

Book Of Secrets The Esoteric Societies And Holy Orders Luminaries And Seers Symbols And Rituals And The Key Concepts Of Occult Sciences Through The Ages And Around The World

A look into secrets hidden in music, painting, sculpture, and architecture • Ranges from paintings of Byzantine icons to Salvador Dali, music from Mozart to Satanic Rock, and mystery sites from the Pyramids to Andrea Palladio's Villa Cornaro • Includes more than 100 color and black-and-white images that reveal the mysteries contained in these artistic works In **Secret Societies and the Hermetic Code**, Ernesto Frers presents a virtual museum of artistic works that contain occult secrets. The scope of his research ranges from the paintings of Byzantine icons to Salvador Dali, from mystery sites such as the Pyramids to the architecture of Andrea Palladio's Villa Cornaro. He also discusses the hermetic influence on music evidenced in the works of Mozart through to the modern era of rock and roll. Frers explains that all cultures encode in their architecture, art, and music the instructions and diagram of their esoteric ritual and faith. He shows how during the Middle Ages and Renaissance, the Church's severe censure of anything antithetical to its dogma forced artists to conceal mystical references within the religious images or scenes they depicted. By examining works that have not received such scrutiny before, including those of Titian, di Cosimo, Botticelli, and Rembrandt, Frers brings to light the symbols and cryptic messages hidden in these masterworks. He presents his evidence using more than 100 color and black-and-white images to reveal the mysteries contained in these works of art. He also extends his investigation to the occult leanings of modern-day musicians such as the Beatles, the Rolling Stones, and Led Zepplin.

This is a new release of the original 1940 edition.

This completely reworked second edition of **Modern Esoteric** includes new information, over a dozen additional images, and up-to-date revisions. Winner of the Best Book Design 2014, **Modern Esoteric** examines the flaws in modern history and looks at how conspiracy theories, esoteric knowledge, and fringe subjects can be used to help change the dead-end course humanity seems to be following. The **Lifeology** section explores the long and storied "alternative narrative" of life on this planet. In the **Control** section, author Brad Olsen examines how Big Brother is here in the form of the New World Order, and how they keep the knowledge of humankind's true nature from the mass population. Finally, the **Thrive** section looks at all the ways humans are evolving to achieve their full potential. The author presents his perspectives and personal experiences on mentalism and how it can be used to tap into the mind's hidden powers.

This book is the testament of a Shaman, Tantrika and Metaphysicist detailing all of his most esoteric knowledge about The Universe, Existence, Physics, Metaphysics, Spirituality, Shamanism, Magick, Personal Development, Success and Sexuality. This book is written in verse format just like the bible and many scriptures for easy referencing of the information, but unlike most other scriptures this book reveals all of the most hardcore information that most religious authorities do not want you to know and have kept hidden for thousands of years. This is indeed a concise manifest of all of the secrets of the universe that you need to know to understand your life and reality. This book will challenge your mind as well as enlighten and empower you, and not only give you the knowledge of the universe and existence that you need to understand exactly how everything works, but it will give you an entire magickal tool chest for success in your life so you can make it what you want and change the world around you. This book is a very valuable and empowering testament that will give you the secret magickal power that the religious authorities have tried to keep away from the masses and all to themselves. If you have been searching for a way to enlightenment and spiritual attainment and power, you have just found it.

Mitch provides a compelling and illuminating twelve-chapter guidebook to Hall's encyclopedia arcana

A KEY TO THE MYSTERIES No other book in history has done more to clarify the Esoteric, mystical, and occult traditions of the world than Manly P. Hall's The Secret Teachings of All Ages. Now, historian Mitch Horowitz provides the first companion work to Hall's opus. The Secret Teachings of All Ages helps twenty-first-century readers enter and experience (or re-experience) Hall's hallowed pages and also clarifies and expands on some of the book's key themes and topics. Mitch explores developments and historical discoveries since hall published his "Great Book" nearly a century ago and adds fresh dimensions to subjects including: • The antiquity and legacy of Ancient Egypt. • The mystical origins of the world's major faiths. • Strange beasts and anomalies in history and today. • The origins and esotericism of Tarot. • Secret Societies in Myth and Fact. • The enduring relevance of astrology.

