

Bravo Two Zero The True Story Of An Sas Patrol Behind Enemy Lines In Iraq

100 dependable recipes including no-fuss weeknight dinners plus leisurely weekend meals to look forward to, from the bestselling author of Once Upon a Chef. Years before she started her popular Once Upon a Chef blog, back when she became a new mom, Jennifer Segal kept a recipe binder divided into two sections- Weeknight and Weekend. This is how she thought about what to cook for dinner, and, fifteen years later, it still is. In this versatile collection, you'll find seventy recipes for fast and easy weeknight meals, like Sesame-Ginger Meatballs and Pecorino-Crusted Chicken with Rosemary, and thirty recipes for slow, soothing weekend cooking, whether that's company-friendly Sear-Roasted Beef Tenderloin with Horseradish Cream Sauce or lazy Sunday morning Popovers with Salted Maple Butter. You'll also find Jenn's favorite desserts, like Cherry Ricotta Cake and Triple Chocolate Cheesecake, that are easy enough for the weeknight rush and luscious enough for weekend rest and celebration. Featuring seventy all-new dishes plus thirty fan favorites from her popular blog, Once Upon a Chef, each recipe is tested and retested multiple times in Jenn's home kitchen to ensure they are reliable, delicious, and sure to please every night of the week.

The New York Times bestselling true account of John Chapman, Medal of Honor recipient and Special Ops Combat Controller, and his heroic one-man stand during the Afghan War, as he sacrificed his life to save the lives of twenty-three comrades-in-arms. In the predawn hours of March 4, 2002, just below the 10,469-foot peak of a mountain in eastern Afghanistan, a fierce battle raged. Outnumbered by Al Qaeda fighters, Air Force Combat Controller John Chapman and a handful of Navy SEALs struggled to take the summit in a desperate bid to find a lost teammate. Chapman, leading the charge, was gravely wounded in the initial assault. Believing he was dead, his SEAL leader ordered a retreat. Chapman regained consciousness alone, with the enemy closing in on three sides. John Chapman's subsequent display of incredible valor -- first saving the lives of his SEAL teammates and then, knowing he was mortally wounded, single-handedly engaging two dozen hardened fighters to save the lives of an incoming rescue squad -- posthumously earned him the Medal of Honor. Chapman is the first airman in nearly fifty years to be given the distinction reserved for America's greatest heroes. Alone at Dawn is also a behind-the-scenes look at the Air Force Combat Controllers: the world's deadliest and most versatile special operations force, whose members must not only exceed the qualifications of Navy SEAL and Army Delta Force teams but also act with sharp decisiveness and deft precision -- even in the face of life-threatening danger. Drawing from firsthand accounts, classified documents, dramatic video footage, and extensive interviews with leaders and survivors of the operation, Alone at Dawn is the story of an extraordinary man's brave last stand and the brotherhood that forged him.

The electrifying new thriller from Number One bestseller Andy McNab. The Channel Tunnel. 2012. Your worst fears are about to come true. Deep beneath the English Channel, a small army of vicious terrorists has seized control of the Eurostar to Paris, taken 400 hostages at gunpoint -- and declared war on a government that has more than its own fair share of secrets to keep. One man stands in their way. An off-duty SAS soldier is hiding somewhere inside the train. Alone and injured, he's the only chance the passengers and crew have of getting out alive. Meet Andy McNab's explosive new creation, Sergeant Tom Buckingham, as he unleashes a whirlwind of intrigue and retribution in his attempt to stop the terrorists and save everyone on board -- including Delphine, the beautiful woman he loves. Hurtling us at breakneck speed between the Regiment's crack assault teams, Whitehall's corridors of power and the heart of the Eurotunnel action, Red Notice is McNab at his devastatingly authentic, pulse pounding best. RED NOTICE: You have been warned.

The British Army's SAS--the Special Air Service--is recognized as one of the world's premier special operations units. During the Gulf War, deep behind Iraqi lines, an SAS team was compromised. A fierce firefight ensued, and the eight men were forced to run for their lives. Only one, Chris Ryan, escaped capture--by walking nearly 180 miles through the desert for a week. The One That Got Away is his breathtaking story of extraordinary courage under fire, of narrow escapes, of highly trained soldiers struggling against the most adverse of conditions, and, above all, of one man's courageous refusal to lie down and die.

patrol code-named "Bravo Two Zero"; breathtaking tales of combat; and more. A definitive guide that covers every aspect of SAS operations in the Gulf War.

