

Bringing Home The Birkin

"Like an urban Dian Fossey, Wednesday Martin decodes the primate social behaviors of Upper East Side mothers in a brilliantly original and witty memoir about her adventures assimilating into that most secretive and elite tribe. After marrying a man from the Upper East Side and moving to the neighborhood, Wednesday Martin struggled to fit in. Drawing on her background in anthropology and primatology, she tried looking at her new

Read Online Bringing Home The Birkin

world through that lens, and suddenly things fell into place. She understood the other mothers' snobbiness at school drop-off when she compared them to olive baboons. Her obsessional quest for a Hermes Birkin handbag made sense when she realized other females wielded them to establish dominance in their troop. And so she analyzed tribal migration patterns; display rituals; physical adornment, mutilation, and mating practices; extra-pair copulation; and more. Her conclusions are smart, thought-provoking, and hilariously unexpected. Every city has its

Read Online Bringing Home The Birkin

Upper East Side, and in Wednesday's memoir, readers everywhere will recognize the strange cultural codes of powerful social hierarchies and the compelling desire to climb them. They will also see that Upper East Side mothers want the same things for their children that all mothers want--safety, happiness, and success--and not even sky-high penthouses and chauffeured SUVs can protect this ecologically released tribe from the universal experiences of anxiety and loss. When Wednesday's life turns upside down, she learns how deep the bonds of female friendship really

The Intimate History of the
World's Most Famous Perfume
À la carte wisdom from the
international bestseller Bringing
up Bébé In BRINGING UP BÉBÉ,
journalist and mother Pamela
Druckerman investigated a society
of good sleepers, gourmet eaters,
and mostly calm parents. She set
out to learn how the French
achieve all this, while telling the
story of her own young family in
Paris. BÉBÉ DAY BY DAY distills the
lessons of BRINGING UP BÉBÉ into
an easy-to-read guide for parents
and caregivers. How do you teach
your child patience? How do you
get him to like broccoli? How do

Chasing Miracles

An editor and writer's vivaciously entertaining, and often moving, chronicle of his year-long adventure with fifty great books (and two not-so-great ones)—a true story about reading that reminds us why we should all make time in our lives for books. Nearing his fortieth birthday, author and critic Andy Miller realized he's not nearly as well read as he'd like to be. A devout book lover who somehow fell out of the habit of reading, he began to ponder the power of books to change an

Read Online Bringing Home The Birkin

individual life—including his own—and to the define the sort of person he would like to be. Beginning with a copy of Bulgakov's *Master and Margarita* that he happens to find one day in a bookstore, he embarks on a literary odyssey of mindful reading and wry introspection. From *Middlemarch* to *Anna Karenina* to *A Confederacy of Dunces*, these are books Miller felt he should read; books he'd always wanted to read; books he'd previously started but hadn't finished; and books he'd lied about having read to impress people. Combining memoir and literary criticism, *The Year of*

Read Online Bringing Home The Birkin

Reading *Dangerously* is Miller's heartfelt, humorous, and honest examination of what it means to be a reader. Passionately believing that books deserve to be read, enjoyed, and debated in the real world, Miller documents his reading experiences and how they resonated in his daily life and ultimately his very sense of self. The result is a witty and insightful journey of discovery and soul-searching that celebrates the abiding miracle of the book and the power of reading.

"Emerson's Home" by Wendy Giglio Fiore
People say that losing a child is the worst tragedy anyone can suffer.

Read Online Bringing Home The Birkin

Emerson LaMonica would not agree. After her father's death, 8-year-old Emerson cannot imagine anything hurting more. She begins to isolate herself from everyone in her life, not letting anyone get too close, shutting people out to avoid getting so hurt again; the only coping skill her young psyche can do to heal. However, it will not mend her. The isolation only causes her more harm.

Throughout all of this, her beloved grandfather, her Empa, refuses to let her shut him out, drawing her in with his love and faith, and she cannot help but to allow him to remain dear to her heart. Her two best friends,

Read Online Bringing Home The Birkin

Melanie and Robert, stay in her life as they grow up, but Emerson keeps them at an arm's length, drawing her strength from her love of academics, her grandfather, and his farm in Vermont. While living in New York City after college, the villain of the book rapes Emerson, ripping her virginity away and propelling her off her shaky foundation. Ashamed at what has happened and alone behind the false security of her emotional walls, she suffers in silence and solitude for three years. In the midst of it all, she loses her beloved Empa, causing her to hit rock bottom. Working as an

day jobs - and the red-carpet star treatment. As he traces his route from a poor childhood on Long Island to his enshrinement as a comedy legend, he takes readers on a roller-coaster ride through a life that has been alternately touching, sordid, funny, raunchy, and uplifting - equal parts "Little Orphan Annie" and "Caligula." And unlike most celebrity autobiographers, he seems to have no qualms about delivering the unfiltered whole story, warts and all. Dangerfield's personal story is also a rollicking show business tale, full of marquee name-droppings (Adam Sandler, Sam Kinison, Jim Carrey, Johnny Carson, Jerry Seinfeld) and good