Authorized by Manly P. Hall's Philosophical Research Society, The Secret Teachings of All Ages is a feast of esoteric exploration on its own and a worthy companion to history's unparalleled encyclopedia arcana. "Mitch is a fantastic tour guide to the fringes of reason, high weirdness, deep esoterica, secret societies, and mystery religions." –BoingBoing "Has the rare gift of making the esoteric accessible to discerning masses." –HuffPost

It is astonishing to think that many great archaeological discoveries occurred in Egypt only by way of accident during the 19th and 20th centuries. Even today accidents still play a vital, frequent and sometimes comical role, with new discoveries happening almost weekly and with many more secrets of the ancient Egyptian civilization still remaining. This book takes readers beyond these discoveries and their associated accidents. This book cannot be considered purely as an Egyptological and archaeological reading or even as dry history pages covering Egypt's modern era of the 19th and 20th centuries. Rather, it is a book that sheds light on the intimate links between the birth of Egyptology after the deciphering of the famous Rosetta Stone and the raging world politics and

Read Online Book Of Secrets The Esoteric Societies And Holy Orders Luminaries And Seers Symbols And Rituals And The Key Concepts Of Occult Sciences Through The Ages And Around The World

regional power shifts in Egypt and its surroundings. The book ties together the political storms of colonialism in the first half of the 19th century and the unsettling effect these upheavals had on Egypt during the reign of Mohamed Ali Pasha. In a storytelling style, the book is a journey through time and place. The book takes readers on a guided tour to most of Egypt's well-known monuments that were mainly discovered by simple accident or in which an accident played a major part leading to discovery. In addition, the book leads readers through time exploring ancient Egypt, the days of the pharaohs, ancient gods, rituals and public ceremonial festivals, with old and new stories that shed light on the true value of such discoveries in antiquity and modern day.

A very long time ago Odin unlocked the secrets of the Runes. In two parts, Secrets of Asgard discusses their theoretical and a practical aspects. Part one focusses centres on the meaning of the individual runes and the myths, explaining Aettir alongside Northern mythology. It describes each of the gods as well as the Nine Worlds etc. The second part centres on the application of the system, namely magic and divination and includes rituals and exercises. A thesis of practical rune magic is developed which is based on the Havamal 144 stanza. The analysis concludes that the Runes were traditionally regarded as actual spirits. The stanza explains how to make your own set as well as other talismanic objects. The practice of galdr-singing is discussed in more depth to complement the Havamal 144 techniques. Then, discourse is given on the most common Ancient Germanic magical formulae. They complement the practical work on talismanic objects. A separate chapter is given on divinatory practices. Useful information on dreamwork is added and numerous other exercises used to make contact with the subconscious mind through auto-suggestion, and many other useful ritual techniques and practices.

Understand the true nature and the hidden history of the occult--a lost tradition with life-enhancing possibilities. He out precisely what esoteric belief has to say about the universe, its origins and development, and our place within the scheme of it all. More important, see how to access the hidden reality that lies beyond the familiar, everyday world we take so much for granted. All the deliberate mystification used by too many writers in this field are stripped away.

the discoveries of both science and occultism become the means of increasing self-awareness. Explore it to improve your own life--and humanity as a whole.