KNOW YOUR ENEMY Liam Scott is back in Afghanistan, this time with 4 Rifles. No longer the new guy, it's his chance to prove himself and take the lead. But the warzone has changed dramatically, and so have the rules. Working alongside the Afghan National Army, Liam and his new patrol face daily attacks from Taliban insurgents. But the real threat seems to be coming from within his unit. It looks like there's a traitor in their midst. Eight members of the SAS set off on the mission. Only one evaded capture. This is his true story. The SAS mission conducted behind Iraqi lines is one of the most famous true stories of courage and survival in modern warfare. Late on the evening of 24 January 1991, the patrol was compromised deep behind enemy lines in Iraq. A fierce firefight left the eight men miraculously unscathed, but they were forced to run for their lives. Their aim was to reach the Syrian border, 120 kilometres to the north-west, but during the first night the patrol accidentally broke into two groups of five and three. Chris Ryan found himself left with two companions. Nothing had prepared them for the vicious cold of the desert winter, and after a blizzard and a desperate search for food, Chris Ryan found himself the last man standing. Left on his own, Ryan narrowly escaped an Iraqi attack and set out alone, trying to reach the border through some of the most lethal country in the world. This is the story of courage under fire, of skin-of-the-teeth escapes, of the best trained soldiers in the world fighting against adverse conditions, and of one man's courageous refusal to lie down and die. He is one of the most highly decorated soldiers alive. He is also the first to break the code of silence about the most elite fighting force in the world. What Andy McNab has to say is so explosive that the British government tried to stop him. A street fighter, a hard case, and a flawless soldier, Andy McNab became one of the elite fighting men in "the Regiment"--Britain's covert SAS. His actions behind the lines in the Gulf War made him a hero. But the full story of his life and his amazing career in Special Forces has remained a secret...until now. In harrowing detail, McNab takes us inside the Regiment, chronicling nine years of covert operations on five continents. Plunging us into a world of surveillance, counterintelligence, and hostage rescue, he takes us behind the scenes on some of their top secret missions. For the first time, he reveals the shocking details of their training--physically severe, mentally grueling, and sometimes deadly. And he dares to expose some of their highly confidential codes and rules--including the one that sanctions murder. This is the story of the fighting men of the SAS. Here is how they live. And here is how they die...

*The Real Bravo Two Zero*Hachette UK

This title's scope is both historical and contemporary, providing an account of real SAS life. Adrian Weale uses the words of men who have actually served in the SAS to explore the Service's early days through to its role in the Gulf War and today.

Based loosely on the life of Princess Pari Khan Khanoom, Equal of the Sun is a riveting story of political intrigue and a moving portrait of the unlikely bond between a princess and a eunuch. Iran in 1576 is a place of wealth and dazzling beauty. But when the Shah dies without having named an heir, the court is thrown into tumult. Princess Pari, the Shah's daughter and protégée, knows more about the inner workings of the state than almost anyone, but her maneuvers to instill order after her father's sudden death incite resentment and dissent. Pari and her closest adviser, Javaher, a eunuch able to navigate the harem as well as the world beyond the palace walls, possess an incredible tapestry of secrets that explode in a power struggle of epic proportions. Legendary women—from Anne Boleyn to Queen Elizabeth I to Mary, Queen of Scots—changed the course of history in the royal courts of sixteenth-century England. They are celebrated in history books and novels, but few people know of the powerful women in the Muslim world, who formed alliances, served as key advisers to rulers, lobbied for power on behalf of their sons, and ruled in their own right. In Equal of the Sun, Anita Amirrezvani's gorgeously crafted tale of power, loyalty, and love in the royal court of Iran, she brings one such woman to life, Princess Pari Khan Khanoom Safavi. Amirrezvani is a master storyteller, and in her lustrous prose this rich and labyrinthine world comes to vivid life with a stunning cast of characters, passionate and brave men and women who defy or embrace their destiny in a Machiavellian game played by those who lust for power and will do anything to attain it.

