Winning the lottery? Getting a promotion? Getting a degree? Scoring a home run, or a winning goal? It might be hard to believe, but a breakfast conversation could be the most consequential event in your life – if it is with Jesus. Looking at the breakfast conversation in John 21, we see how Peter's life changed forever as he was challenged to step up and play his part in God's big plan. And Jesus has an exciting challenge

for all of us today. As Jesus captures our hearts with his love and forgiveness, we'll be motivated to be part of something truly extraordinary. Perfect to read with men who you'd like to encourage to live all out for Christ or to give away at men's breakfasts.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Got salvation? What if salvation is not one more thing to acquire but an invitation to radical

transformation? Christians often turn life--and faith--into one big quest for the good life. We expect to "get" a good job, loving spouse, a life of comfort, personal satisfaction--oh, and salvation with a cherry on top. Our acquisitive impulses aren't limited to lattes and designer jeans; Christians in power throughout history have focused on getting people saved, possessing the land, and gaining dominance in government. But what if Christianity isn't about striving for something more, but about renouncing the power and privilege that prevent us from receiving God's abundant life? What if we are called

not to treat salvation as one more thing to pursue but as an invitation to conform to Christ? Born Again and Again is the story of how a religion birthed on the margins of the Roman Empire became functionally the official religion of today's largest military superpower. Pastor and blogger Megan K. Westra takes on the self-serving form of Christianity that has birthed the doctrine of discovery, planet-killing lifestyles, and civil religion. She leads readers into an encounter with the Jesus who gave up everything to come to us and invites us to give up everything to come to him. Conforming to Christ radically reorients

our lives, priorities, and faith away from the pursuit of our own interests and toward a pattern of discipleship, setting us free from fear-based consumption and creating new possibilities for connection and belonging within the community of God's people.

Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original

meaning of the passage but don't discuss its contemporary application. The information they offer is valuable--but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible means but also how it can speak powerfully today.

How To Be Born Again

This book truly lives up to its name by showing how being born again can be an enjoyable, meaningful,

sustainable experience to anyone who believes. It speaks with clarity and certainty about how to be a true follower of Christ without any regrets, or any desire to turn back. Born-again life is not an upgrade or a transformation of our life in Adam, but a total replacement of it. This life, though expressed through our physical humanity, has not a thread of humanity in it. It is absolutely incorruptible and totally divine, because it originated directly from the incorruptible God. Many born-again Christians are failing in their walk with God because, unknowingly, they are disconnected from the very life they received from Him, while attempting to do the impossible--desperately trying to make their life in

Where To Download Born Again Born Of God

Adam live for Christ. However, born-again life is not about me trying living for Christ, but totally about Christ living for me, and me surrendering to the reality of His presence and work in, and through, me. This book is designed to show believers--new and old--how to recognize and connect with the incorruptible, victorious life of Jesus within them, and how to successfully integrate and reflect the power of that life in all their daily interactions and affairs. God has created us anew in Christ Jesus to accomplish great and wonderful things in the earth, and it is time for the world to see the magnificent manifestation of the sons and daughters of God. Certainly, this priceless, literary gem holds a lot of

pleasant surprises for you. It is guaranteed to challenge your current understanding of yourself, and produce a positive, permanent change in your life. God gave you the inalienable right to become His child, through Jesus Christ, and you deserve to enjoy the full measure of that life NOW! This book will show you how.

Do you desire to glorify God through the way you farm? Are you tired of reading books on farming and food production that ignore God as Creator? This book looks at various Biblical principles related to agriculture and provides examples of practical application. Topics covered include: -Designing farms as beautiful, fruitful homes. -Honoring God's design in farm production -Growing crops that honor the Lord -Marketing as ministry -The idolatry of modern agriculture -Advantages of the farming lifestyle -Starting a farm and making a living. Without claiming to have all the answers, Born Again Dirt seeks to inspire you to develop a vision for God-glorifying agriculture . It contains the dos and the donts expected of all born-again Christians by God the Father and the Creator of heaven and earth. It represents a well-compiled autobiography to any given true believer or devotee to the Christian religion. It reflects the promises that God promised the world upon obedience to his law, as well as curses to be imposed upon disobedience to these promises. It also highlights on the commandment that God gave to Moses and how a holy life is maintained through obedience. It gives

insight on what are the qualification of a born-again Christian, a deacon, or an overseer. It then outlines the series of things to be done in a believers life and when they qualify to be pronounced as born-again. It clarifies the but, what, and if in the Christian churches and the body of Christ. It teaches about the authority men are entitled to from God and the power to overcome death, the slavery of sin. It also equips readers with knowledge on how to maintain righteousness for them to inherit the kingdom of heaven.

