

Breaking Eves Curse

One hundred prayers for African Americans to use to help spiritually break off generational issues caused by slavery in the United States. By turning their wills over to God, and choosing to forgive past atrocities in their family's personal history, God-willing, the reader will begin to find release from specific trappings that have plagued their family for years.

The church of Jesus Christ is not sufficiently aware of the realities of curses, oaths and covenants, and how some of these legacies affect the convert Christians and even Christian leaders. Many today are deceived to think that the devil is only in the mind equating the devil and all his wiles with mere psychological malfunctions. How can they believe in what they do not sufficiently understand? This book will attempt to bring the inquirer to the conclusion that negative spiritual legacies do exist and indeed affect many destinies adversely. It also prescribes a step by step scriptural solutions on how to destroy oaths, covenants, curses or negative genetic imports and altars affecting lives today.

Do you know that you might be suffering set backs in some areas of your life because of no fault of yours? Do you know that the choices of your parents may be affecting you today ?Do you know that certain evil patterns and setbacks in your life could be as a result of a curse? Yes, you may be living under a curse! Many negative events that you see as normal is actually a stronghold by the devil to abort your destiny. Break the curse over your life is a powerful tool for the body of Christ. Many people including believers are living under different kinds of demonic bondages. For some it is failed relationships while others continue to work around the clock with nothing to show for it. Some other curses manifests itself in sickness, substance abuse and premature death. Learn to know how the curse operates by understanding the origins of curses . Jesus came to redeem us from the curse of sickness , sin and death. Begin a journey of discovering the types of curses. If you don't stop to identify patterns, you will continue down the same road of destruction. Break the curse over your life will help you identify the open doors through which the enemy attacks believers. Some of the open doors are sexual perversion, adultery ,lies, greed. Reverse the curse by accepting Jesus Christ and confessing the blessing. Some of the consequences of the curse are frustration. People who are experiencing the power of the curse get very frustrated. Frustration is trying to get somewhere but being hindered; most often by circumstances beyond the control of the individual. Today the blood of Jesus removes every frustration in your life in Jesus name amen. People experiencing the power of the curse often feel humiliated and wounded in their self-esteem. When they see their old classmates, they feel like hiding because of the way life has treated them. When Adam and Eve were under the blessings, they did not see any reason to hide from God. They boldly approached God. When they ate the forbidden fruit and experienced the curse, then they began to hide from divinity (Genesis 3:8).The curse makes a person deteriorate mentally instead of accelerating to the next level. After years of repeated trying and failing, people experiencing the power of the curse fall into a state of hopelessness. You can break free from the curse through prayers and spiritual discernment.This is more effective during a season of fasting and prayers. Allow the Holy Spirit to help you understand. Daniel made a decision to seek understanding through meditation and studying the Word of God. He discovered that God had plans to liberate his people from captivity (Daniel 8:1). (Hosea 4:6) tells us that God's children are perishing from a lack of knowledge. When you don't know your kingdom rights, you easily believe a lie. The enemy uses ignorance to inflict calamity on God's children. To the Jews who had believed him, Jesus said, "If you hold to my teaching, you are really my disciples. Then you will know the truth, and the truth will set you free." (John 8:31). The Word of God is the greatest liberator. You cannot fight spiritual battles with natural hands. The only way of winning this battle is by using the sword of the spirit which is the Word of God. As light enters your life, darkness begins to depart and very quickly. To remain free, renew your mind every day.The fight continues even after you are delivered. You can only win this victory by praying EVERYDAY. You don't eat only one day of the year and expect the food to remain in your belly the whole year; so also in spiritual warfare, you have to renew your mind on a daily basis. Note that everything will begin to shake around you once you step out to be free. Isaiah 49 : 25But this is what the LORD says: "Yes, captives will be taken from warriors, and plunder retrieved from the fierce; I will contend with those who contend with you and your children I will save". You are free in Jesus name amen! enjoy reading.....

