Where is Lee Harvey Oswald's body? The Kennedy assassination is a rat's nest of conspiracy theories: mafia involvement, a second gunman, a government cover-up... but the most important one may just be the idea that the body in Oswald's grave is not actually Lee Harvey. Meet the ragtag group of "useful idiots" unwittingly brought together to clean up the crime of the century – a wannabe communist, a world-weary Civil Rights activist ready for revolution, and a failed G-Man who still acts the part . Eisner Award-nominated writer, producer, and director Christopher Cantwell (Iron Man, The United States of Captain America) and artist Luca Casalanguida (Lost Soldiers, Scout's Honor) deliver an off-kilter crime thriller set in the shadows of history's greatest conspiracy! Collects Regarding the M... What shocking new discovery will bring B. one step closer to understanding his origins? As B. and Diana's bond continues to grow, B. opens up about a recurring trauma from his past. Will this new revelation jeopardize B. and Keever's latest mission? Or is it all part of a plan by Caldwell to trigger more memories?

What is the true origin of the Phantom Ranger? And what is his connection to the Morphin Grid? From the moment he first appeared 24 years ago, fans have wondered about the origin of the mysterious Phantom Ranger. Questions which have never been answered, until now... BOOM! Studios proudly presents a limited series event that will delve into the deepest origins of the Power Rangers Universe. The Omega Rangers try to reach the Spectrum II, but Drakkon has other plans that will cost them dearly. After the shocking events of last issue, the Empyreals add to their ranks before being called back to do their master's bidding. As a departing gift they unleash their full might on the alien planet. If the Omega Rangers can survive, they'll find themselves stranded without hope of survival. Can they find a way out?

Nickelodeon’s beloved animated series Rugrats premiered in 1991 and gave the world thirteen seasons of unforgettable baby fun and adventures. With its unique blend of humor and family values, Rugrats established itself as a pop culture phenomenon. It’s unparalleled success gave way to movies, merchandise, and more, including a long run of newspaper comic strips. Collecting the newspaper dailies and Sundays, Rugrats: The Newspaper Strips follows the babies on a series stand alone adventures perfect for readers of all ages.

Acclaimed writer Simon Spurrier (John Constantine Hellblazer, Coda) and artist Chris Wildgoose (Batgirl, Batman: Nightwalker) present a subversive coming-of-age story about having all the power to change the world but the unready hands to truly wield it. Three teenagers, each an outcast in their own way, stumble upon an unearthly entity as it’s born. As they bond over this shared secret and the creature’s incredible abilities, it becomes clear to the teenagers that their cute little pet is a superpredator in the making—and it’s in need of prey. Guided by the best intentions at first, the teens' decisions soon become corrupted by adolescent desires, small town jealousies, and internal rivalries, sending them into a catastrophic spiral of their own making.

In a future where humanity is extinct, the most evolved android on the planet revives her creator to bring back humanity before the Earth is consumed by its AI overlords. HUMANITY IS NO MORE. One thousand years after humans have become extinct after being replaced by artificial intelligence, a single man is brought back to life - David Adams, the man who created the technology that destroyed his people. Even with the help of the same android who brought him back to life, Adams may not be enough to reignite the spark of humanity - and stop the AI overlords who plan to eliminate mankind permanently. Now Adams embarks on the greatest journey of his life, as he seeks to find redemption for his greatest mistake and discover if humanity can - or should - have any kind of future. In a story created by Arash Amel (A Private War), Brian Kavanaugh-Jones (Upgrade), Lee Toland Krieger (The Age of Adaline), and Joseph O'ford (Me + Her), acclaimed writer Clay McLeod Chapman (Absolute Carnage: Separation Anxiety) and Jakub Rebelka (Judas) present a stunning view of the future where humanity's last hope may be its destroyer.