INTERNATIONAL BEST SELLING AUTHOR OF BRAVO TWO ZERO IN HIS EXPLOSIVE TRUE STORY "A gripping account of special forces at work . . . a tremendous adventure story."—Daily Telegraph "The best account yet of the SAS in action."—Sunday Times From the SAS soldier who invented the modern military memoir comes a storming battering ram of thrill-packed, unforgettable drama. Never-before-

revealed covert operations and heartbreaking human stories combine to create a new classic and a book that takes us back to where it all began... SEVEN TROOP is Andy McNab's gripping account of the time he served in the company of a remarkable band of brothers - from the day, freshly badged, he joined them in the Malayan jungle, to the day, ten years later, when he handed in his sand-coloured beret and started a new life. The things they saw and did during that time would take them all to breaking point - and some beyond - in the years that followed. He who dares doesn't always win...

_____ "Paying tribute to the soldiers he served with for 10 years, he tells the poignant story of five brave men of whom, tragically, he is the only one still alive." - News of the World "Brutal, touching, and humorous, this book recounts McNab's time in the SAS's Air Troop. It made me realise that he can fight as well as write. Treading in the footsteps of Sassoon, Brooke and Owen he pretty much founded the genre of the modern military memoir."

Professor Kevin Dutton, University of Oxford _____ What people are saying about SEVEN TROOP: [?] [?] [?] [?] "From the heart of a true warrior" [?] [?] [?] [?] "Seven Troop is yet another well written account of SAS actions on a much more personal scale, literally "a day in the life" thereof." [?] [?] [?] [?] "What he does differently in this book compared to his two others is describe the costs of being SAS. How he and others react to the deaths of their friends when they are killed on operations, the political decision making of the higher ups that override tactical common sense, being a small cog in a big machine and ultimately not being very valued by SAS headquarters."

RED NOTICE (Russian Edition)

The One that Got Away

The One That Got Away

Alone at Dawn

SOLDIER FIVE is an elite soldier's memoir of his time within the Special Air Service (SAS) and, in particular, his experiences during the Gulf War. As a member of the Special Forces patrol now famously known by its call sign Bravo Two Zero, he and seven others were inserted hundreds of kilometres behind enemy lines. Their mission was to reconnoitre targets, undertake surveillance of Scud missile sites and sabotage Iraqi communications links, but was to end in desperate failure. From the outset the patrol was dogged by problems that contributed both directly and indirectly to the demise of the mission. The patrol's compromise, and subsequent attempts to evade Iraqi troops, resulted in four members of Bravo Two Zero being captured and a further three killed. One escaped. But the story goes further than the Gulf War itself. Despite numerous books, films and articles on the same subject, the British Government has done its utmost to thwart the release of Soldier Five, at one stage claiming the book in its entirety was confidential. A campaign of harassment that took some four-and-a-half years of litigation to resolve has now resulted in this explosive publication. SOLDIER FIVE is a gripping and suspenseful account of one man's experiences as a Special Forces soldier. Revealing his conflicts, loyalties and relationships forged, it is the resolution of a soldier's determined fight to see his story told.

The Sunday Times No.1 bestseller. They were branded as cowards and accused of being the British Special Forces Squadron that ran away from the Iraqis. But nothing could be further from the truth. Ten years on, the story of these sixty men can finally be told. In March 2003 M Squadron - an SBS unit with SAS embeds - was sent 1,000 kilometres behind enemy lines on a true mission impossible, to take the surrender of the 100,000-strong Iraqi Army 5th Corps. From the very start their tasking earned the nickname 'Operation No Return'. Caught in a ferocious ambush by thousands of die-hard fanatics from Saddam Hussein's Fedayeen, plus the awesome firepower of the 5th Corps' heavy armour, and with eight of their vehicles bogged in Iraqi swamps, M Squadron launched a desperate bid to escape, inflicting massive damage on their enemies. Running low on fuel and ammunition, outnumbered, outmanoeuvred and outgunned, the elite operators destroyed sensitive kit and prepared for death or capture as the Iraqis closed their deadly trap. Zero Six Bravo recounts in vivid and compelling detail the most desperate battle fought by British and allied Special Forces trapped behind enemy lines since World War Two. It is a classic account of elite soldiering that ranks with Bravo Two Zero and the very greatest Special Forces missions of our time.

