Internment

Stoned Off Our Mad Libs

Based on the classic television and movie franchise! Beam me up, Scotty! Star Trek Mad Libs features 21 stories inspired by the classic Star Trek television series and films!

An instant New York Times bestseller! "Internment sets itself apart...terrifying, thrilling and urgent."--Entertainment Weekly Rebellions are built on hope. Set in a horrifying near-future United States, Layla Amin and her parents are forced into an internment camp for Muslim American citizens. With the help of newly made friends also trapped within the internment camp, her boyfriend on the unexpected alliance, Layla begins a journey to fight for freedom, leading a revolution against the camp's Director and his guards. Heart-racing and emotional, Internment challenges readers to fight for what exists in our society today.

Winner of the PEN/Jerard Award Chicago Tribune Best Book of the Year Kiriya Notable Book "[A] perfectly pitched and prodigiously detailed memoir." - Boston Globe As a Vietnamese girl coming of age in Rapids, Michigan, Nguyen is filled with a rapacious hunger for American identity, and in the pre-PC-era Midwest (where the Jennifers and Tiffanys reign supreme), the desire to belong transmutes into a love of American food. More exotic- seeming than her Buddhist grandmother's traditional specialties, the campy, preservative-filled "delicacies" of mainstream America capture her imagination. In Stealing the glossy branded allure of Pringles, Kit Kats, and Toll House Cookies becomes an ingenious metaphor for Nguyen's struggle to become a "real" American, a distinction that brings with it the dream of a better lunch, burgers and Jell-O for dinner, and a visit from the Kool-Aid man. Vivid and viscerally powerful, this remarkable memoir about growing up in the 1980s introduces an original new literary voice to the classic assimilation story.

"The '90s were all that, so we're bringing them back! Your favorite childhood cartoons come together in this very grown-up coloring book"--Page 4 of cover.

Something Borrowed Emily Giffin The smash-hit debut novel for every woman who has ever had a complicated love-hate friendship. Rachel White is the consummate good girl. A hard-working attorney at a large Manhattan law firm and a diligent maid of honor to her charmed best friend Darcy, Rachel has always played by all the rules. Since grade school, she has watched Darcy shine, quietly accepting the sidekick role in their lopsided friendship. But that suddenly changes the night of her thirtieth birthday when Rachel finally confesses her feelings to Darcy's fiance, and is both horrified and thrilled to discover that he feels the same way. As the wedding date draws near, events spiral out of control, and Rachel knows she must make a choice between her heart and conscience. In so doing, she discovers that the lines between right and wrong can be blurry, endings aren't always neat, and sometimes you have to risk everything to be true to yourself.

New York Times Bestseller The Bob's Burgers Burger Book gives hungry fans their best chance to eat one of Bob Belcher's beloved specialty Burgers of the Day in seventy-five original, practical recipes. The unforgettable, New York Times bestselling family saga from Markus Zusak, the storyteller who gave us the extraordinary bestseller THE BOOK THIEF, lauded by the New York Times as "the kind of book that can be life-changing." NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY • THE WALL STREET JOURNAL "One of those monumental books that can draw you across space and time into another family's experience in the most profound way." —The Washington Post "Mystical and loaded with heart, it's another gorgeous tearjerker from a rising master of them." —Entertainment Weekly "Devastating, demanding and deeply moving." —Wall Street Journal The breathtaking story of five brothers who bring each other up in a world run by their own rules. As the Dunbar boys love and fight and learn to reckon with the adult world, they discover the moving secret behind their father's disappearance. At the center of the Dunbar family is Clay, a boy who will build a bridge—for his family, for his past, for greatness, for his sins, for a miracle. The question is, how far is Clay willing to go? And how much can he overcome? Written in powerfully inventive language and bursting with heart, BRIDGE OF CLAY is signature Zusak.

In an attempt to find a cure after being diagnosed with Creutzfeldt-Jakob (aka mad cow) disease, Cameron Smith, a disaffected sixteen-year-old boy, sets off on a road trip with a death-obsessed video gaming dwarf he meets in the hospital.

An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture

The polarizing literary debut by Scottish author Ian Banks, The Wasp Factory is the bizarre, imaginative, disturbing, and darkly comic look into the mind of a child psychopath. Meet Frank Cauldhame. Just sixteen, and unconventional to say the least: Two years after I killed Blyth I murdered my young brother Paul, for quite different and more fundamental reasons than I'd disposed of Blyth, and then a year after that I did for my young cousin Esmerelda, more or less on a whim. That's my score to date. Three. I haven't killed anybody for years, and don't intend to ever again. It was just a stage I was going through.

