"Walk in the Light and Twenty-Three Tales" is a collection of religious tales and parables by the famed Russian author Leo Tolstoy, regarded by many as one of the world's greatest authors. In addition to his most well-known novels "War and Peace" and "Anna Karenina," which are regarded as the epitomes of realist fiction, Tolstoy was also a prolific writer of short stories and non-fiction. In the middle of his life, the author underwent a profound religious and spiritual awakening and became a deeply devout Christian. Contained in this collection is the inspirational "Walk in the Light While Ye Have Light", written in 1893. It is the story of Pamphylus, set in the ancient Roman Empire, and his conversion from paganism to Christianity, which is presented as a series of arguments in favor of Tolstoy's faith. Also included are such classics as "God Sees the Truth, but Waits", "The Bear-Hunt", "What Men Live By", "Little Girls Wiser Than Men", and "How Much Land Does a Man Need?", and many more. This representative collection of short stories exhibits why Leo Tolstoy is considered one of the world's most renowned authors. This edition is printed on premium acid-free paper.

ILION Industrial Services is pleased to announce this brand new renovation manual which is written specifically for the Bridgeport 2J variable speed mills. If you are planning on refurbishing your Bridgeport Series 1 "2J" or "2J2" Mill or if you are out in the market looking for a good used Bridgeport, then this manual is a great place to start. " A Guide to Renovating the Bridgeport 2J Variable Speed Milling Machine " ; our 152 page soft-cover shop manual, is fully illustrated with over 400 B&W photographs and diagrams, plus step-by-step instructions for disassembling, cleaning, reassembling and adjusting all of the critical components of the variable speed 2J milling machine. The manual also illustrates the difference in the various models and provides guidance for evaluating a used machine before you purchase. Bridgeport never produced a full blown maintenance manual for their mills so this is the closest you will come to a step-by-step guide. The typeface of the manual is printed two points larger than normal for those of us who prefer to work at the bench without the use of our reading glasses. The instructions are simple and easy to follow... no prior machinery renovation experience is required. Though the Bridgeport is an industrial machine, it is well suited for the home garage shop or small business and the task of loacting one, getting it home and placing it back in service is not as expensive or challenging as you may think. Let us show you how. If you are interested in the original Bridgeport J Head (the Step-Pulley model), please check out our other books.

Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanlysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland , California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.