"The Laws and Secrets of Success" - recently published and already an Amazon bestseller - has quickly received stellar five star reviews from leading Amazon Hall of Fame Reviewers (among the top 100 reviewers on all of Amazon): "Very very highly recommend this UNIQUE book, it is the best book regarding how to be successful that I have ever read." -Daisy S., TOP 10 AMAZON HALL OF FAME REVIEWER "The power of his intuitions is infectious." -Grady Harp, TOP 50 AMAZON HALL OF FAME REVIEWER "This is one of those books where you will want to underline something important on each page. This is one of the most important books I have read in 2013." -Rebecca of Amazon, TOP 10 AMAZON HALL OF FAME REVIEWER About this book: This book is written in the style of the great Napoleon Hill. Think about this: With all of the success books out there, why don't we have more successful people? Too many success books simply rehash conventional wisdom. The truly great success books, such as "Napoleon Hill's "Think and Grow Rich", instead enable life-changing success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world's most successful individuals. The only way to do this is to study the v most successful individuals, as Napoleon Hill has done. And as I have done as well. For over two decades I have devoted myself to studying and interviewing the most successful individuals across varying fields, so that I could see learn for myself the principles which set them apart in terms of their success. And that is what I share with you here ready to throw out many of the things that you thought you knew about success! Let's start at the beginning with truth. Success is hard. Very hard. Very very very very hard. We all know that, once we have had a little bit of experience and are honest with ourselves. We all want to be more successful, but let's face it, sometimes we just don't know how because, as they say, "we don't know what we don't know". So we make the same mistakes over and over again (often without fully realizing it until later). And then we blame ourselves (or others) in regard to why things didn't turn out as had hoped, or planned. It's this simple: If you want to increase your level of success, read this book. We all go through the same struggles. This book - simply but powerfully - is your instruction manual on how to overcome them. Read this book, and in 60 days you won't even recognize the person you used to be. And neither will your family and friends. This is the type of change that allows you to get the things you really want in life. The things previously outside your reach. The things you saw others gain and achieve, but never seemed to be able to get for yourself. That can change today. We all know that a few better ideas can accelerate one's success substantially. Successful people take their better ideas and know how to leverage them further - and execute them better - than other people do. Once you understand the processes that successful people utilize to do this, you can very quickly ramp up your own success as well. Everybo

struggles. Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals. Success breeds confidence, making it easier over time. If don't want to keep making the same mistakes over and over and over again, you need to understand and understand well what these success principles are. That is what this book provides to you.

Celestial Secrets of Sexuality is a book whose contents revolve around achieving a state of 'Sexual Sanity' by way of emotional harmony. It empowers the reader to approach sex in a scientific manner and express sexuality in a profound artistic and refined fashion. It prevails upon man and woman alike to express conjugality and romance in equipoise, dignity, mutual ecstasy and in celebrative euphoria. It prompts the woman to percolate in a man's heart as the goddess Aphrodite and cajoles the man to become a suave gentleman of utter grace and potent virility. How such a condition of sexual sanity motivates and propagates harmonious joy and peace in the world the desirable intent and culmination of this presentation of Esoteric vs Erotic. Secrets of Black Magic from the Ancient Grimoires

From the strange symbols on a one-dollar bill to the secret signs of the Knights Templar and Freemasons, invisible societies, and the world of magic and alchemy, The Book of Secrets is a comprehensive introduction to the world of secret and esoteric knowledge throughout history. In the mystery tradition, "secrets" are levels of consciousness that are hidden from our normal mental state, the acquisition of a new point of view. The Book of Secrets delves into the world of the "occult," the initiated secret traditions of the fascinating unseen spiritual world: its symbols, secret societies, and seers. You'll discover: * Key Concepts: the Great Work, the Universal Force, Polarity, the Four Elements, Magick and Mysticism, Esoteric Anatomy, Qabalah, Alchemy, Astrology, the Astral Plane, and more. * Symbolism: More than 100 secrets symbols, words, objects, including their meanings and the secret powers they invoke: Animals, spiritual beings, and sacred objects. * Secret Societies and Holy Orders: The gatekeepers and the transmitters of sacred knowledge: Freemasons, O.T.O., Cathars, Templars, Assassins. Pineda places them all in history and geography and explains who they are/were and what they stood for. * Luminaries and Seers: More than 200 legends and historical personages: Hermes Trismegistus, Jesus, Siddhartha, Osiris, and other seers from the Middle Ages, the Renaissance, the 19th and 20th centuries. From video games such as "Limbo" and "Castlevania" to TV shows and movies to comic book heroes, or Dan Brown's novels, secret symbols and societies fascinate. Pineda provides a comprehensive introduction to secret knowledge for readers who want to know

more.