This book is written simply to serve as a tool to destroy generational curses. My intention is to educate and bring awareness that generational curses can be broken through the power of Gods word. In this book you will encounter life experiences that caused me to take authority over death, destruction and disaster. Many of us are ignorant to the device and diabolical strongholds of the enemy. Curses are real and their main intent is to annihilate the purpose of the ultimate sacrifice of the cross, redemption and eternal life. By the grace of God Jesus Christ has died to redeem us from the curse of the law, so we can regain the authority, to speak those things that are not as though they were. As you walk through the epistle of my life story you will be enlighten and strengthen to take authority and dominion to speak God's word and become liberated. Break the Curse is a word for the Eschatology Church. This book will serve as an instructional guide to impart, restore deliver and heal the wounds of anyone that has suffered from the strong bondage of Generational Curses. This is a must read manuscript it will teach you how to apply biblical principal to destroy the generational curses that have inundated your life for years. Curses are a malediction that must be fought and cast away with aggressive prayers. This book will give you the tools to fight and eradicate all curses spoken over your life.

In 1987 Ken Ham wrote what would become a prophetic warning to the Church about the destructive effects

of compromise with evolutionary ideas, and how this compromise undermines Scriptural authority and erodes Christian confidence in the infallibility of God's Word. Today we have Christians not only confused when it comes to Genesis and age of the earth, but even the reality of Hell, Adam as a real person, and Christ's own words about creation, marriage and more are being debated in the pulpits across the world. In this special revised and updated edition, Ken Ham again takes the lead in pointing out the looming precipice the Church is rushing towards, how evolution and/or millions of years, is driving away young people of the faith, and the biblical solution that can change it!

God did not curse Eve or limit woman in any way. Sadly, modern translations of Genesis 3:16 make it look like God did both. God didn't curse Adam either, but God did speak to him in a way exactly parallel to the other rebel in the Garden of Eden, the serpent-tempter. And two curses were imposed by God because of them. People have made up many myths and stories about what supposedly happened in Eden. They make it seem like God cursed the woman and that she somehow deserved it. She didn't. They make it seem like God instituted the man's bad behavior toward his wife. God didn't. The Bible tells us what really happened. And this book is all about what God really said especially in Genesis 3:16. When these chapters in Genesis are rightly understood, and we gain a true view of what God really said to the woman in Genesis 3:16, many New Testament passages can be reinvestigated. They too can be cleared away of the bias we find popping up in translations of, and commentary on, several key passages in the New Testament that look back to Genesis 2 and 3. This book is based on the episodes of Season One of The Eden Podcast (TheEdenPodcast.com).

You have problems in life. Everybody has problems. There is one initial source for our problems. The sin of Adam. There is also one cure for our problems. The cross of Jesus Christ. Reverse the Curse will show you how Jesus reversed the curse of Adam's sin by going to the cross. It reveals, in faith building detail, how the events of the crucifixion of Jesus reversed every element of Adam and Eve's sinful rebellion to the command of God. Reverse the Curse details Jesus becoming accursed for us so we can be set free from curses, even curses spoken by God. It also reveals the practical outcomes of this spiritual truth. If you can receive it, the message of Reverse the Curse will have a real effect upon you. Where this message has been preached and taught, it has opened eyes and built faith. It has resulted in a fresh release of the power of God to save, heal and deliver. It all comes through the power of the cross. After all, the preaching of the cross is to them that perish foolishness; but unto us who are saved it is the power of God. You will be truly blessed and inspired to dig into the Word of God and know His power in a greater way because of the death, burial and resurrection of Jesus Christ. This book, Break the Curse: Find Your Path to a Blessed Life, reveals that billions of people around the world suffer miseries as they are driven by their hidden curses, irrespective of faith. Find out how life is designed not merely on man's plans but mainly by the forefathers with their good traits lest curse devour. Sweet fruits are not produced by the tree, but ordered by the good seed, so man's joy. This book teaches you how to set your life on the mountain, not under the basket.

Can a genuinely born-again believer come under a curse? The Church has paid, and continues to pay, a colossal price for its negligence as well as ignorance of this truth?the generational curse.While the Scriptures are not explicit, the underlying truth concerning iniquities and visiting iniquities makes it abundantly clear that a believer can come under the bondage of a generational curse.The words transgression, sin, and iniquity show the progressiveness of human depravity in entertaining idolatry, which essentially causes a Christian to break scriptural commandments. The believer does not lose his salvation for breaking any one of the scriptural laws, but the just consequences of such rebellion take their toll, not only on the perpetrator, but also on the subsequent generations!However, the believer can be set free from these nagging and crippling bondages through God's provision in Christ.

