

Bruce Lee Fighting Method Complete Edition

'This belting read pulls off the nifty trick of making the kung fu legend's spiritual and combat ideas accessible' Maxim 'Truly gets under the skin of this iconic figure' Film Review In the 1970s Bruce Lee emerged as the world's greatest fighting star - an accolade he has kept ever since. He battled to succeed in America in spite of the racial prejudice that denied him a starring role, eventually making films in Hong Kong that turned him into a star - the highest-paid movie star of his day. His controversial death, at the age of thirty-two when he was at the height of his powers, has given him a James-Dean style enduring appeal. In Bruce Lee - Fighting Spirit, Bruce Thomas has written a complete account not only of Lee's life and death, but of the fighting philosophy he developed (jeet kune do) which made him the greatest exponent of martial arts in modern times. In this updated edition he reassesses Lee's skills and examines the enduring impact of his legacy - on action films and martial arts today. As an icon Bruce Lee's popularity continues to grow and this book is a fitting tribute to an extraordinary man whose achievements have never been surpassed. 'An endlessly stimulating account of Lee's life and times' Loaded

Black and white photographs illustrate the self-defense techniques developed by Bruce Lee.

The star of the Harold and Kumar franchise, House, and Designated Survivor recounts why he rejected the advice of his aunties and guidance counselors and, instead of becoming a doctor or “something practical,” embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, and working in the Obama administration, in this “incredibly joyful and insightful” (Kiefer Sutherland) memoir. You Can’t Be Serious is a series of funny, consequential, awkward, and ridiculous stories from Kal Penn’s idiosyncratic life. It’s about being the grandson of Gandhian freedom fighters, and the son of immigrant parents: people who came to this country with very little and went very far—and whose vision of the American dream probably never included their son sliding off an oiled-up naked woman in the raunchy Ryan Reynolds movie Van Wilder...or getting a phone call from Air Force One as Kal flew with the country’s first Black president. “By turns hilarious, poignant, and inspiring” (David Axelrod, New York Times bestselling author), Kal reflects on the most exhilarating and rewarding moments from his journey so far. He pulls back the curtain on the nuances of opportunity and racism in the entertainment industry and recounts how he built allies, found encouragement, and dealt with early reminders that he might never fit in. He describes his initially unpromising first date with his now-fiancé Josh, involving an 18-pack of Coors Light and an afternoon of watching NASCAR. And of course, he reveals how, after a decade and a half of fighting for and enjoying successes in Hollywood, he made the terrifying but rewarding decision to take a sabbatical from a fulfilling acting career for an opportunity to serve his country as an Obama White House aide. Above all, You Can’t Be Serious shows that everyone can have more than one life story. The book “is insightful, funny, and instructive for anyone who’s ever grappled with how they fit into the American dream” (Ronan Farrow, New York Times bestselling author), and demonstrates that no matter who you are and where you come from, you have many more choices than those presented to you. And okay, yes, it’s also about how Kal accidentally (and very stupidly) accepted an invitation to take the entire White House Office of Public Engagement to a strip club—because, let’s be honest, that’s the kind of stuff you really want to hear about.

Explains the theory of political survival, particularly in cases of dictators and despotic governments, arguing that political leaders seek to stay in power using any means necessary, most commonly by attending to the interests of certain coalitions.

Bruce Lee's Fighting Techniques and Strategies

The Warrior Within

In the spring of 1959, eighteen-year-old Bruce Lee returned to San Francisco, the city of his birth. Although the martial arts were widely unknown in America, Bruce encountered a robust fight culture in the Bay Area, populated with talented and trailblazing practitioners such as Lau Bun, Chinatown ’ s aging kung fu patriarch; Wally Jay, the innovative Hawaian jujitsu master; and James Lee, the Oakland street fighter. Regarded by some as a brash loudmouth and by others as a dynamic visionary, Bruce spent his first few years back in America advocating for a modern approach to the martial arts, and showing little regard for the damaged egos left in his wake. The year of 1964 would be an eventful one for Bruce, in which he would broadcast his dissenting worldview before the first great international martial arts gathering, and then defend it by facing down Wong Jack Man—Chinatown ’ s young kung fu ace—in a legendary behind-closed-doors showdown. These events were a catalyst to the dawn of martial arts in America and a prelude to an icon. Based on over one hundred original interviews, Striking Distance chronicles Bruce Lee ’ s formative days amid the heated martial arts proving ground that thrived on San Francisco Bay in the early 1960s.