It is crucial to realize that "Outer Space", and all that is purported to exist beyond the known uppermost layer of The Earth's atmosphere, is really an occult metaphor for esoteric spiritual concepts. In essence, Outer Space, with its alleged cosmic events and forces, is merely an occult religion. These cosmic events and forces do not, in fact, exist in the real physical world. Contrary to popular belief, NASA has never seen anything beyond The Firmament, also referred to as "The Van Allen Radiation Belts", any more than George Lucas has. In fact, they BOTH have used Green Screen technologies to achieve the same illusion of Outer Space for the continued amusement and indoctrination of the masses into an occult, Jesuit Vatican designed religion called, "Astrophysics", where Heliocentrism is form of Pagan Sun worship. Necessarily so, this religion based upon the constant fixation on Stars, Galaxies, Planets, etc... dovetails quite seamlessly with Astrology, the believe in alien life, occult higher consciousness fantasies, and mystical realms. In this context, Galaxies, Solar Systems, Black Holes, Quasars, Massive Red Giant Stars, etc...may be interpreted as a kind of mystical playground of the mind, and the vast distances and magnitudes that the Outer Space metaphor offers gives wings to the fake expanded consciousness talked about in The New Age, which is nothing more than a repackaging of ancient Luciferianism. The Outer Space metaphor can be construed as a sort of esoteric conduit or platform, if you like, by which The Luciferian Occultists intended and still intend to ensnare the minds of the world towards the purpose of the eternal, willing, and hypnotic worship of Lucifer, The Angle of Light, but also The Angel of The Air. It is easy to see why the Outer Space illusion would be an appropriate metaphor for The Angel of Light and Air, of course, given the falsely presumed vast expanses of Outer Space with all of its magically pyrotechnic Supernovas, colliding bodies, Comets, and brilliant Stars...all of it mistakenly assumed to be monstrously further away and larger than what we actually observe with our eyes. As long as people look up in awe, fear, and reverence to the illusion of a vastly hyper-extending, randomly created, infinitely dangerous, cold, and hostile expanse, they will not be dwelling on the Loving Creator directly above them. They will be as an orphaned child cast out upon the dark, lonely, cobblestoned streets of night, the moon a but a ghostly galleon tossed upon the cloudy seas above them, and incapable of distinguishing between good and evil, up or down, or determining why they even exists. "In the cold, impersonal universe of Cosmic Evolution, there is no Design. No plan. No blueprint. No expectation. Life cannot even be regarded as having any more value or significance than non-life. All is nothing more than matter and energy, molecules and galaxies, colliding and repelling, forming and dissolving, organizing and dispersing. Endlessly. And in such a cold universe, there is no way to call ANYTHING, "evil". No basis upon which to object to anything at all. Because in such a universe, the desecration of a child is just another temporary random mechanical combination of matter and energy, no more or no less meaningful than a wave crashing on the shore, or a branch falling from a tree. It is a meaningless, hopeless, mechanistic worldview, that ultimately renders the individual, and humanity, as a whole, completely worthless.

This sacred scripture delineates the esoteric teaching of Caodaism and is originally written in Vietnamese.

With the combination of Coach Melvin's Dynamic Application of Internal Awareness(tm) (DAIA) Method, Dr. Totton's 100-day method to condition your body's neural pathways to establish a new habit which then becomes automatic, and with Dr. Painter's method of committed practice of Li Family Yixingong (Standing Meditation) to produce profound results at the neurological level, novices to advanced practitioners gain the ability to access your inner core, tapping into an area that can positively affect your overall well-being, prevent stress from taking hold, and give you perpetual mental-physical rejuvenation.

Lowell, a former con man, reveals the secrets of cheating, scams, and hustles in this roller-coaster ride through bar bets, card fraud, big and small cons, card and dice games, and more.

Aleister Crowley is best known today as a founding father of modern occultism and his influence can be found everywhere in Crowley, also known as the Great Beast, has been the subject of several biographies, some painting him as a misunderstood manipulative charlatan. None of them have looked seriously at his career as an agent of British Intelligence. Using documents from British, American, French and Italian archives, Secret Agent 666 sensationally reveals Crowley's role in many government plots. Mei Ling, Raj, Emily and Solomon have no idea why they have been selected for this assignment. Together they must learn to see and decipher truth from illusion in search of the seven secrets of the universe. Mother Nature is finally ready to regenerate the human misuse and abuse. Human beings will join the regeneration process only if these four International School students are able to find the Seven Secrets in time. A master of illusion will do everything in her power to stop them with obstacles - both inner and outer - setting for this adventure of the spirit.