For a gorgeous Mossad operative and a trying-to-retire contract killer, mixing business and pleasure can be deadly.

The harrowing 1991 mission of eight men from the British Special Forces is revealed by their leader, as he relates their venture behind Iraqi lines, the deaths of three of their team, and the capture and torture of another four. Reprint.

As told by the men on the ground

Eye of the Storm

Liam Scott Book 2

Crisis Four

Jarhead

An Autobiography : from the SAS to the Gulf

Immediate Action

We all saw it at once. Half a dozen voices screamed 'Grenade!' simultaneously. Then everything went into slow motion. The grenade took an age to travel through its 20 metre arc. A dark, small oval-shaped package of misery the size of a peach ... April 2004: Sgt Dan Mills and his platoon of snipers fly into southern Iraq, part of an infantry battalion sent to win hearts and minds. They were soon fighting for their lives. Back home we were told they were peacekeeping. But there was no peace to keep. Because within days of arriving in theatre, Mills and his men were caught up in the longest, most sustained firefight British troops had faced for over fifty years. This awe-inspiring account tells of total war in throat-burning winds and fifty-degree heat, blasted by mortars and surrounded by heavily armed militias. For six months, they fought alone: isolated, besieged and under constant enemy fire. Their heroic stand a modern-day Rorke's Drift. The terrifyingly true tale of a daring British special forces rescue mission and all-out assault on a savage Sierra Leone guerrilla gang: "What a story!" (Frederick Forsyth, #1 New York Times bestselling author of The Day of the Jackal). Officially, the SAS mission was called Operation Barras. The men on the ground called it Operation Certain Death. In 2000, the British Special Air Service (SAS) attempted its riskiest rescue mission in more than half a century. A year before, an eleven-man patrol of Royal Irish Rangers who were training government troops in Sierra Leone was captured and held prisoner by the infamously ruthless rebel forces known as the West Side Boys. Their fortified base was hidden deep in the West African jungle, its barricades adorned with severed heads on spikes. Some four hundred heavily armed renegades were not only bloodthirsty—they were drink-and-drugs crazed. The guerrillas favored pink shades, shower caps, and fluorescent wigs, draping themselves in voodoo charms they believed made them bulletproof—a delusion reenforced by the steady consumption of ganja, heroin, crack, and sweet palm wine. This was the vicious and cutthroat enemy British special forces would confront in order to rescue their own. Featuring extensive interviews with survivors, this gritty, blow-by-blow account of the bloody battle that brought an end to ten years of Africa's most brutal civil war is "as good as any thriller I have ever read. This really is the low down" (Frederick Forsyth).

Their mission: To take out the scuds. Eight went out. Five came back. Their story had been closed in secrecy. Until now. They were British Special Forces, trained to be the best. In January 1991 a squad of eight men went behind the Iraqi lines on a top secret mission. It was called Bravo Two Zero. On command was Sergeant Andy McNab. "They are the true unsung heroes of the war." -- Lt. Col. Steven Turner, American F-15E commander. Dropped into "scud alley" carrying 210-pound packs, McNab and his men found themselves surrounded by Saddam's army. Their radios didn't work. The weather turned cold enough to freeze diesel fuel. And they had been spotted. Their only chance at survival was to fight their way to the Syrian border seventy-five miles to the northwest and swim the Euphrates river to freedom. Eight set out. Five came back. "I'll tell you who destroyed the scuds -- it was the British SAS. They were fabulous." -- John Major, British Prime Minister. This is their story. Filled with no-holds-barred detail about McNab's capture and excruciating torture, it tells of men tested beyond the limits of human endurance... and of the war you didn't see on CNN. Dirty, deadly, and fought outside the rules.