True freedom is the freedom to serve God. Matthew 17:21 declares "But this kind does not go out except by prayer and fasting" this scripture tells us that there are some spirits in a person, region, or nation that cannot be overcome without fasting. Many believers struggle with certain limitations that they cannot seem to break through. A revelation of the power of fasting will result in victories that would not be ordinarily obtained. Whoever the Pharaoh is that is confronting your destiny shall bow in the name of Jesus. A life of consistent fasting will cause many victories to manifest. God's will is for every believer to live a life of victory with nothing being impossible.

Breaking Christian Curses

Hidden Source of Trouble in the Christian's Life

Trusting Jesus is hard. It requires following the unseen into an unknown, and believing Jesus' words over and against the threats we see or the fears we feel. Through the imaginative retelling of 35 Bible stories, Not by Sight gives us glimpses of what it means to walk by faith and counsel for how to trust God's promises more than our perceptions and to find rest in the faithfulness of God.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature

and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

In Breaking Eve's Curse, Dr. Frank Hultgren gives biblical promise of healing for the body, mind, and emotions. He shares techniques addressing symptoms of illness in each of these areas.

IN THIS "TRANSFORMATIVE" BOOK, Dr. Francis Myles wants to take this opportunity to introduce you to one of the most powerful "Spiritual technologies" for "Breaking Generational Curses and Healing all types of Genetic Anomalies" that God instituted to service the spiritual needs of "Kingdom citizens" who operate under the "Order of Melchizedek." In this explosive teaching Dr. Francis Myles will show you: How an ancient order called the Order of Melchizedek can heal all our genetic anomalies through the finished work of Christ How Generational Curses work The Law that governs Generational Curses and Generational Blessings How demonically engineered genetic mutation happens How to overthrow Generational Curses permanently How to recapture man's long-lost prophetic DNA that God gave to Adam and Eve before the fall The Nephilim Agenda How God is restoring the ancient pathways to heal Generations The Power of the Sound Frequency that is Generated by the Blood of Yeshua. This anthology surveys more than 2,000 years of Jewish, Christian, and Muslim commentary and debate on the biblical story that continues to raise questions about what it means to be a man or to be a woman.

Why doesn't God answer my prayers? If God is so powerful, why does evil exist? And if He is so good, why do we suffer? Nonbelievers, and even Christians, are often troubled by questions about suffering, doubt, failure, and unanswered prayer. Yet careful, compassionate answers are hard to find, in part because evangelicals have not taken the life of the mind seriously enough. The intellectual currents of our day are just too strong for simplistic responses. In Hard Questions, Real Answers, William Lane Craig doesn't offer trite phrases or pat answers—he offers honest insights gained from a life of study and ministry. Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope—God Himself. This expanded new edition includes chapters on abortion and homosexuality to help readers know how to think about these volatile social issues.

“ My name is Courtney. I ’ m an accidental feminist. ” Although many Christians wouldn ’ t identify themselves as feminists, the reality is that the feminist movement has influenced us all in profound ways. We unconsciously reflect our culture ’ s ideas related to womanhood rather than what ’ s found in the Bible. In this book, Courtney Reissig—a wife, mom, and successful writer—recounts her journey out of “ accidental feminism, ” offering wise counsel for Christian women related to relationships, body image, and more—drawing from the Bible rather than culture. Whether you ’ re a committed feminist, a staunch traditionalist, or somewhere in between, this book will help you answer the question, “ What does it mean to be a Christian woman? ” You ’ ll discover the joy, purpose and importance that are found in God ’ s good design.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Do you find that you are living in a spiritual cage, unable to get out, repeating the same sin over and over again?

Perhaps, you are living out the sinful tendencies of your parents, instead of the destiny God has prepared for you. If you are tired of taking two steps forward and three steps backwards in your spiritual life, then Holy Spirit will use “ Break Free ” as a key to get you out of that cage of limitation and stagnation, and into a life of freedom! Break Free will... - Remove the scales from your eyes about the reality of the spiritual world, and give you the tools to stop simply dealing with the symptoms of your problems, but remove the roots of those problems. - Challenge the belief that curses and demons are

only problems in third world countries. - Show that demons come to build strongholds in the minds, as well as destroy a person ' s life. - Define, once and for all, what freedom really is. - Teach you the practical steps of how to stay free, and never return to a life of bondage. Through powerful, vulnerable, and unforgettable storytelling, Vladimir shares incredible moments in ministry and his personal life experiences, that taught him how to find freedom, and live in it. What he has discovered, as God has taken him through a journey of spiritual growth, is truly life changing.