Inspire and educate yourself with this comprehensive guide to the tactful and legendary ways of renowned martial arts master, Bruce Lee! During his lifetime, legendary martial artist Bruce Lee formulated a complex personal philosophy--a synthesis of Eastern and Western ideals--that extolled the virtues of knowledge and total mastery of one's self. However, most of his philosophical writings could be found only within the personal library of the Bruce Lee estate--until now. The Warrior Within is the most comprehensive volume of these teachings, meant to help you apply Lee's philosophies to your own life. This unique guide reveals such life-affirming secrets as: Seeing the totality of life and putting things into perspective Understanding the concept of Yin and Yang Defeating adversity by adapting to circumstances Tapping into inner spiritual forces to help shape the future With a foreword by his wife, Linda Lee Cadwell and photographs and other memorabilia from Bruce Lee's short but celebrated life, The Warrior Within is an engrossing and easy-to-understand guide to the little-explored world of Bruce Lee.

"A man who has attained mastery of an art reveals it in his every action."--Samurai Maximum. Under the guidance of such celebrated masters as Ed Parker and the immortal Bruce Lee, Joe Hyams vividly recounts his more than 25 years of experience in the martial arts. In his illuminating story, Hyams reveals to you how the daily application of Zen principles not only developed his physical expertise but gave him the mental discipline to control his personal problems-self-image, work pressure, competition. Indeed, mastering the spiritual goals in martial arts can dramatically alter the quality of your life-enriching your relationships with people, as well as helping you make use of all your abilities.

Quentin Tarantino ’ s long-awaited first work of fiction—at once hilarious, delicious and brutal—is the always surprising, sometimes shocking, novelization of his Academy Award winning film. RICK DALTON—Once he had his own TV series, but now Rick ’ s a washed-up villain-of-the-week drowning his sorrows in whiskey sours. Will a phone call from Rome save his fate or seal it? CLIFF BOOTH—Rick ’ s stunt double, and the most infamous man on any movie set because he ’ s the only one there who might have got away with murder. . . . SHARON TATE—She left Texas to chase a movie-star dream, and found it. Sharon ’ s salad days are now spent on Cielo Drive, high in the Hollywood Hills. CHARLES MANSON—The ex-con ’ s got a bunch of zonked-out hippies thinking he ’ s their spiritual leader, but he ’ d trade it all to be a rock ’ n ’ roll star.

Get to know the true Bruce Lee through the eyes of his friend, M. Ueyehara. Pound for pound, he may have been the greatest fighter who ever lived. Read about his good and bad times, his dreams and destiny shattered by his early death.

“The first noteworthy treatment of its subject—and a definitive one at that...Fascinating narrative threads proliferate” (The New York Times Book Review). The most authoritative biography—featuring dozens of rarely seen photographs—of film legend Bruce Lee, who made martial arts a global phenomenon, bridged the divide between Eastern and Western cultures, and smashed long-held stereotypes of Asians and Asian-Americans. Forty-five years after Bruce Lee's sudden death at age thirty-two, journalist and bestselling author Matthew Polly has written the definitive account of Lee's life. It's also one of the only accounts: incredibly, there has never been an authoritative biography of Lee. Following a decade of research that included conducting more than one hundred interviews with Lee's family, friends, business associates, and even the actress in whose bed Lee died, Polly has constructed a complex, humane portrait of the icon. Polly explores Lee's early years as a child star in Hong Kong cinema; his actor father's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up; his beginnings as a martial arts teacher, eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen; his struggles as an Asian-American actor in Hollywood and frustration seeing role after role he auditioned for go to a white actors in eye makeup; his eventual triumph as a leading man; his challenges juggling a sky-rocketing career with his duties as a father and husband; and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myths surrounding Bruce Lee and argues that, contrary to popular belief, he was an ambitious actor who was obsessed with the martial arts—not a kung-fu guru who just so happened to make a couple of movies. This is an honest, revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen.