'Nick Stone is one of the great all-action characters of recent times' Daily Mirror Tough, resourceful, ruthless - as an SAS trooper, Nick Stone was one of the best. Now he's back on the streets. After a botched mission, the Regiment no longer want his services. But British Intelligence does - as a deniable operator. It's the dirtiest job in a very, very dirty world. In Washington DC, it's about to get dirtier still. On the apparently routine tail of two terrorists, he discovers the bodies of an ex-SAS officer and his family. Soon he's on the run with the lone survivor of the bloodbath - a seven year old girl. And whilst she can identify the killers, only Stone can keep them at bay - and solve a mystery whose genesis takes him back to the most notorious SAS mission in recent history... Remote Control is the first of Andy McNab's blistering Nick Stone thrillers - bestsellers whose landscape is so compellingly close to the truth that they had to be vetted by the Ministry of Defence, and could only be published as fiction... What readers are saying: ***** "Non-stop action and twists" ***** "A thrilling journey that plays in your mind like a film." ***** "Fast-paced, edge of the seat thriller, written by someone who knows what he's talking about."

Peter Ratcliffe served in the SAS for twenty-five years. Blooded in Oman in the 1970s, he also saw action in Northern Ireland, in the Falklands War, and in the Gulf campaign. From his early days in the Paras to his time as Regimental Sergeant-Major in the Gulf, he has lived and fought by the motto 'Who Dares Wins'. Eye of the Storm is his insider's account of that exceptional career. Fastpaced, earthy, dramatic, funny, occasionally disturbing, it is laced with firsthand descriptions of ferocious and bloody fighting, sudden death and incredible heroism, and peopled with a cast of extraordinary individuals. Beyond that, however, it corrects many of the distortions and exaggerations of other books, and explodes several long-standing myths about the Regiment. Here - at last - is the authentic voice of the SAS. This enhanced edition contains additional audio and text material: - Audio Recording of an SAS Firefight in Oman, 1973 - The Little Book of SAS by Peter Ratcliffe, an extensive glossary of SAS terms

The thrilling, edge-of-your-seat true story of one soldier's Special Forces operations in the Falklands War 'BRILLIANT. A ROLLERCOASTER OF BLISTERING ACTION, SURVIVAL AND BEHIND-THE-LINES DARING' DAMIEN LEWIS _____ THE BIGGEST SINGLE LOSS OF LIFE FOR THE SAS SINCE WORLD WAR TWO . . . 1982, the British task force sails to liberate the Falkland Islands. Aboard: SAS D Squadron, determined to make their mark. No one more so than Mark 'Splash' Aston. But they have barely seen action when their Sea King helicopter crashes in freezing South Atlantic waters, killing 22 of Mark's comrades. The last out of the sinking wreck, he suffers a broken neck. But defying medical evacuation orders, Mark sneaks off ship, re-joins his SAS comrades to land on a mountain near Port Stanley - to defend it against days of attacks by Argentine special forces . . . SAS Sea King Down is a pulse-pounding account of D-Squadron's tragic loss and subsequent heroic stand in one of the most hostile places on Earth. A story told by a man who barely survived to tell it. _____ 'A gripping untold story of heroism, hardship and sacrifice within the SAS' BEAR GRYLLES 'Gripping, fast moving and completely authentic. A brilliant piece of work. Better than Bravo Two Zero' - Mike Rose, former Commanding Officer of the SAS

After twenty years of SAS operations Bob Shepherd retired to work as an advisor on the international commercial security circuit. Then 9/11 happened and Bob found himself back in war zones on assignments far more perilous than anything he had encountered in the SAS: from ferrying journalists across firing lines in the West Bank and Gaza to travelling to the heart of Osama bin Laden's Afghan lair. As the war on terror escalated, Bob contended with increasingly sophisticated insurgents. But the most disturbing development he witnessed was much closer to home; namely The Circuit's rise from a niche business staffed by top veterans into an unregulated, billion dollar industry that too often places profits above lives...

The Last True Story I'll Ever Tell

An Accidental Soldier's Account of the War in Iraq

The New Recruit

'Soldier Five' challenges many of the assumptions and assertions of Bravo Two Zero. Mike Coburn, the soldier left for dead on the Syrian border, sets the record straight about that famous mission.

