Keeping the Republic gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the

message through informed citizenship. Keeping the Republic draws students into the study of American politics, showing them how to think critically about "who gets what, and how"

while exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics,

and to be savvy consumers of political information. The thoroughly updated Eighth Edition considers how a major component of power is who controls the information, how it is

**assembled into narratives,
and whether we come to
recognize fact from fiction.
Citizens now have
unprecedented access to
power - the ability to create