Should Genesis rightly be identified as law—that is, as torah or legal instruction for Israel? Peterson argues in the affirmative, concluding that Genesis serves a greater function than merely offering a prehistory or backstory for the people of Israel. As the introductory book to the Torah, Genesis must first and foremost be read as legal instruction for Israel. And how exactly is that instruction presented? Peterson posits that many of the Genesis accounts serve as case law. The Genesis narratives depict what a number of key laws in the pentateuchal law codes look like in practice. When Genesis is read through this lens, the rhetorical strategy of the biblical author(s) becomes clear and the purpose for including specific narratives takes on new meaning.

Love is a beautiful thing, but have you ever wondered why ladies are generally more invested in love, relationships and marriage? When Adam and Eve fell in the garden God told the woman, "Your desire will be for your husband and he will rule over you..." Nothing explains the desire of a woman for a husband, but why let this ancient curse rule over you completely when you can actually manage it? This book is your stepping stone to gaining some control over yourself when it comes to the curse of Eve.

This volume offers patristic comment on the first half of the third article of the Nicene Creed. Readers will gain insight into the history and substance of what the early church believed about the Holy Spirit and his work.

This third in a series continues this non-academic author's ground-breaking word by word analysis of James Joyce's Finnegans Wake, Joyce's last blessing on mankind. This volume covers chapters 1.5 and 1.6 with the intent to explore them as art objects, to examine how they work as art. By contrast with previous reduction-based chapters, Chapter 1.5 features expansion, One becoming Many. The spirit of the female principle registered in ALP's letter or "mamafesta" hatches the expansion. This chapter honors creativity in literature along with the human female instinct for giving birth to new human potential. An academically-oriented Professor explores but misses the meaning of the letter. Aristotle's concept of the infinite and the legend of Krishna injecting independence in Gopi milk women frame the chapter. Chapter 1.6 brings back the forces of reduction, Many becoming One. Instead of the female hatching the new, here the male spirit smothers new possibilities in favor of control. Shaun hijacks questions put by Shem to others and reduces their potentially different answers to his answer. The charming fable of Mookse and Gripes modeled on Aesop's "sour grapes" explores the schism between the Roman Catholic and Eastern Orthodox churches; while arguing, both fail to notice the potential presence of the Holy Spirit. These two chapters feature two very different processes, the maternal process and the excremental process, the mother's womb in chapter 1.5 and the colon in chapter 1.6. The mother releases the new child and the colon the same old waste. Distorted spirit in the colon-inspired chapter sponsors Shaun sodomizing his sister. Joyce's masterful synergism of style and content continues. For example: Chapter 1.6 includes a second fable about Burrus [and Caseous], the name suggesting butter. The language used by Joyce takes on the characteristics of butter; like dependent humans, the words change shape and spread easily.

Why Many Bad Things Happen to Good People... The Problem Are you one of the many victims of an unbroken curse? Today, countless Christians throughout the world are plagued by unexplained poverty, calamities, and a variety of adverse circumstances. Their lives are tragically filled with heartache and desperation as they continuously struggle against overpowering temptation, physical and mental illness, and a myriad of catastrophic events. Usually, they are unaware that their plight is the result of an unbroken curse that has been placed upon them and perhaps upon their families. Some of the Causes Hatred and jealousy Trespassing on the devil's territory Handling unholy things Inherited curses Breaking vows to God The Solution The Bible specifically instructs every believer to avoid curses and to recognize and break them. Yet, an astonishing number of Bible-believing Christians have either not read or do not remember these essential spiritual principles. Thus, many believers live under the affliction of unbroken curses. This book will show you the necessary biblical steps to recognize, prevent, and break every type of curse.