Whether you're an inspiring black belt or just a fan of martial arts action, you'll enjoy this collection of twenty exciting stories about the great heroes of the martial arts. The stories include dramatic victories, wily strategies, and triumphs over long odds—from the great Tsukahara Bokuden's cunning defeat of a troublemaking samurai to Wing Chun's brave self–defense against a brutish warlord. Children can read about Robert Trias, known as the “father of American karate” and Miyamoto Musashi, known as the “greatest sword fighter in history” and the author of the bestselling Book of Five Rings. Filled with action and amazing feats of martial arts wizardry, Legends of the Martial Arts Masters will inspire readers with stories of courage, combat, and self-discovery. Stories include: The General Fights a Bull The Great Wave The Hard Way to Find a Teacher The Three Sons The Style of No Sword A Bully Changes His Ways The Ballad of Mu-lan Twelve Warriors of Burma Wing Chun The Eighteen Hands And many more...
NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts The Great Gatsby and The Bonfire of the Vanities **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR** • **PBS** • **HARPER** ’ S **BAZAAR** • **ESQUIRE** • **FINANCIAL TIMES** • **THE TIMES OF INDIA** On the day of Barack Obama ’ s inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of “ the Gardens, ” a cloistered community in New York ’ s Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden ’ s world is their neighbor Ren é , an ambitious young filmmaker. Researching a movie about the Golden, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, The Golden House also marks Salman Rushdie ’ s triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for The Golden House “ [A] modern masterpiece. . . telling a story full of wonder and leaving you marveling at how it ever came out of the author ’ s head. ” —Associated Press “ Wildly satiric and yet piercingly real. . . If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated on a contemporary fall-of-an-empire epic set in New York City, the result would be The Golden House. ” —Poets & Writers “ A tonic addition to American—no, world!—literature. . . a Greek tragedy with Indian roots and New York coordinates. ” —San Francisco Chronicle

Edited by Bruce Lee and featuring jeet kune do legend Ted Wong, this book introduces the reader to the sil lim tao form, the immovable-elbow and centerline theories, chi sao (sticky hands), trapping, and much more. Wing Chun Kung-Fu continues to set the standard for martial arts instructional books, and it has become the perennial study guide for kung fu enthusiasts of all skill levels.

An adaptation of the business classic Getting Things Done for teenage readers The most interconnected generation in history is navigating unimaginable amounts of social pressure, both in personal and online interactions. Very little time, focus, or education is being spent teaching and coaching this generation how to navigate this unprecedented amount of "stuff" entering their lives each day. How do we help the overloaded and distracted next generation deal with increasing complexity and help them not only survive, but thrive? How do we help them experience stress-free productivity and gain momentum and confidence? How do we help them achieve autonomy, so that they can confidently take on whatever comes their way? Getting Things Done for Teens will train the next generation to overcome these obstacles and flourish by coaching them to use the internationally renowned Getting Things Done methodology. In its two editions, David Allen's classic has been translated into dozens of languages and sold over a million copies, establishing itself as one of the most influential business books of its era, and the ultimate book on personal organization. Getting Things Done for Teens will adapt its lessons by offering a fresh take on the GTD methodology, framing life as a game to play and GTD as the game pieces and strategies to play your most effective game. It presents GTD in a highly visual way and frames the methodology as not only as a system for being productive in school, but as a set of tools for everyday life. Getting Things Done for Teens is the how-to manual for the next generation--a strategic guidebook for creating the conditions for a fruitful and effective future.

