"Today bring to Me all mankind, especially all sinners, and immerse them in the ocean of My mercy." – Jesus to St. Faustina Throughout her Diary, St. Faustina speaks of Jesus' call for the conversion of souls. Through prayer and sacrifice, the Lord calls us all to strive for our own conversion, and for the conversion of the whole world. Perhaps you've tried everything to draw your friend or family member back to faith in God. In St. Faustina Prayer Book for the Conversion of Sinners, best-selling author Susan Tassone shows you how to place the lives of all you love into God's merciful hands. Known worldwide as leading the "purgatory movement," Susan invites you to learn how to live the message of conversion daily, to avoid purgatory, and to become more faithful in praying for others. "St. Faustina Prayer Book for the Conversion of Sinners is a much-needed treasure which allows us to glimpse the mercy of God and his call to conversion. I pray that all who read this book will be touched by God's love and experience the grace needed to follow Jesus more closely as his disciples" – Cardinal Seán Patrick O'Malley, OFM Cap. "Use [the St. Faustina Prayer Book for the Conversion of Sinners] faithfully to pray for relatives and friends, and apply it to yourself to help with your own growth in holiness." – Greg Erlandson, Editor in Chief, Catholic News Service "This is a great book to help you pray for others, but it's more than that. Filled with prayers and inspiration for the continual, day-by-day conversion of our own hearts, it's a book for each one of us." – Vinny Flynn, author of Mercy's Gaze

*Would you like to learn to pray like a medieval Christian? In *Mary and the Art of Prayer*, Rachel Fulton Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the Virgin. More than just a work of comprehensive historical scholarship, the book asks readers to immerse themselves in the experience of believing in and praying to Mary. *Mary and the Art of Prayer* crosses the boundaries that modern scholars typically place between observation and experience, between the world of provable facts and the world of imagination, suggesting what it would have been like for medieval Christians to encounter Mary in prayer. *Mary and the Art of Prayer* opens with a history of the devotion of the Hours or "Little Office" of the Virgin. It then guides readers in the practice of saying this Office, including its invitatory (Ave Maria), antiphons, psalms, lessons, and prayers. The book works on several levels at once. It provides a new methodology for thinking about devotion and prayer; a new appreciation of the scope of and audience for the Hours of the Virgin; a new understanding of how Mary functions theologically and devotionally; and a new reading of sources not previously taken into account. A courageous and moving work, it will transform our ideas of what scholarship is and what it can accomplish.*

Young women are under more pressure than ever before: pressure to be pretty, to be successful, to have a perfect selfie game. Is it possible for them to be their true selves? Or must they fit into the same mold as the rest of their peers? Into this world of ever-growing pressure bursts Emma Mae Jenkins with a message of hope and unabashed joy. Emma Mae knows what it feels like to be judged and bullied, but she chooses to ignore the haters and instead focus on a message of love and acceptance in Jesus Christ. In this powerful

devotional, Emma Mae will show young women what it looks like to live a life of rejoicing in God's love and the incredible excitement they can feel when they "live in ALL CAPS" for Him.