ARE YOU AWARE OF THE MOST IMPORTANT STATEMENT EVER MADE? "YOU MUST BE BORN AGAIN" Why? Because without it you have no hope of

Where To Download Born Again Born Of God

enjoying the glories of heaven and escaping the horrors of hell. Are YOU born again? Jesus said "Ye must be born again." John 3: 7 "Except a man be born again, he cannot see the kingdom of God." John 3:3 A very interesting event took place while Jesus walked the earth, many of the religious leaders of his day did not believe or receive him but there were some who due to fear of what people will say though they believed, they did not show publicly what they thought about him then in John chapter 3, one of them came to enquire at night about the kingdom Jesus was talking about. He was curious as to how one can be a part of the kingdom and Jesus said in verse three. "Verily, verily, I say unto you, except a

Where To Download Born Again Born Of God

man be born again, he cannot see the Kingdom of God" John 3:3 "Jesus answered him, I assure you most solemnly I tell you, that unless a person is born again (anew, from above), he cannot ever see (know, be acquainted with, and experience) the kingdom of God.' AMP The man must have looked at Jesus to confirm if he was in his right senses for he wondered how an adult would enter into his mother's stomach and be born again and Jesus told him "Except a man be born of the water and the spirit, he cannot enter the kingdom of God." so we can see that this goes beyond physical birth, this is the work of the spirit of Christ. Many of us who were born into Christian homes automatically believe we are born again or

Where To Download Born Again Born Of God

part of the house hold of faith, God forbid that at the end, Jesus tells us to depart because he does not know us. Being part of a Christian home or being part of a church does not equal being born again. You may know a lot about Jesus and God of the Christians, you may even know some verses in the bible and be able to quote them well, you may be able to say a thing or two about Jesus but then do you know him personally. You may say you know the president of your country, you might be able to say a lot of things about him but then the level of knowledge you have cannot be compared to what his wife will say. The wife knows him better, she sleeps with him and shares intimacy with him, and he will

Where To Download Born Again Born Of God

tell her things he is too careful not to tell the world, she knows his strengths and his fears. She knows when he is pretending to be okay and smiling when he is dying in silence. Now that is a level, and God desires that, intimacy with God and a relationship with him is the end to which Christ died so that when you die you can share eternity with him in heaven. So it's not about knowing about Jesus, it is about Jesus knowing you. Do you want to make heaven and be part of the kingdom Jesus talked about? Then you must be born again for that is the access, the key to the kingdom that is what entitles you to all that pertains to life and godliness. The son of a prince does not beg for the throne, he knows the throne is

his by birth, same thing goes, we are the King's kid and because we are born of God, we have all He has. "But as many as received him, to them gave the power to become sons of God, even to them that believe on his name." John 1:12 So the power we have to be called sons is imparted at new birth, when we receive him into our life. Are you curious to know what this new birth is? Let's continue the ride through the pages of this book.

The New Testament of our Lord and Saviour Jesus Christ

When Jesus said to the Jewish leader Nicodemus, "You must be born again," Nicodemus asked in astonishment "How can these things be?" Some two thousand years later, people are still confused about the term "born again," though more people than ever claim to have had the experience. In this booklet, Dr. R.C. Sproul cuts through the confusion and carefully explains what it means to be born again. Dr. Sproul affirms that the new birth is essential for salvation and goes on to show that this regeneration is a sovereign work of God in our

hearts. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers. Jesus answered and said..., "Unless one is born again, he cannot see the kingdom of God" (John 3:3). A lot of people do not have the assurance they will go to heaven when they die. Jesus made it clear in John 3:3-5 that to enter heaven each of us must be born again. If you do not have a personal relationship with Jesus, author Isaac William King will show you how you can be born again, just as Jesus said. And for those who already believe in Christ, *Just Be Born Again* details how you can know H

"The term born again is very precious and very crucial in the Bible. And our main concern should be to know what God intends when the Bible uses this language, so that in His grace we may experience it and help others do the same. It is of enormous consequence that we know what being born again really means. God is the great Doer in

this miracle of the new birth. And he has not been silent about it. This means that he does not want us to be ignorant of what he does in the new birth. It means that knowing what he has revealed about the new birth is good for us. When Jesus said, 'You must be born again,' he was not sharing interesting and unimportant information. He was leading us to eternal life"--P. [4] of cover.