The Evolution of a Martial Artist

Bruce Lee and the Dawn of Martial Arts in America

Bruce Lee's Jeet Kune Do

The Incomparable Fighter

Legends of the Martial Arts Masters

Bruce Lee’s daughter illuminates her father’s most powerful life philosophies—demonstrating how martial arts are a perfect metaphor for personal growth, and how we can practice those teachings every day. "Empty your mind; be formless, shapeless like water." Bruce Lee is a cultural icon, renowned the world over for his martial arts and film legacy. But Lee was also a deeply philosophical thinker, learning at an early age that martial arts are more than just an exercise in physical discipline—they are an apt metaphor for living a fully realized life. Now, in Be Water, My Friend, Lee’s daughter Shannon shares the concepts at the core of his philosophies, showing how they can serve as tools of personal growth and self-actualization. Each chapter brings a lesson from Bruce Lee’s teachings, expanding on the foundation of his iconic “be water” philosophy. Over the course of the book, we discover how being like water allows us to embody fluidity and naturalness in life, bringing us closer to our essential flowing nature and our ability to be powerful, self-expressed, and free. Through previously untold stories from her father’s life and from her own journey in embodying these lessons, Shannon presents these philosophies in tangible, accessible ways. With Bruce Lee’s words as a guide, she encourages readers to pursue their essential selves and apply these ideas and practices to their everyday lives—whether in learning new things, overcoming obstacles, or ultimately finding their true path. Be Water, My Friend is an inspirational invitation to us all, a gentle call to action to consider our lives with new eyes. It is also a testament to how one man's exploration and determination transcended time and place to ignite our imaginations—and to inspire many around the world to transform their lives.

Over eight-hundred entries offer insight into the beliefs and wisdom of Bruce Lee.

Learn the secrets to obtaining Bruce Lee's astounding physique with this insightful martial arts training book. The Art of Expressing the Human Body, a title coined by Bruce Lee himself to describe his approach to martial arts, documents the techniques he used so effectively to perfect his body for superior health and muscularity. Beyond his martial arts and acting abilities, Lee's physical appearance and strength were truly astounding. He achieved this through an intensive and ever-evolving conditioning regime that is being revealed for the first time in this book. Drawing on Lee's own notes, letters, diaries and training logs, Bruce Lee historian John Little presents the full extent of Lee's unique training methods including nutrition, aerobics, isometrics, stretching and weight training. In addition to serving as a record of Bruce Lee's own training, The Art of Expressing the Human Body, with its easy-to-understand and simple-to-follow training routines, is a valuable source book for those who seek dramatic improvement in their health, conditioning, physical fitness, and appearance. A Biography

Wing Chun Kung-fu

Bruce Lee's fighting method

Basic Training

Chinese Gung Fu

The Dictator's Handbook

Bruce Lee was a revered martial artist, actor and filmmaker known for movies like 'Fists of Fury' and 'Enter the Dragon,' and the technique Jeet Kune Do. This book gives an account of his life, career in Martial Arts, Filmography and Death. A must read for any Bruce Lee Fan.

"The straight punch is the core of Jeet Kune Do."—Bruce Lee The straight lead was a key element in Bruce Lee's development of his own personal style. It was designed to be uncomplicated, economical, and brutally effective but is not as simple as it might seem. Bruce Lee once described it the most difficult move in the Jeet Kune Do arsenal. Lee developed JKD as a response to the shortcomings he found in traditional martial arts, but it also includes elements of Western combat systems that he found effective. It incorporates contributions ranging from Jack Dempsey's approach to boxing to the fencing style

of Aldo Nadi. In *The Straight Lead: The Core of Bruce Lee's Jun Fan Jeet Kune Do*, author Teri Tom describes the development of the straight punch in Western martial arts and describes Bruce Lee's refinement of the technique. It also offers a thorough instruction in the complexity and power of the move—showing martial artists of any discipline how to incorporate this devastating attack into their repertoire. With forewords by Shannon Lee Keasler and Ted Wong, chapters include: *A Brief History of Straight Punching Evolution of Jeet Kune Do's Straight Lead The Stance Mechanics of the Straight Lead Footwork Why the Straight Lead? Application Speed Variations of the Straight Punch What Jun Fan Jeet Kune Do is Not Go to the Source An Interview with Ted Wong*