Ноябрь 2009 года. В одиночной, промозглой камере московского изолятора, было обнаружено истерзанное побоями восьми охранников, бездыханное тело, тяжело больного юриста - Сергея Магнитского. В чем было его преступление? - Разоблачение коррумпированных должностных лиц МВД, причастных к хищению из российского бюджета 230 миллионов долларов налогов, уплаченных ранее одним из самых успешных в мире инвестиционных фондов. И по сей день виновные в этом жестоком убийстве остаются безнаказанными. Последующий постыдный посмертный судебный процесс над юристом воспринят международным сообществом как акт средневекового мракобесия путинского режима. Красный циркуляр – книга разоблачение масштабного сокрытия правды и следов совершенных преступлений российской властью в отношении Сергея Магнитского – его незаконный арест и убийство - проникает глубоко в Кремль, вскрывая неприглядную правду о режиме. Билл Браудер – инвестиционный управляющий и клиент Магнитского – погружает нас в головокружительный мир финансов Нью-Йорка и Лондона 90-х годов, его схватку с российскими олигархами в постсоветской Москве и последующее выдворение из России по указанию Путина (Кремля). Автору удается на фактах показать сращивание российской власти с криминалом, где грани настолько размыты, что уже невозможно отличить одного от другого. Под влиянием произошедшего мы наблюдаем трансформацию человека (автора) из финансиста в правозащитника, ведущего кампанию за установление справедливости в отношении своего покойного адвоката и друга. Красный циркуляр – нещадно оголяет то, от чего страдает сегодняшняя Россия - взяточничество, коррупция, мошенничество, пытки и убийство каждого, кто оказался на пути развратной власти. Книга шокирует нас откровениями о политических механизмах работы в высших эшелонах власти на Западе.

Inspired by his own career as an SAS soldier, Andy McNab's best selling series continues with Crisis Four as Nick Stone finds himself at the centre of a deadly game of cat and mouse when he is ordered to track down a rogue colleague. Nick Stone is extremely highly trained. Clever, ruthless and very effective, it is no surprise that he is hired by British Intelligence. On deniable operations - one of the most dangerous lines of work. Sarah Greenwood is beautiful, intelligent and cunning - and the only woman Stone has ever truly opened up to. But now he has been ordered to hunt her down. Stone must get to the heart of a terrifying conspiracy theory to which only Sarah holds the key. But will he manage to before the tension reaches boiling point?

Forged to fight guerrillas in the sweltering jungles of Malaya. Tasked with storming mountain strongholds in the desert. Trained to hunt down the world's most wanted terrorists. This is the extraordinary story of 22 SAS. The history of the modern SAS is one of the great successes of post-war Britain. Since it was revived in 1950 to combat Communist insurgents, the Regiment has gone from strength to strength, fighting covert wars in Oman, Borneo, Northern Ireland, the Falklands, the Persian Gulf and beyond. In the process, it has become one of the most indispensable, and at times controversial, units in the British army Today, the SAS is regarded as the world's leading Special Forces unit, renowned for its demanding Selection course and its relentless ability to adapt to the changing nature of warfare. More than anything else, however, it is the determination and ingenuity of the SAS soldiers that has made the Regiment what it is today. Drawing on his extensive network of contacts and his own experiences, Chris Ryan tells the story of the men on the ground. From the earliest patrols in the Malayan jungle, through to the storming of the Iranian Embassy, the daring raids behind enemy lines in the Gulf War, and up-to-minute missions to capture or kill notorious terrorists - this is the gripping, no-holds-barred account of Regiment operations. Above all, it is a story of elite soldiers fighting, and triumphing, against seemingly impossible odds.

Soon to be a major motion picture. Deep beneath the English Channel, a small army of vicious terrorists has seized control of the Eurostar to Paris, taken 400 hostages at gunpoint - and declared war on a government that has more than its own fair share of secrets to keep. One man stands in their way. An off-duty SAS soldier is hiding somewhere inside the train. Alone and injured, he's the only chance the passengers and crew have of getting out alive. Meet Andy McNab's explosive new creation, Sergeant Tom Buckingham, as he unleashes a whirlwind of intrigue and retribution in his attempt to stop the terrorists and save everyone on board - including Delphine, the beautiful woman he loves. Hurtling us at breakneck speed between the Regiment's crack assault teams, Whitehall's corridors of power and the heart of the Eurotunnel action, RED NOTICE is McNab at his devastatingly authentic, pulse pounding best.