Without born-again, no eye shall see the kingdom of God. Born-again brings you into the program of God; without born-again you are outside the program of God and your prayer is an abomination to God. Your identity as a born-again gives you the passage/way to the journey to the

kingdom of God. It is the fundamental/basic stage of Christiandom. Without you having Christ in you, you have no business with God, no program with God and Holy Ghost have no business with you, for it is the word of that Holy Ghost sees in man to visit Him. The Word is light that illuminates the man as house thereby attracting the attention of the Holy Ghost. Without the Word the house is full of darkness an evidence of emptiness or enemy occupant. Christ in you is your hope of glory. Bear in mind therefore that the status of born-again is more precious than all the treasures of the world put together. "You must be born again." - John 3:7 What did the Lord mean when He spoke the words above? To be born again with the life of Christ is the greatest blessing any human being can ever receive, but it is also a great mystery. Born Again makes an excellent Bible study tool for exploring the topic of our new birth, because it simply goes through the scriptures to cover, point-by-point, a number of the crucial and wonderful things that happen to us the moment we believe in Jesus Christ. From Chapter 1, "What Does It Mean

to Be Born Again?" We must ask ourselves, do we have a subjective Christ? Yes, we know so many facts about Him, but is He real to us? We can talk about Him and appreciate Him, but do we experience Him in our daily lives? No doubt, to be born again is to have a genuine, subjective experience of Christ, but that should only be the beginning of our experience of Him. We need to substantiate our experience of being born again day after day and year after year, throughout all the rest of our life. We should enjoy the riches we

For this to happen, what we received the moment we first opened our heart and believed in the Lord Jesus needs to become our continuous enjoyment. This is the Lord's marvelous desire for us, and this is why we were born again. - pages 16-17. Table of Contents: Preface 1. What Does It Mean to Be Born Again? 2. This is part of the last great Lloyd-Jones Sunday-morning series at Westminster Chapel. In these 32 powerful sermons, he concentrates on two main areas which feature prominently in John chapter 1: law and grace and their respective roles (from verse 17); and the assurance of salvation

(from verses 12-13). The central focus in all the sermons is the life that flows from the Lord Jesus Christ, received by faith, the life that characterizes those who are "born of God" - those who are God's children by faith in his beloved Son.

"Jesus replied, 'Very truly I tell you, no one can see the kingdom of God unless they are born again'" (John 3:3, NIV). My Born-Again Experience was written as a witness that God is truly who he says he is and can do exactly what he says he can do. The

best decision I ever made was to believe on the Lord Jesus Christ and to acknowledge and repent of my sins. When I made that decision, he placed his spirit in me, and my spiritual eyes were opened immediately. I am convinced that without God's intervention in my life, my life would have expired many years ago. I once was lost, but now I'm found, was blind but now I see. I truly believe that God wants us all to know that he loves us and is seeking to have an intimate relationship with us. He wants us to discover and

experience what his kingdom is like. One cannot experience nor understand his kingdom with their carnal way of thinking because the person without the spirit does not accept the things that come from the spirit of God but considers them foolishness and cannot understand them because they are spiritually discerned only through the spirit. My life was never the same after my encounter with God; it has been an amazing journey full of supernatural events and unforgettable memories. Over the years, I had the

I hope and pray that the words in this book will penetrate the readers' hearts, and they will be blessed as well. May the Lord receive all the glory and praise for the things he has done and the things he is going to do regarding this book.

The Truth Regarding Being Born Again

Basic Principles of the Experience of Life

New Life in Christ

Born Again This Way

Meditations of a Christian Hedonist

There are so many born again people who lead defeated lives because they don't know the implications of being born again. Why should sin still rule our lives when the born again experience gives us power over sin? Why should, we still endure shame and disgrace when Jesus took our shame, and shame ended when we got born again? What rights have disease, poverty and premature death to dictate to us and make us lead miserable lives in the world? If you are born again you must know who you are and the stuff you are

made up of. This book teaches you the implications or blessings of the new birth and opens your spiritual eyes to see the benefits God has for you as a born again believer. Read this carefully and take your place so you can have dominion over the system of the world. God bless you.

Stephen J. Hamilton attempts to create a "portrait" of "born-again" Christianity by providing a general introduction to the doctrine of regeneration, including its development in modernity, as well as short exegeses of relevant scriptural texts, followed by a close reading of four theologians - Philipp Jakob Spener, Jonathan Edwards, Friedrich D.E.