Do you wonder about the future and the destiny of humanity? Do you want to know the true purpose of your existence on Earth and the Universe? A long-hidden ancient text holds the answers you seek. Zinovia Dushkova, Ph.D., is one of the few living people who have had access to the million-year-old manuscript widely known as the Book of Dzyan. Written in the language of the Gods, called Senuwos, it is hidden in the heart of the Himalayas, accessible to only a chosen few over the course of human history, including Gautama Buddha, Christ, Pythagoras, Plato, and Helena Blavatsky. Interpretations of various parts of this secret manuscript, presented in different ways, are found in all religions and philosophies. Now, for the first time ever, Dr. Dushkova has presented a never-before-seen excerpt from this sacred text in *The Book of Secret Wisdom*. Beautiful and enlightening, it will reveal not only our past, but also our present and future, and facilitate your understanding of this profound and poetic text, the book contains a comprehensive glossary gleaned from the text's wisdom. In *The Book of Secret Wisdom*, you will discover the answers to these questions: What are the ultimate goal and purpose of our existence? What is the cause of destructive weather, natural disasters, and global warming? What really happened in 1999 and the Great Event occurred invisibly in 2017? When did Armageddon and the Last Judgment occur? What should you expect in the coming years? Why are people dying, and is there a chance to be immortal? Why does it seem that time is speeding up? What is the famous Philosopher's Stone? and much, much more. The all-embracing and undistorted Truth presented in this book was once accessible only to the initiates of ancient civilizations who spent much of their lives seeking it. But now it is available to you in the pages of *The Book of Secret Wisdom*, a book that offers unprecedented access to the world's most ancient mysteries. "This book is an immeasurable treasure. Its depth and scope are incredible." -- 2016 Benjamin Franklin Awards Judge "It reads beautifully like a storybook, feels like a friend."

This wide-ranging book explores the diversity of esoteric and occult beliefs. Neo-Paganism is one of the fastest-growing new religions in the western world where witchcraft or Wicca, Druidry, and Urban Shamanism are thriving. Alongside this there has been an upsurge in New Age ideas of an even wider variety, including astrology, Tarot, numerology, and many others. And then there are members of various schools of occult science, practising High Magic. Why this new interest in old beliefs? Why are millions of educated people today abandoning both the established religion of their parents and 21st century scientific rationalism and turning to magic and esoteric teachings? In their search for spirituality those who follow these paths claim to be applying ancient wisdom to the modern world. The Brief History of Secret Religions, a companion book to The Brief History of Secret Societies, looks at the history and variety of these esoteric movements, where they came from and what they tell us about the world today. Praise for The New Believers: 'an excellent guide to fringe religions that juxtaposes "respectable" movements and those conventionally dismissed as cults.' The Telegraph. 'no-nonsense, comprehensive survey packed with non-judgmental information about the beliefs, aims and activities of such movements. Daily Mail.

Uncover the fascinating truth behind Freemasonry and incorporate symbolic rituals into your life with this remarkably detailed and comprehensive insider's guide. Jean-Louis de Biasi, a 32nd Degree Freemason who's been involved in the order for over twenty years, offers a candid look at the essential aspects of Freemasonry. Basing his work on original texts and archaeological findings, de Biasi details the Masonic tradition's history, the degree-based system of the Scottish Rite, and their ethical teachings and philosophies. He provides evidence of Freemasonry's origination in the Ancient Western Mysteries and its Hermetic and Qabalistic underpinnings, and then traces how the Founding Fathers used this knowledge to embed sacred symbolism into the U.S. Capitol and throughout Washington, DC. From the power-charged grids within architecture to Albert Pike's highly influential teachings,