When American and British forces invaded Iraq in March 2003, select teams of special forces and intelligence operatives got to work looking for the WMD their governments had promised were there. They quickly realized no such weapons existed. Instead they faced an insurgency—a soaring spiral of extremism and violence that was almost impossible to understand, let alone reverse. Facing defeat, the Coalition waged a hidden war within a war. Major-General Stan McChrystal devised a campaign fusing special forces, aircraft, and the latest surveillance technology with the aim of taking down the enemy faster than it could regenerate. Guided by intelligence, British and American special forces conducted a relentless onslaught, night after night targeting al-Qaeda and other insurgent groups. Task Force Black reveals not only the intensity of the secret fight that turned the tide in Baghdad but the rivalries and personal battles that had to be overcome along the way. Incisive, dramatic, exceptionally revealing, the war in Iraq cannot be understood without this book.

What if your prank killed your best friend. Could you live with yourself? You try to forget and move on; you enrol in Army training, you want to make something of your life. The training is tough and it almost breaks you. But you survive; you know you'll make a good soldier. Finally, when you're out in Afghanistan, under enemy fire, you come face-to-face with your best friend's brother. He still blames you for his brother's death. You now have more to fear than just enemy soldiers . . .

The fourth in a series of Nick Stone thrillers, Last Light gets off to an exciting start as the ex-special agent has been assigned to carry out an officially-sanctioned assassination. When Stone realizes who the target is, he refuses. But he is then given a chilling ultimatum: fly to Central America and finish the job, or the eleven-year-old orphan in his care will get killed. Stone arrives in sweltering Panama, close to breaking point. His life is in pieces, but things only get worse when he finds himself caught at the centre of a lethal conspiracy involving Columbian guerrillas. Hundreds of innocent lives are at stake, and their only chance of rescue is Stone. But he has a critically injured friend to rescue, miles of dense rainforest to navigate and the toughest decision of his life to make...

The Truth Behind Bravo Two Zero

An Ex-SAS Soldier's True Account of One of the Most Powerful and Secretive Industries Spawned by the War on Terror

A Nick Stone Mission

A Novel

The true story of the most famous SAS operation in history. 'Bravo Two Zero' was the code-name of the famous SAS operation: a classic story of bravery in the face of overwhelming odds. BRAVO TWO ZERO by patrol commander 'Andy McNab' became an international bestseller, as did the book by 'Chris Ryan' (THE ONE THAT GOT AWAY). Both men became millionaires. Three members of the patrol were killed. One, veteran sergeant Vince Phillips, was blamed in both books for a succession of mistakes. As Michael Asher reveals, the stories in BRAVO TWO ZERO and THE ONE THAT GOT AWAY grew considerably in the telling. Their heroic tales of taking out tanks with their rocket launchers, mowing down hundreds of Iraqi soldiers, the silent stabbing of the occasional sentry, were never mentioned at their post-war debriefings... In an investigation literally in the footsteps of the patrol, Michael Asher tells the true story. In this "gripping and personal view of war" (Andy McNab, author of Bravo Two Zero), a celebrated photographer crafts a powerful memoir about his experiences in some of the world's most dangerous, war-torn areas—and his terrifying capture by Syrian rebels in 2013. For a decade, Jonathan Alpeyrie—a French-American photojournalist—had ventured in and out of more than a dozen conflict zones. He photographed civilians being chased out of their homes, military trucks roving over bullet-torn battlefields, and too many bodies to count. But on April 29, 2013, during his third assignment to Syria, Alpeyrie became the story. For eighty-one days he was bound, blindfolded, and beaten by Syrian rebels. Over the course of his captivity, Alpeyrie kept his spirits up and strove to find the humanity in his captors. He took part in their activities, taught them how to swim, prayed with them, and tried learning their language and culture. He also discovered a dormant faith within himself, one that strengthened him throughout the ordeal. The Shattered Lens is a firsthand account that "reads like a thriller" (The New York Journal of Books) by a photojournalist who has always answered the next adrenaline-pumping assignment. Yet, during his headline-making kidnapping and "for all his suffering, Alpeyrie expresses, in words and color photographs, the compassion of a global citizen seeing beyond his personal terror and into the nuances of human interactions" (Booklist).

