Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. Dr. Gregory Hewitt recovers from the shock of waking up in a stranger's bedroom pretty

quickly—once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? Rule #1: Never get involved with someone who won't be there for you when the sun comes up. Once bitten, twice shy, and sexy PI Jackie Morrisey wasn't going there again. Vincent Argeneau may be the hottest guy she's ever met, living or dead, but she's here to stop a killer from turning this vampire into dust, not to jump into bed with him.

Rule #2: Never kiss a vampire . . . it can be a pain in the neck. Okay, so Vincent's had four hundred years to perfect his kissing skills, and he does look rather tempting when he runs around the house shirtless. He's also charming, protective . . . did we mention he can kiss? Jackie needs to be on her guard, or else she'll have to come up with a new rule: If you're going to fall in love with a vampire,

make sure it's a bite to remember.

One of the strangest (and funniest) love triangles ever to hit YA fiction, when a pair of twins (one boy, one girl) both fall for the boy who moves in with them...who may or may not be a vampire. Judy and Kyle Renneker are sixteen-year-old fraternal twins in a rambling family of nine. They have a prickly history with each other and are, at least from Judy's perspective, constantly in fierce competition. Kyle has recently come out of the closet to his family and feels he might never know what it's like to date a guy. Judy, who has a history of pretending to be something she isn't in order to get what she wants, is pretending to be born-again in order to land a boyfriend who heads his own bible study.

Natasha wasn't expecting to fall for the bad boy in her history class, but things took a turn for the better. Natasha expected this semester to be the typical boring semester. As a straight-A student, she always worked to be perfect, even if she hated it. But when she meets Theo, things start to change. Theo intrigues her, and soon, the two of them become close. However, Theo has a secret, one he's afraid to tell Natasha. However, when an attack happens, Theo springs into action, and soon the truth appears. This bad boy has more secrets than he's letting on, and Natasha doesn't know what to do with it. She's at a loss, and soon

Natasha has to learn acceptance in her own way. Will Natasha learn to accept the bad boy despite the secret that he has? Or will she continue to live a life of safety, not bothering to take any chances whatsoever?

“Christopher Moore is a very sick man, in the very best sense of the word.” —Carl Hiaasen The undead rise again in *Bite Me*, the third book in New York Times bestselling author Christopher Moore’s wonderfully twisted vampire saga. Joining his farcical gems *Bloodsucking Fiends* and *You Suck*, Moore’s latest in continuing story of young, urban, nosferatu style love, is no *Twilight*—but rather a tsunami of the irresistible outrageousness that has earned him the appellation, “Stephen King with a whoopee cushion and a double-espresso imagination” from the *Atlanta Journal-Constitution* and inspired *Denver’s Rocky Mountain News* to declare him, “the 21st century’s best satirist.”