Read Online Bringing Home The Birkin

stories about same. Defying the old saws about the fleeting nature of fame and the dearth of second acts in American life, Dangerfield transformed himself from a debt-ridden aluminium-siding salesman named Jack Roy to a multimedia superstar - and stayed an icon for decades. His catchphrase - "I get no respect" - has entered the lexicon, and he remains a visible cultural presence and perennial talk-show guest. Dangerfield's hilarious and inspiring musings should thrill comedy fans and pop-culture watchers, and his second-act comeback will strike a chord with readers of all stripes. Maybe he'll even get some respect.

was slipping away. Perhaps partly because both his parents had died when they were young, and because he had already experienced his own serious health crisis, he wanted to be sure to live each day to the fullest. He decided he would start viewing each day afresh and in the now as a do-over, each night dying and each morning being reborn. His philosophy was to say, "œI am me today," and ask, "How do I choose to live in the now?" His solution to these sleepless nights became an adventure, and an experiment in ageless living. To silence the howls of the wolf, Lipton took off in the footsteps of his fictional hero, Larry Darrell in W. Somerset Maugham's novel The Razor's Edge. His journey took him first to the Himalayas. He then continued his external and internal travels that included crossing

Cataloguing is presented as a radical form of knowledge production, and the catalogue as a critical tool for mapping image time. The unfamiliar and overlooked language of image description is considered as having a life, a worth and an aesthetic value of its own. Functioning at the intersection of text and image, this book combines media culture and techniques of the archive, as well as contemporary discourse on art and conceptual writing. There is a media-archaeological debate throughout as to how physical archive systems and material technologies connect

miracles: they made them happen. In 1998, 15-month old Megan and 4-month old Patrick were diagnosed with Pompe disease, a rare and fatal neuromuscular disorder that affects only a few thousand children worldwide, usually leaving them with little to no muscle function, enlarged hearts, and severe difficulty breathing. John Crowley was absolutely determined to find a treatment to save his children's lives. At the age of 31, he walked away from the corporate world to help co-found a start-up biotech company, focused exclusively on developing a

adventure to self-love.

These days, it seems that everyone has a strong opinion about how to teach young children to read. Some may brush off the current tension as nothing more than one more round of "the reading wars." Others may avoid the clash altogether due to the uncivilized discourse that sometimes results. Certainly, sorting the signal from the noise is no easy task. In this leading-edge book, authors Jan Burkins and Kari Yates address this tension as a critical opportunity to look closely at the research, reevaluate current practices, and embrace new possibilities for an even stronger enactment of balanced literacy. From phonological processing to brain research to orthographic mapping to

self-teaching hypothesis, Shifting the Balance cuts through the rhetoric (and the sciencey science) to offer readers a practical guide to decision-making about beginning reading instruction. The authors honor the balanced literacy perspective while highlighting common practices to reconsider and revise--all through a lens of what's best for the students sitting in front of us. Across six shifts, each chapter identifies a common instructional practice to reconsider explores various misunderstandings that establish and keep that practice in play shares scientific research to support its reconsideration proposes an instructional shift to apply a new perspective, and details several high-leverage instructional routines to

support implementation of that shift. By pinpointing gaps and overlaps--as well as common misunderstandings and missed opportunities between the competing lines of thought--Jan and Kari offer busy educators direction and clarification for integrating science and balance into their daily instruction, while keeping meaningful experiences with text a priority.

This style bible is a chic and sexy look at the myriad possibilities of blue jeans, the classic and ever-evolving fashion essential. Blue jeans are an iconic part of American culture. And, like the American dream, denim is constantly reinventing itself. A Denim Story showcases timeless images of blue jean style. Featuring such icons as Marilyn Monroe, Patti Smith, Jane

Read Online Bringing Home The Birkin

Birkin, and Kate Moss, as well as dreamy inspiration boards from the authors' own work, this volume is full of ideas and inspirations. A pair of jeans always makes a statement, whether they are tight and purposeful or loose and frayed. Blue jeans can embody dreamy, girlish innocence or the best of boyishness, as when worn two sizes too big, low on the hips, and rolled up at the ankle. A Denim Story takes us on a journey through the most stylish looks of Americana culture, from the cutoffs and rolled-up cuffs of carefree summertime days to the simple ruggedness of overalls in the countryside, and from the rebelliously ripped jeans of rock 'n' roll to that beloved pair of faded and patched blue jeans we will never throw away.