Let My People GO!: 21 Days Fasting and Prayers for Breakthrough and Deliverance

This book is recommended for ages thirteen to adult for the meaning of these teachings to be better understood by the youth. This book is about the celebration of Christmas true meaning.It's about the birthday of a baby boy named Jesus, who was heaven born on earth. This baby was sent to us by God.The baby boy Jesus was truly God in the flesh. I want to give thanks to him for his sacrifice to give the sinners grace and forgiveness, from the cross at Calvary. What we had lost in Adam and Eves disobedience, was given back to us on the cross of Jesus' sacrifice. Jesus suffered so we won't have to suffer more than we can endure while were on earth.This world is a place to live before judgment to see where we go to the next world when we pass away. The only way the curse of Adam and Eve could be lifted off of mankind, is to believe that Jesus is truly God's son who was resurrected from the grave, rose again after three days to forgive our sins.If we are cursed it's because we choose to live in sin and keep Adam and Eve's generational curse upon our lives. We can break any curse through the blood that Jesus shed for us on the cross of grace. We have to live on earth and have fun but we can have fun without having a consequence in doing so. Even as sinners we know right from wrong and will be tried by a jury or judge if we break laws of man. So why should we be allowed to break the laws of God? I hope this book helps you see a better outlook on how to overcome the evil of this world. We can't ever be perfect because only God is perfect. We need to pray daily for God to help us avoid temptations, that can bring us in evil paths that we may not be able to return from.The choice is yours in which you make.

Do you know why some people do the same destructive thing over and over again? What is the true source of gang violence in

America? Does it ever feel like your life is stuck in a rut and nothing you do changes the circumstance? Why does a person whos labeled an addict crave doing the same thing over again? In Breaking the Curse From a Twisted Life, you will learn how to get right down to the root of the thing that seems to keep you from progressing.

Women have a God-given right to lead in the Church and to hold equal authority in marriage. This book exposes the falsehood of the doctrine of male supremacy in the Church and in the home, shows how God empowered women to be free of the curse of male dominion over their lives, placed upon them thousands of years ago in the Garden of Eden. If you are a Christian woman desiring to break free and fulfill your full potential in Christ, this book is the inspiration you need.

Could you be the victim of spiritual abuse? Could other Christians have pronounced failure and defeat over your life? In order to bring to light this terrible darkness, Dennis Cramer takes you on a journey into the evil world of "christian" witchcraft, "christian" cannibalism, and "christian" curses -- where you will not only be informed, but set free!

Breaking the Curse from a Twisted Life

The atonement is the central doctrine of our Christian faith. Today's most popular model--penal substitution--presumes that Jesus took on the guilt of sins to pay for them with his death. But that courtroom scenario, lacking justice and open-arms, is riddled with questions of how guilt is transferred and why punishing another for a crime is just. The recent revival of Victor and mimetic atonement theories may properly deny the Father-to-Son wrath of penal substitution, but they, in explaining the transference of the victory of Jesus's atonement to the sinner who needs rescue. Addressing these questions, Salter's biblically faithful recast of a redemptive atonement highlights both our human physical essence and our spiritual essence as the beneficiaries of God's restoration. True justice and forgiveness can occur only with The Curse Removed.

NEW YORK TIMES BESTSELLER • The bestselling author of Zealot and host of Believer explores humanity's quest to understand the sense of the divine in this concise and fascinating history of our understanding of God. In Zealot, Reza Aslan replaces the well-worn portrayal of Jesus of Nazareth with a startling new image of the man in all his contradictions. In his new book, he takes on a subject even more immense: God, writ large. In layered prose and with thoughtful, accessible scholarship, Aslan narrates the history of religion as a remarkably cohesive attempt to understand the divine by giving it human traits. According to Aslan, this innate desire to humanize God is hardwired in our brains, making it a central feature of nearly all religious tradition. As Aslan writes, "Whether we are aware of it or not, and regardless of whether we're believers or not, the vast majority of us think about when we think about God is a divine version of ourselves." But this projection is not without consequences. We bestow upon God not just all that is good in human nature—our compassion, our thirst for justice,

bad in it: our greed, our bigotry, our penchant for violence. All these qualities inform our religions, cultures, and governments. More than just a history of our understanding of God, this book is an attempt to get to the root of this humanizing process in order to develop a more universal spirituality. Whether you believe in one God, many gods, or no god at all, *God: A History* will challenge the way you think about the divine and its role in our everyday lives.