A profound understanding of the surrealists' connections with alchemists and secret societies and the hermetic aspirations revealed in their works • Explains how surrealist paintings and poems employed mythology, gnostic principles, tarot, voodoo, alchemy, and other hermetic sciences to seek out unexplored regions of the mind and recover lost "psychic" and magical powers • Provides many examples of esoteric influence in surrealism, such as how Picasso's *Demaiselles d'Avignon* was originally titled *The Bath of the Philosophers* Not merely an artistic or literary movement as many believe, the surrealists rejected the labels of artist and author bestowed upon them by outsiders, accepting instead the titles of magician, alchemist, or--in the case of Leonora Carrington and Remedios Varo--witch. Their paintings, poems, and other works were created to seek out unexplored regions of the mind and recover lost "psychic" and magical powers. They used creative expression as the vehicle to attain what André Breton called the "supreme point," the point at which all opposites cease to be perceived as contradictions. This supreme point is found at the heart of all esoteric doctrines, including the Great Work of alchemy, and enables communication with higher states of being. Drawing on an extensive range of writings by the surrealists and those in their circle of influence, Patrick Lepetit shows how the surrealists employed mythology, gnostic principles, tarot, voodoo, and alchemy not simply as reference points but as significant elements of their ongoing investigations into the fundamental nature of consciousness. He provides many specific examples of esoteric influence among the surrealists, such as how Picasso's famous *Demaiselles d'Avignon* was originally titled *The Bath of the Philosophers*, how painter Victor Brauner drew from his father's spiritualist vocation as well as the Kabbalah and tarot, and how doctor and surrealist author Pierre Mabillet was a Freemason focused on finding initiatory paths where "it is possible to feel a new system connecting man with the universe." Lepetit casts new light on the connection between key figures of the movement and the circle of adepts gathered around Fulcanelli. He also explores the relationship between surrealists and

Secrets of the Magickal Grimoires

• Examines the significant figures and groups of Finland's occult world, including their esoteric practices and the secret societies to which they were connected • Investigates the relationship of nationalism and esotericism in Finland as well as the history of Finnish parapsychology and the Finnish UFO craze • Looks at the unique evolution of Freemasonry in Finland, showing how, when Finland was still part of Russia and the Masonic order was banned, adherents created a number of other secret societies Finland has long been viewed as the land of sorcerers and shamans as well as being identified with Ultima Thule, the mystical farthest north location of ancient myth. Exploring the rich history of Finnish occultism, Perttu Häkkinen and Vesa Iitti examine the significant figures and groups of Finland's occult world from the late 19th century to the present day. They begin with Pekka Ervast, known as the Rudolf Steiner of the North, who was a major figure in Theosophy before starting a Rosicrucian group, Ruusu-Risti. They look at the Finnish disciples of G. I. Gurdjieff, revealing how Gurdjieff himself fathered a son with the group's leader at the leader's request. They explore the grim case of the cult of Tattarisuo, who used body parts and the Sixth and the Seventh Book of Moses in their nightly rituals. The authors investigate the relationship of nationalism and esotericism in Finland, telling the stories of Sigurd Wettenhovi-Aspa, who thought that Finns were the root of all Western civilization, and of Yrjö von Grönhagen, who became a close friend of Heinrich Himmler and Karl Maria Wiligut. They explore the history of Finnish parapsychology and the Finnish UFO craze. They look at the unique evolution of Freemasonry in Finland, showing how, when Finland was still part of Russia and thus the Masonic order was banned, adherents created a number of other secret societies, such as the Carpenter's Order, the Hypotenuse Order, and the Brotherhood of February 17. The authors also examine how, following Finland's independence from Russia in 1917,

lodges began to reappear and were an important hub for spiritualist activities and groups such as the OTO and AMORC. Unveiling both the light and dark sides of modern esotericism in Finland, the authors show how, because of its unique position as partially European and partially Russian, Finland's occult influence extends into the very heart of left-hand and right-hand occult groups and secret societies around the world.

The occult has been shrouded in mystery and convoluted terminology. The Book of Confessions removes that shroud and demystifies this sphere of human existence. It is the birthright of whoever desires to know this dimension of life to have access. Of course, the practises in this book, while they do lead to a heightened state of consciousness, should not be used to harm others. These formerly obscured secrets, revealed in the Book of Confessions in layman's terms, could be what you need to spice up your life or synergise your spiritual study. This book is a concise introduction to occultism and esotericism, which skips the fear-mongering and idle dismissal. Offering a new perspective on the practical applications such knowledge may have in the improvement of your life. You will find in the book: - Hermetic Principles that underpin all the complicated New Age explanations of the law of attraction. - Astro-mental meditation practises to awaken one of the deepest dimensions of your being. - Magical Perceptions that will change the way you see the world. - Experiments to help you get started such as: - Tulpa creation. - Astral projection. - Lucid dreaming. - Tools to assist the novice practitioner. - Energy body systems (Ten Sefirot, Chakras, Astro-mental energy centers...). - Modes of the Mind that are most conducive to energy work. - Meditations to develop dormant powers. - A detailed introduction to the Brahmacharya system that will enhance your practice. - A short discourse on the "Power of Belief" and the relation of science and spirituality. - A link to a free book that will unify the essence of many spiritual practises. and much more priceless knowledge, this is just the tip of the iceberg. © Ikiké Press, 2020

