A children's full color with a lesson attached. I used ants for the characters because they work hard.

Thanks to whimsical illustrations and everyday examples, kids can finally discover the true meanings behind such odd idioms as 'Break a leg!'

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's

celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always

Children's Theater

A Paradigm, Primer, and Resource

This book introduces readers to the world of children's theater by highlighting one specific model, The Oyster River Players, a small children's theater company in New Hampshire. By exploring the history and dynamics of their own theater company, authors Kelly and Walter Eggers apply broader implications,

expanding their focus to include children's theaters of other kinds and in different cultural settings.

Throughout the book, the Eggers show how children's theater succeeds in helping young people learn in ways that would be otherwise inaccessible. Through forays into philosophy and history, as well as personal testimonies, the authors present a coherent argument for the need for children's theaters in nearly every community.