Storm Command was the account of the last command held by Britain's most decorated officer. Now, in Sir Peter de la Billiere's story leading up to the Gulf War, we have a portrait of life in the SAS and a soldier's view of almost every British Army action since World War II.

"The fifth -- and most explosive -- Nick Stone mission, by the internationally bestselling author whom Stephen Coonts has called ""the best suspense thriller writer to put pen to paper since Alistair MacLean."" LIBERATION DAY November 2001. If he hadn't needed American citizenship so badly, Nick Stone wouldn't have agreed to do this one last job. But the CIA's offer of a new life in the United States, and the chance to share it with Carrie, the woman he loves, is one he can't refuse. Stone's mission is to infiltrate an Arab republic, kill a money-laundering local businessman, and bring back his severed head to the West. He doesn't know why the man has to die like this, nor does he want to know. Stone just assumes the job is related to the democratic world's response to the terrible attacks of September 11. But as events unfold alarmingly fast, Stone begins to realize the full danger and complexity of his mission which, far from being over, has only just begun. Then comes the devastating news that Carrie, enraged by his broken promise never to work again with the CIA, has turned her back on him forever. Operating in the dangerous underworld of the south of France, where al-Qaeda has embarked on a panicked roundup of funds using the centuries-old banking system of hawalla, Stone is in at the deep end of a very dirty war. In his most daunting mission yet, as one bloody twist leads to another, he ultimately finds himself confronted by the most desperate dilemma a man could face. "

A harrowing yet inspiring portrait of a tormented consciousness struggling for reconciliation and peace, JARHEAD is authentic, revelatory and brilliantly crafted. Anthony Swofford's grandfather fought in WWII; his father fought in Vietnam; and he - a directionless, testosterone-battered teenager - became a scout/sniper in the marines and fought in the Gulf War. His account of that time is also part of a lineage - after Wilfred Owen, Norman Mailer, Michael Herr and Tim O'Brien, it brings the raw and searing tradition of soldiers' stories up to date.

From 1944 to 1946, as the world pivoted from the Second World War to an unsteady peace, Americans in more than two hundred cities and towns mobilized to chase an implausible dream. The newly-created United Nations needed a meeting place, a central place for global diplomacy—a Capital of the World. But what would it look like, and where would it be? Without invitation, civic boosters in every region of the United States leapt at the prospect of transforming their hometowns into the Capital of the World. The idea stirred in big cities—Chicago, San Francisco, St. Louis, New Orleans, Denver, and more. It fired imaginations in the Black Hills of South Dakota and in small towns from coast to coast. Meanwhile, within the United Nations the search for a headquarters site became a debacle that threatened to undermine the organization in its earliest days. At times it seemed the world's diplomats could agree on only one thing: under no circumstances did they want the United Nations to be based in New York. And for its part, New York worked mightily just to stay in the race it would eventually win. With a sweeping view of the United States' place in the world at the end of World War II, Capital of the World tells the dramatic, surprising, and at times comic story of hometown promoters in pursuit of an extraordinary prize and the diplomats who struggled with the balance of power at a pivotal moment in history.

Two tours of Iraq under his belt, Sergeant Dave Henley has seen something of how modern battles are fought. But nothing can prepare him for the posting to Forward Operating Base Senzhiri, Helmand Province, Afghanistan. This is a warzone like even he's never seen before.

In the tradition of Michael Herr's Dispatches, a National Guardsman's account of the war in Iraq. John Crawford joined the Florida National Guard to pay for his college tuition, willingly exchanging one weekend a month and two weeks a year for a free education. But in Autumn 2002, one semester short of graduating and newly married—in fact, on his honeymoon—he was called to active duty and sent to the front lines in Iraq. Crawford and his unit spent months upon months patrolling the streets of Baghdad, occupying a hostile city. During the breaks between patrols, Crawford began recording what he and his fellow soldiers witnessed and experienced. Those stories became The Last True Story I'll Ever Tell—a haunting and powerful, compellingly honest book that imparts the on-the-ground reality of waging the war in Iraq, and marks as the introduction of a mighty literary voice forged in the most intense of circumstances.