In 1924, Paul Foster Case expanded his First Year Course by developing two advanced lecture series which he entitled Section uConcentration and Section D: Magic. The lectures built upon the material in the First Year Course(which had become known at this time as Section A:The Life Power and Section B: The Seven Steps to Spiritual Unfoldment). The Fraternity of the Hidden Light has recently published both of these lecture series as Occult Fundamentals and Spiritual Unfoldment - Volume 1: The Early Writings. This current volume provides the two additional lecture series that complete the original fundamental course structure of Paul Case. Section C, Concentration, expounds the esoteric secrets of Meditation. This section is a very advanced series of lessons that not only develops the

essential skill of concentration but commences the student upon the Path of Return with a series of powerful Qabalistic Meditations. These Meditations have a tendency to facilitate deep spiritual experience in those who are prepared and chose to participate. This lesson series indeed represents some of the most advanced material written by Paul Case. Section D, Magic, provides the esoteric secrets of Magic in a very rare exposition of the fundamental tenets of magical practice by one of the greatest occultists of the 20th century. Here again is material published by Paul Case that cannot be found in any of his later developed lesson series and provides insight into the tools of the trade practiced by Golden Dawn enthusiasts today.

Were there groups in Ancient Judaism that cultivated esoteric knowledge and transmitted it secretly? With the discovery and burgeoning study of the Dead Sea Scrolls and particularly of the documents legislating the social structure of the Qumran group, the foremost paradigm for analysis of the group's social structure has become the "sect." This is still dominant, having replacing the monastic paradigm used by some of the earliest scholars of the Scrolls. But after studying what has been written on secret societies more generally, Michael Stone has concluded that many known ancient Jewish groups-the Qumran covenanters, Josephus's and Philo's Essenes, and Philo's Therapeutae-should be viewed as societies at the heart of whose existence were esoteric knowledge and practice. Guarding and transmitting this esoteric knowledge and practice, Stone argues, provided the dynamic that motivated the social and conceptual structure of these groups. Analyzing them as secret societies, he says, enables us to see previously latent social structural dimensions, and provides many new enriching insights into the groups, including the Dead Sea covenanters. By examining historical and literary sources, Stone uncovers evidence for the existence of other secret groups in ancient Jewish society. This line of study leads Stone not only to consider the "classical" Jewish apocalypses as pseudo-esoteric, but also to discern in them the footsteps of hidden, truly esoteric traditions cultivated in the circles that produced the apocalypses. This discovery has significant implications, especially considering the enormous growth of study of the apocalyptic in the Judaism of the Second Temple period and in nascent Christianity over the last seventy years.

"...In the night of the same day the Lord appeared to me and stood in my prayer room. This divine visitation was physical, for the Lord sat down and commanded me to write at the same time all that He would say. Then Our Lord and Saviour Jesus Christ spoke to me and said..." - IYKE NATHAN UZORMA

There's a sacred and hidden path inside each one of us, a path of mysteries and amazing manifestations, where nothing is impossible, not even our wildest spiritual creations. This is the realm of impossibilities, where imagination is carried away by a spiritual insight, which is here referred as the phoenix. The allegory inside this book takes us to a subconscious realm, that can lead us to the most uplifting and unknown side of ourselves, but also to other realities as well, namely, the ones that are parallel to ours, and also other dimensions and galaxies. It is with this allegory of the phoenix that we understand the role of the dragons and serpents of our planet, and how they interfere in the Tao of our existence. As a dance of forces, vibrations of different natures, these symbols and concepts take us to the deepest truth within, of who we are and how far can we go. This is a book about the adventures of our soul, the journey within that so many Shamans live to explore. It's also about a path that all spiritualists and gurus have experienced, a path that some have called nirvana, enlightenment or awaking, but few have ever had the ability to fully describe in a way that can be perceived by the common mortal. The Native Americans have often told us about the spirit of the eagle that keeps guard over the spiritual world. This eagle, or big bird, is representative of another living force, which is the phoenix, the bird of fire. This is why many mystics of ancient times believed that only fire could take souls to another world. The fire purifies the body, but the most potent fire comes from within, as an energy that we burn with our conscious awareness. This is the fire that Buddhists, Taoists and Hindus persist in awakening from within, commonly using disciplines created specifically for this purpose, such as yoga, chikung and meditation. This fire represents the power of our own spirituality, which most people are unaware to possess. As mortals and genetically manipulated slaves of a few alien species, we've lost the physical capability to ignite it. But the phoenix can help us reach it, through the spiritual nature that is within each one of us. The one who can ride the phoenix, can travel very far, to amazing lands. And these are the ones that often come back, when they choose to, as our prophets and religious leaders. This book describes their journey to Valhalla, Heaven, Paradise, or more simply, the Laboratory of God.

