Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

Pathfinder Campaign Setting: Faiths of Golarion sheds light on 10 lesser-known deities, some popular within the Inner Sea Region, and some worshipped mostly in the lands beyond. From Chaldira Zuzaristan, the mischievous halfling god of luck, to Nivi Rhombodazzle, the deep gnome god of gambling, to Gruhastha the Keeper and Hei Feng the Duke of Thunder, this book offers details about these gods' histories, dogmas, and practices, all designed to enrich your campaigns with new divine lore.

Although his poems were not generally well received by critics during his lifetime, his reputation grew after his death, and by the end of the 19th century, he had become one of the most beloved of all English poets. He had a significant influence on a diverse range of poets and writers. Jorge Luis Borges stated that his first encounter with Keats's work was the most significant literary experience of his life.The poetry of Keats is characterised by sensual imagery, most notably in the series of odes. This is typical of romantic poets, as they aimed to accentuate extreme emotion through the emphasis of natural imagery. Today his poems and letters are some of the most popular and most analysed in English literature. Some of the most acclaimed works of Keats are "I Stood Tip-toe Upon a Little Hill," "Sleep and Poetry," and the famous sonnet "On First Looking into Chapman's Homer."