Part of the *Bruce Lee's Fighting Method series*, this book teaches how to perform jeet kune do's devastating strikes and exploit an opponent's weaknesses with crafty counterattacks like finger jabs and spin kicks. *Bruce Lee Jeet Kune Do is the iconic book presenting the martial art created by Bruce Lee as explained in the master's own words. In 1970, Bruce Lee suffered a back injury that confined him to bed. Rather than allowing this to slow his growth as a martial artist, he read feverishly on Eastern philosophy and Western psychology and self help books, constructing his own views on the totality of combat and life. It was during this time that Lee wrote 7 volumes containing his thoughts, ideas, opinions, and research into the art of unarmed combat, and how it applies to the everyday life. Some of this material was posthumously published in 1975, but much more existed. This landmark book serves as a more complete presentation of Bruce Lee's notes on his art of Jeet Kune Do. The development of his unique martial art form, its principles, core techniques, and lesson plans are presented here in Lee's own words. It also features Lee's illustrative sketches and his remarkable treatise on the nature of combat, success through martial arts, and the importance of a positive mental attitude in training. In addition, there are a series of "Questions Every Martial Artist Must Ask Himself," that Lee posed to himself and intended to explore as part of his own development, but never lived to complete. Jeet Kune Do: A Comprehensive Guide to Bruce Lee's Martial Way is a book every Bruce Lee fan must have.*

The Life and Death of Bruce Lee : a Biography

A Study in the Way of Chinese Martial Art

A behind-the-scenes look at the life of the most extraordinary martial artist of all time—Bruce Lee. *Bruce Lee: The Celebrated Life of the Golden Dragon* is a photographic catalog of all facets of this fascinating man, from the start of his career to his untimely and tragic death in 1973. This book reveals a quiet family man behind the charismatic public persona. It shows the real Bruce Lee—the man who was so much more than an international film and martial arts celebrity. This brilliant photo essay—compiled and edited by Bruce Lee expert John Little with the assistance of Lee's widow, Linda Lee Cadwell—reveals never-before-published family photos, including rare photos of Bruce's childhood in Hong Kong. Tender moments with his children are caught on camera and action shots from his martial arts films are shown. With a preface by his daughter Shannon Lee and a foreword by wife Linda, the text is drawn directly from Bruce Lee's own diaries and journals. Based on the award-winning Warner Bros. documentary, *Bruce Lee: In His Own Words*, sections include: *Chronology of the Life of Bruce Lee Early Years—why he began studying gung fu (kung fu) and took up wing chun, his first starring role, and his return to the US Hollywood—why he got the part in The Green Hornet, teaching Steve McQueen, James Coburn and Stirling Silliphant, filming Enter the Dragon, The Way of the Dragon, Fist of Fury and more, training and acting with Chuck Norris, Kareem Abdul-Jabbar, Dean Martin and Sharon Tate, and the creation of Jeet Kune Do (JKD) Family—meeting Linda, having children, daily life This Bruce Lee Book is part of Tuttle Publishing's Bruce Lee Library which also features: Bruce Lee's Striking Thoughts Bruce Lee's The Tao of Gung Fu Bruce Lee Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee Jeet Kune Do*

This useful and informative book offers a detailed overview of Jeet Kune Do practice while explaining the specific moves readers will need to perfect their techniques. As a foundation, the book recalls the origination of Jeet Kune Do — the philosophy, history, and different styles of the martial art. This gives readers an important reference point on how the practice evolved. From there, the book explains how to choose a school, taking readers through their first class including the etiquette and dress requirements. The basic elements of the style — stances, footwork, upper body and lower body techniques, and grappling are all well represented and defined. Building upon this solid groundwork, the book informs readers of the five ways of attack, including the single direct attack, the attack by combination, the progressive indirect attack, the attack by drawing, and the hand immobilization attack. Fighting instructions include the tactical considerations of Jeet Kune Do practice such as defenses, counterattacks, and sparring. The book concludes with a comprehensive list of resources to help students further develop their knowledge of and training in Jeet Kune Do. Through compact and easy-to-read, this book gives readers everything they'll need to start their practice of this important fighting art.