The magic and mysteries of Mexico or, The Arcane secrets and occult lore of the ancient Mexicans and Maya The notion of a parallel universe has intrigued the human mind for millennia. This book, however, is not about science fiction; it is about real life. Indeed, Jesus Christ himself, the most "real" human being that ever existed, spoke of the "Kingdom of Heaven" almost as though it were another dimension--a parallel universe.

From Egyptian mythology to Jewish mysticism, Rome and Greece to the druids and the gnostics, Tim WallaceMurphy exposes a fascinating lineage of hidden mysteries and secret societies, continuing through the Templars, Rosicrucians, and Freemasons to our modern visionaries. This hidden stream of spirituality and that of sacred knowledge are inseparably entwined to form the single most important continuous strand in the entire Western esoteric tradition. This tradition exerted a seminal influence on the thinking of the builders of the great cathedrals/ leading teachers in ecclesiastical schools/ philosophers/ playwrights/ poets such as Shakespeare, Goethe, Blake, and W. B. Yeats/ and on artists and Renaissance giants such as Leonardo da Vinci and Michelangelo. It is also the root from which sprang alchemy and modern science. Now, as more people are looking to find information on the alternatives to dominant religions and dogmas that have told us what to think and how to behave, as faith has been questioned by religious scandals, economic meltdowns, and an increasingly sick planet Earth, WallaceMurphy reveals the secrets of the masters, including invaluable spiritual insights into everyday life that have been hidden throughout the ages. He shows us who kept this spiritual tradition alive despite appalling persecution, so that we in the twentyfirst century might benefit from its accumulated fruits and ennoble our lives. Hidden Wisdom will be of immense interest to readers of the number one bestseller The Lost Symbol as it explains much of Dan Brown's focus on the ancient mysteries.

From its earliest days, America served as an arena for the revolutions in alternative spirituality that eventually swept the globe. Esoteric philosophies and personas—from Freemasonry to Spiritualism, from Madame H. P.

Blavatsky to Edgar Cayce—dramatically altered the nation's culture, politics, and religion. Yet the mystical roots of our identity are often ignored or overlooked. Opening a new window on the past, Occult America presents a dramatic, pioneering study of the esoteric undercurrents of our history and their profound impact across modern life.

The magickal methods and esoteric knowledge of medieval Europe (476 to 1453 C.E.) form the ancestral backbone of modern ceremonial magick. To understand medieval magick, it's necessary to know the primary repositories of this knowledge - the grimoires of spells, incantations, and ritual instructions for working with angels and conjuring spirits. And to understand the grimoires, you must delve into the life and times of the magicians who wrote them. Scholar and magician Aaron Leitch sheds light upon the greatly misunderstood subject of the medieval mage in this comprehensive reference manual. In addition, he provides valuable comparisons among the magical practices described in the grimoires and various shamanic methods of working with the spirit world.

This unique study examines Dante's Divine Comedy in relation to the evolution of consciousness, and explores Dante's connection to the Knights Templar, the Fedeli d'Amore, and other esoteric movements. By analysing the poetry of Dante and the other Italian poets of the Fedeli d'Amore, the author investigates the existence of a 'secret language' and the transmission of sacred knowledge hidden within the lyrics of those who partook in the Dolce Stil Novo (Sweet New Style), the most significant literary movement in Italy during the 13th century. The book culminates in an in-depth analysis of the Divine Comedy in its entirety, canto by canto, based on the threefold nature of the human being -- thinking, feeling and willing, as outlined by Rudolf Steiner.
