual. Includes work sheets.

A practical restoration manual written by journalist and E30 enthusiast Andrew Everett. Covers E30 models: 316, 316i, 318i, 320i, 323i, 325i, 325e, 324d and 324td, 318iS, M3 & Alpina in saloon, convertible & touring forms. Professional advice also is given on buying a good used model E30 for restoration.

The Rough Guide to Germany is the ultimate travel guide to this dynamic country - simultaneously one of the most rewarding and most overlooked travel destinations in Europe. Detailed accounts of every attraction provide all the information you need to explore the country's exceptional museums, iconic architecture, stylish cities and picture-perfect castles, as well as its many rural escapes, from the soaring Bavarian Alps and dense woodlands of the Black Forest to the beautiful beaches and islands of the North Sea or the idyllic Rhineland vineyards where you can sample some of the country's many world-class wines. All the best festivals are covered too, from Cologne's riotous Carnival to the legendary Oktoberfest. The guide's bevy of practical advice ensures that, no matter what your budget, you'll find the perfect boutique hotel, quirky hostel, authentic cellar restaurant, Michelin-starred gourmet haunt, cutting-edge arts venue or hip bar and club, all marked on the book's many colour maps. The Rough Guide to Germany includes well-researched historical and cultural background to help you understand and appreciate this complex country and, above all, make the most of your holiday. Make the most of your time on Earth™ with The Rough Guide to Germany.