Where To Download Born Again Born Of God

Schleiermacher, and Charles G. Finney - who all associate the doctrine of regeneration with an experience of presence in the individual believer. In light of these analyses, he then traces a general theological structure of the "born-again" understanding of regeneration, including a catalogue of theological issues over which there is significant disagreement, in order to create a topography of "born-again" theologies. In the final section, he applies these results to contemporary conversion narratives of non-theologians. It is in such conversion narratives, the author argues, that theologians can discover an implicit, "lived" theology that reveals how doctrines are

Where To Download Born Again Born Of God

perceived and put into practice among Christians. Accordingly, this is to be understood as the result of the creative reciprocity between (often tacit) theological convictions and the experiences of the Christian life. The final chapter, as a coda to the entire work, offers some concluding reflections on the present cultural and political situation in the USA pertaining to "born-again" Christianity and argues against any oversimplifications of the relationship between "born-again" theologies, culture, and politics.

The purpose of being born-again is to cure pain that you are dealing with both spiritually and physically. The full force of Gods love will cure your temple of anything

Where To Download Born Again Born Of God

that hinders your spiritual progression. When God touches you, he makes you born-again by filling your soul with his love. God baptizes you with the Holy Ghost, and you can literally feel the power of the Holy Spirit blessing you, filling you with unexplainable joy. This event gives you a second chance to change your sinful nature and gives you the opportunity to follow the direction of where your newborn spirit, heart, and the Holy Spirit are taking you in life. When you are born again, God no longer judges you on sins you accumulated before you crossed over to become a born-again Christian. Instead, your lifes journey has led you to self-actualization of where you need to be going in

Where To Download Born Again Born Of God

life. You have realized that you now have a clean slate and a new heart, and hopefully you have gained a newfound meaning and purpose in your new life. Your obedience to the will of God and Jesus will lure your heart to the miraculous healing power of the Holy Spirit. Your relentless repentance, faith, and complete trust in the Lord will cleanse your spirit. This all happens with the practice of being righteous and being obedient to God. Although the Holy Spirit dwells within our temples, its holiness loses its strength inside our bodies as we live out our lives due to our sinful nature as humans.

This title's main subject is "to be born again of Water and the Spirit." It has the originality on the subject. In other words, this book clearly tells us what being born again is and how to be born again of water and the Spirit in strict accordance with the Bible. The water symbolizes the baptism of Jesus at the Jordan and the Bible says that all our sins were passed on to Jesus when He was baptized by John the Baptist. John was the representative of all mankind and a descendant of Aaron the High priest. Aaron laid his hands on the head of the scapegoat and passed all the yearly sins of the Israelites on the Day of Atonement. It is a shadow of the good things to come. The baptism of Jesus is the antitype of the laying on of hands. Jesus was baptized in the form of the laying on of hands at the Jordan. So He took away all the sins of the world through

His baptism and was crucified to pay for the sins. But most Christians don't know why Jesus baptized by John the Baptist in the Jordan. Jesus' baptism is the keyword of this book, and the indispensable part of the Gospel of Water and the Spirit. We can be born again only by believing in the baptism of Jesus and His Cross.

The single most important event in a person's life is the new birth. Yet, this is also one of the most neglected doctrines in the church. Many Christians would be hard-pressed to describe exactly what the new birth is, let alone what it means to the rest of their walk with God. What happens when we are born again? Does everything in our lives change immediately? Is it just a kind of spiritual do-over, a chance to get it right this time? What happens when we fail? Does it mean we weren't really born again to begin with? With a pastor's heart and a professor's insight, Steven Lawson carefully examines the encounter between Jesus

and Nicodemus found in John 3 to uncover the nature of this spiritual rebirth. He shows you the necessity of the new birth, how God changes our hearts through it, and what follows after, from baptism and involvement in a local church to handling doubts and setbacks. This book is perfect for believers who want to understand what happened when they believed and for non-Christians who are curious about what a new life in Christ is all about.

her life to Christ has brought Beatrice into a new level of glory, and she prays you will experience the same as you read this book.

Man has a problem and God has an answer in Christ. How do we respond? Dr. Graham gives the answer in simple, direct, and dynamic language. But he does not stop with the moment of the new birth, for newborns have a lot of growing to do. Here also is essential guidance to take them further, for they can scarcely realize so soon the potential of the new power God can release from deep within them. *How to Be Born Again* is at once universal and personal, for the new Christian and for the Christian along the way — an irresistible primer for finding salvation, a guidebook for continuing growth.