In the months leading up to his death, Bruce Lee was working on this definitive study of the Chinese martial arts—collectively known as Kung Fu or Gung Fu. This book has now been edited and is published here for the first time in its entirety. Bruce Lee totally revolutionized the practice of martial arts and brought them into the modern world—by promoting the idea that students have the right to pick and choose those techniques and training regimens which suit their own personal needs and fighting styles. He developed a new style of his own called Jeet Kune Do—combining many elements from different masters and different traditions. This was considered heretical at the time within martial arts circles, where one was expected to study with only a single master—and Lee was the first martial artist to attempt this. Today he is revered as the "father" of martial arts practice around the world—including Mixed Martial Arts. In addition to presenting the fundamental techniques, mindset and training methods of traditional Chinese martial arts, this martial art treatise explores such esoteric topics as Taoism and Zen as applied to Gung Fu, Eastern and Western fitness regimens and self-defense techniques. Also included is a Gung Fu "scrapbook" of Bruce Lee's own personal anecdotes regarding the history and traditions of the martial arts of China. After Lee's death, his manuscript was completed and edited by martial arts expert John Little in cooperation with the Bruce Lee Estate. This book features an introduction by his wife, Linda Lee Cadwell and a foreword from his close friend and student, Taky Kimura. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

Part of the *Bruce Lee's Fighting Method series*, this book demonstrates simple, effective methods for dodging and deflecting incoming blows. It offers advice for improving the speed, power, and accuracy of your kicks and punches.

Bruce Lee's 5 Methods of Attack

You Can't Be Serious

Bruce Lee The Tao of Gung Fu

The Philosophical Art of Self Defense

A Novel

Bruce Lee's Fighting Method

Apply the combat science of Bruce Lee's revolutionary martial art! This martial arts manual describes his research into the how and why of Jeet Kune Do techniques. Bruce Lee wrote of "three stages of cultivation" that lie along the path to JKD mastery: The Innocence—this is the level of the absolute beginner. The Stage of Art—the student is immersed in the process of technical and physical training. The Stage of Artlessness—the stage of "highest art" in which the body is no longer hindered by the mind. As B hits all by itself." To reach the final stage, the student must progress methodically through the Stage of Art—there are no shortcuts! Author Teri Tom guides you on this journey by revealing the science behind the moves in Jeet Kune Do repertoire. You'll learn yourself from injury, and maximize the effectiveness of the following core techniques and their variations: Straight Lead; Rear Cross; Hook; Uppercut; Straight Kick; Hook Kick; Side Kick; and Spinning Back Kick. You'll also learn about Bruce Lee's revolutionary a combat that takes advantage of human biomechanics; How to evade attacks, and use those evasive movements to launch counter-attacks; Natural ways to chain your moves into seamless combinations; The importance of developing mental and physical speed

cadence, good timing and judgment of distance; All techniques are traced to the original sources that inspired Bruce Lee.

"Bruce Lee was known as an amazing martial artist, but he was also a profound thinker. He left behind seven volumes of writing on everything from quantum physics to philosophy." — John Blake, CNN Named one of TIME magazine's "100 Greatest Men of the 20th Century" Lee's impact and influence has only grown since his untimely death in 1973. Part of the seven-volume Bruce Lee Library, this installment of the famed martial artist's private notebooks allows his legions of fans to learn more about the man whose groundbreaking and martial arts training methods sparked a worldwide interest in the Asian martial arts. *Bruce Lee Artist of Life* explores the development of Lee's thoughts about Gung Fu (Kung Fu), philosophy, psychology, poetry, Jeet Kune Do, acting, and self-knowledge.

Little, a leading authority on Lee's life and work, the book includes a selection of letters that eloquently demonstrate how Lee incorporated his thought into actions and provided advice to others. Although Lee rose to stardom through his physical prowess as a jeet kune do—the system of fighting he founded—Lee was also a voracious and engaged reader who wrote extensively, synthesizing Eastern and Western thought into a unique personal philosophy of self-discovery. Martial arts practitioners and fans alike eagerly await this new volume of the Library and its trove of rare letters, essays, and poems for the light it sheds on this legendary figure. This book is part of the Bruce Lee Library, which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do