Peace, Love, and Mad Libs

Now you can read about the Belcher family (parents Bob and Linda, and their children Tina, Gene and Louise) with brand-new in-canon stories created by the Emmy Award-winning TV show's producers, writers, and animators - and overseen by series creator Loren Bouchard! That's right, all-original stories that expand upon the fan-favorite animated series, including hilarious installments of "Louise's Unsolved Mysteries", "Tina's Erotic Friend Fiction", "A Gene Belcher Original Musical", "Letters Written by Linda", "Bob's Burgers of the Day", and much more!

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of Furiously Happy. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent Let's Pretend This Never Happened, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

Attention fans of Lunch Lady and Steven Universe! Middle grade graphic novel superhero-in-training Dolphin Girl is back fending off cold cut storms and learning to deal with a new (super-annoying) rival in the second book in this side-splitting series. Ever

since the evil Sea Cow tried to steal Dolphin Girl and Captain Dugong's restaurant/hideout in Trouble in Pizza Paradise!, business has been bad. Dolphin Girl attempts to rebrand the restaurant, but everyone who works there hates the new outfits and the new music. Even worse, there's a new superhero in town—everyone loves, Wonder Friend and they seemingly can do no wrong. On the other hand, Dolphin Girl is getting everything wrong. But when Sea Cow returns to cover Midwestern Deerburbia in a blizzard of baloney, Dolphin Girl and Otter Boy have no choice but to team up with the all-too-wonderful Wonder Friend to prevent their town from becoming a big Jimmy John's sandwich! With bold, bright, energetic illustration Into the Baloney Storm serves up a graphic novel that fans of Steven Universe will be eager to sink their teeth into.

#1 NEW YORK TIMES BESTSELLER • In her latest book, Brené Brown writes, "If we want to find the way back to ourselves and one another, we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection." In Atlas of the Heart, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown's extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. Atlas of the Heart draws on this research, as well as on Brown's singular skills as a storyteller, to show us how accurately naming an experience doesn't give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, "I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves." The first and only coloring book based on Fox's Emmy-winning animated hit TV show. Crossing the line from line art to Pop Art, The Official Bob's Burgers Coloring Book follows in the best-selling pop-culture coloring book footsteps of Star Wars, Game of Thrones, Doctor Who, The Walking Dead, and Outlander. This collection serves up not only images of the best moments of the show, but also enough puns and fun to have the show's ravenous fans salivating with hunger and hilarity. Bob's Burgers is enjoying a true pop-cultural moment, with an original comic-book version by Dynamite Entertainment still setting records since its launch in 2014, a soundtrack album of original music from the series featuring music from indie band Sleater-Kinney (Portlandia's Carrie Brownstein), and now an ongoing, multi-city live tour that presents the cast and crew re-creating some of the most popular episodes in front of packed houses across the country.

"Writing this funny requires immense talent." –AV Club H. Jon Benjamin—the lead voice behind Archer and Bob's Burgers—helps us all feel a little better about our own failures by sharing his own in a hilarious memoir-ish chronicle of failure. Most people would consider H. Jon Benjamin a comedy show business success. But he'd like to remind everyone that as great as success can be, failure is also an option. And maybe the best option. In this book, he tells stories from his own life, from his early days ("wherein I'm unable to deliver a sizzling fajita") to his romantic life ("how I failed to quantify a threesome") to family ("wherein a trip to P.F. Chang's fractures a family") to career ("how I failed at launching a kid's show"). As Jon himself says, breaking down one's natural ability to succeed is not an easy task, but also not an insurmountable one. Society as we know it is, sadly, failure averse. But more acceptance of failure, as Jon sees it, will go a long way to making this world a different place . . . a kinder, gentler place, where gardens are overgrown and most people stay home with their pets. A vision of failure, but also a vision of freedom. With stories, examples of artistic and literary failure, and a powerful can't-do attitude, Failure Is an Option is the book the world doesn't need right now but will get regardless.

Teens and fans of Fox's hit cartoon sitcom "Family Guy" can have hours of funcreating their own stories starring the Griffin family. Illustrations. Consumable.

Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, The Serpent King is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's Turtles All the Way Down. "Move over, John Green; Zentner is coming for you." —The New York Public Library "Will fill the infinite space that was left in your chest after you finished The Perks of Being a Wallflower."
—BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. "A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking."

—PasteMagazine.com “A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it.” —Mashable.com “I adored all three of these characters and the way they talked to and loved one another.”—New York Times

She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

Rick and Morty Mad Libs Joke Book

#1 NEW YORK TIMES BESTSELLER • “This book delivers completely new and refreshing ideas on how to create value in the world.”—Mark Zuckerberg, CEO of Meta “Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.”—Elon Musk, CEO of SpaceX and Tesla The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In Zero to One, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we’re too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won’t make a search engine. Tomorrow’s champions will not win by competing ruthlessly in today’s marketplace. They will escape competition altogether, because their businesses will be unique. Zero to One presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.
